

ENVIRONMENTAL SCIENCE

ENVIRONMENTAL SCIENCE AS DEGREE PLAN

PROGRAM INFORMATION: The Associate of Environmental Science provides students with the general education courses normally taken in the first two years at a four-year college or university and a flexible plan from which the student can choose a variety of introductory science courses as part of an interdisciplinary or environmental science program.

To receive an Associate of Science in Environmental Science degree, students must:

1. Make a minimum grade of C in all required math and science courses and
2. Have an overall Grade Point Average (GPA) of 2.0 or greater.
