

# JOHN DEERE TECH

## DIESEL ENGINE MAINTENANCE CERTIFICATE I COMPLETION PLAN

**PROGRAM INFORMATION:** The Certificate I and Certificate II Programs can enable students in the John Deere Tech Program to receive two certificates while working toward completing the Associate of Applied Science (AAS) Degree. Students must have a John Deere sponsor for whom they will work between semesters. All John Deere courses in the certificate programs are courses included in the AAS Degree. Upon successful completion of each certificate, the student will be awarded a Certificate of Completion. Students are not required to take a college entrance test in order to enroll for either certificate program.
