## RN TO BSN BRIDGE PROGRAM

### PROGRAM INFORMATION

The Registered Nursing to Bachelor of Science in Nursing (RN-to-BSN) program is 120 credit hours in length: up to 36 hours of nursing content transfer credits will be awarded from the Associate Degree in Nursing (ADN) or diploma program and licensure in the Texas. Students will need to complete 54 additional hours of General Education – Liberal Arts Core Curriculum and 30 hours of upper-level nursing courses for a total of 120 credit hours. The upper division courses can be completed in three semesters, Fall, Spring, and Summer. The Navarro College RN to BSN Bridge Program is approved by the Texas Board of Nursing (BON), P.O. Box 430, Austin, TX 78767, (512) 305-7400. The RN to BSN Bridge Program is approved by the [Accreditation Commission for Education in Nursing](#) (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326, phone 404-975-5000, fax 404-975-5020.

Students must complete all prerequisite courses as described in the degree plan before enrolling in the next semester. Students who have not completed designated prerequisites prior to enrolling in the nursing course will not be allowed admission into the nursing courses. A student must complete all courses within a semester before advancing to the next semester.

To be eligible to graduate with the Bachelor of Science in Nursing (BSN) degree, students must meet the following requirements.
