

HEALTH PROFESSIONS

MEDICAL LABORATORY TECHNOLOGY- AAS DEGREE PLAN

PROGRAM INFORMATION: The two-year curriculum in Medical Laboratory Technology leads to an Associate in Applied Science (AAS) Degree designed to help prepare graduates for employment as a medical laboratory technician in a clinical laboratory upon successful completion of a national certification exam. Students who have completed many of the general education courses on the degree plan may be accelerated through the program. Students unable to attend full time may be accommodated.

The Medical Laboratory Technology (MLT) Program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) located at 5600 N. River Road Suite 720, Rosemont, IL 60018-5119. NAACLS phone number is (733) 714-8880. Graduates of the program are eligible to take the American Society of Clinical Pathology (ASCP) national certification examinations for medical laboratory technicians.

APPLICATION PROCESS: Students interested in the Medical Laboratory Technology Program should submit the MLT program application to the program director (address is on the application). Applications are available at the Executive Dean of Health Professions' office, the MLT program office (Drane Hall Room 208), or on the [Medical Laboratory Technology website](#). Applicants are ranked for admission based on the following: Texas Success Initiative scores, GPA, completion of science courses, completion of other college courses, and employment in a clinical laboratory or phlebotomy course completion. Proof of clear criminal history is required. **Acceptance to Navarro College does not guarantee admission to the Medical Laboratory Technology program.** The Medical Laboratory Technology program is only offered on the Corsicana campus.

Hepatitis B immunization, a six-month process, must be complete before patient contact, which occurs during the freshman year clinicals. Students interested in the program should begin hepatitis B immunizations as soon as possible. Immunization information is included in the MLT application and the website.

University programs are available that accept transfer MLT courses to a Bachelor of Science (medical laboratory science) degree. Students should check with their chosen university regarding any transfer possibilities.

Notice to Students Regarding Licensing - MLT

Effective September 1, 2017, House Bill (HB) 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. The [National Accrediting Agency for Clinical Laboratory Sciences \(NAACLS\)](#) website provides links to information about the licensing process and requirements.

Should you wish to request a review of the impact of criminal history on your potential MLT Certification prior to or during your quest for a degree, you can visit the [National Accrediting Agency for Clinical Laboratory Sciences \(NAACLS\)](#), [Students page](#) and request a "Criminal History Evaluation."

This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

FRESHMAN YEAR - FALL

COURSE SECTION	COURSE TITLE	CREDIT HOURS
MLAB 1201	Introduction to Clinical Lab Science	2
MLAB 1211	Urinalysis and Body Fluids	2
MLAB 1235	Immunology/ Serology	2
BIOL 2401	Anatomy & Physiology I	4
MATH 1314	College Algebra	3
ENGL 1301	Composition I	3
Fall Total Credit Hours		16

FRESHMAN YEAR - SPRING

COURSE SECTION	COURSE TITLE	CREDIT HOURS
MLAB 1415	Hematology	4
MLAB 1227	Coagulation	2
PLAB 1223	Phlebotomy	2
BIOL 2402	Anatomy & Physiology II	4

COURSE SECTION	COURSE TITLE	CREDIT HOURS
X3XX	Approved Language / Philosophy / Culture or Creative Arts	3
Spring Total Credit Hours		15

FRESHMAN YEAR - SUMMER

MLAB 1360	Clinical I	3
Summer Total Credit Hours		3

SOPHOMORE YEAR - FALL

MLAB 2434	Clinical Microbiology	4
MLAB 2431	Immunohematology	4
CHEM 1411 or CHEM 1405	General Chemistry I or Introductory Chemistry I	4
X3XX	Approved Social / Behavioral Science	3
Fall Total Credit Hours		15

SOPHOMORE YEAR - SPRING

COURSE SECTION	COURSE TITLE	CREDIT HOURS
MLAB 1231	Parasitology/ Mycology	2
MLAB 2401	Clinical Chemistry	4
MLAB 2238	Advanced Topics	2
MLAB 2360	Clinical II	3
Spring Total Credit Hours		11
Program Total Credit Hours		60

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on [SACSCOC's website](#).
