

GENERAL INFORMATION

NAVARRO COLLEGE CENTERS

Navarro College has a commitment to increase the availability and economy of educational opportunities. Many college courses are offered in communities throughout the five-county college service area. In order to bring services closer to students taking courses in their hometowns, Navarro College has established branch campuses in three communities in the college's service area. Through these campuses, interested citizens may receive information, academic advising, course scheduling, or other assistance. Not all courses required for a degree or certificate will be offered at branch campuses. It may be necessary for students to take certain courses at the Corsicana Campus or online.
