GENERAL INFORMATION

NAVARRO COLLEGE CENTERS

Navarro College has a commitment to increase the availability and economy of educational opportunities. Many college courses are offered in communities throughout the five-county college service area. In order to bring services closer to students taking courses in their hometowns, Navarro College has established centers in four communities in the college's service area. Through these centers, interested citizens may receive information, academic advisement, course schedules, or other assistance. Not all courses required for a degree or certificate will be offered at off-campus centers. It may be necessary for students to take certain courses at the Corsicana Campus.
