The online *College Catalog* provides the programs of study and course descriptions available through Navarro College. It includes information about admission to the College, enrollment, degrees and certificates and academic policies. Although this catalog was prepared on the basis of the best information available at the time of publication, all information, including statements of tuition and fees, course offerings, and admission and graduation requirements, is subject to change without notice or obligation. This catalog does not constitute a contract between Navarro College and the student.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

LETTER FROM THE DISTRICT PRESIDENT

Dear Bulldogs,

Welcome! We are proud that you have chosen Navarro College to be a part of your educational journey to prepare yourself personally and professionally for success. Our nationally recognized professionals and programs provide structure, support, and an outstanding education that empowers individuals to change their lives as they prepare for a career.
Navarro College offers an array of educational pathways designed to provide you with the skills, knowledge, and learning experiences to successfully achieve your educational aspirations and prepare for the world of work. As a customer-focused institution dedicated to our values of integrity, diversity, innovation, student-centeredness, and accountability, our staff is team-oriented and sincerely committed toward your student experience! Navarro College is a place where people of all ages and from all backgrounds and cultures meet to participate in one of the most satisfying and enhancing learning experiences available in Texas.
We look forward to serving you! Navarro College offers a unique opportunity, and we invite you to engage with us on a daily basis to create your memorable and lasting opportunities.
As we pursue our vision to be nationally recognized with a commitment toward your success, we are investing in you, our people, and our resources to achieve these outcomes. With that in mind, we are so glad that you choose to be a part of that vision!
With Bulldog Pride,
Dr. Kevin G. Fegan
District President

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

HISTORY OF THE COLLEGE

In the spring of 1946, a group of local citizens met to form a steering committee for the purpose of establishing a junior college in Navarro County. In a general election held July 16, 1946, voters approved the creation of Navarro Junior College and authorized a county tax to help finance the institution. In that same election, voters chose a seven-member board of trustees to govern the college. The first students began classes in September, 1946. Most of the 238 members of that first student body were returning veterans from World War II taking advantage of assistance available under the newly enacted GI Bill. The first campus of Navarro College was the site of the Air Activities of Texas, a World War II primary flight school located six miles south of Corsicana.
In 1951, the campus was moved to its present location, a 47-acre tract west of downtown Corsicana on State Highway 31. The campus has expanded to 103 acres with 19 academic buildings and 24 dormitories. In 1954, Navarro was accredited by the Southern Association of Colleges and Schools. The accreditation was reaffirmed in 1964, 1974, 1985, 1995, 2006, and again in 2016.
In 1974, the college broadened its philosophy and purpose to encompass the comprehensive community-based educational concept, adding occupational education programs and implementing new education concepts including individualized and self-paced instruction and the use of audio-tutorial instructional media. In keeping with the new educational role, the word “junior” was dropped from the institution’s name, and the official name Navarro College was adopted by the Board of Trustees. In an attempt to address the growing needs of its service area, which consists of Navarro, Ellis, Freestone, Limestone, and Leon counties, the college began offering courses in various locations in those areas in the early 1970s and eventually established two permanent centers, Navarro College South at Mexia and the Ellis County Center at Waxahachie. In January, 2006, a new location in Midlothian opened to better serve students in that area.
Navarro College has had seven presidents: Mr. Ray Waller, the founding president served until his death in 1956; Dr. Ben W. Jones served from 1956 until 1973; Dr. Kenneth P. Walker served from 1974 until 1988; Dr. Gerald E. Burson served from 1989 until his retirement in January 1998; Dr. Richard Sanchez served from 1998 until his first retirement in 2013 and returned again from 2016 - 2018; Dr. Barbara Kavalier served from 2013 until 2016; and Dr. Kevin G. Fegan is the current District President and began his service in September 2018.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

MISSION, VISION AND VALUES

Mission
Navarro College provides educational opportunities that empower students to achieve their personal, academic, and career goals and that promote life-long learning for all communities served.

Vision
Navarro College will be nationally recognized as a higher education institution committed to providing innovative career pathways and student-centered learning opportunities that result in students capable of succeeding in local and global communities.

Values
Integrity: actively building open relationships with students, employees, local business, and local communities. Serving all people, we touch with a strong sense of ethics and personal and organizational responsibility.
Diversity: fostering acceptance, multi-dimensional thinking, and respect and understanding the different experiences of all people. We know we are stronger for who we are together—as a college, as a community, as a culture, as part of a global village.
Innovation: leadership invested in guiding and embracing change, seeking creative ways to tackle educational challenges. We encourage students and employees to be agents for change, championing new ideas informed by personal reflection, trends in education, and changes in local and global community.

Student Centeredness: placing students at the heart of all we do, with an emphasis not only on excellence and learning, but, also, with a profound appreciation of personal, familial, economic, and civic responsibilities impacting our students and communities.
Accountability: honoring commitments to students, educational partners, workforce partners, and the communities we serve.
We intentionally foster respect, citizenship, civic responsibility, and humanitarianism as both individuals and an institution.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

EQUAL EDUCATIONAL OPPORTUNITY

Navarro College shall comply with existing federal and state laws and regulations, including the Civil Rights Act of 1964 (PL. 88-352) and Executive Order 11246 (Revised Order #4), where applicable, with respect to the admissions and education of students, with respect to the availability of student loans, grants, scholarships, and job opportunities, with respect to the employment and promotion of teaching and non-teaching personnel, and with respect to the student and faculty activities conducted on premises owned or occupied by the College. Navarro College shall not discriminate against any person on account of race, color, religion, creed, gender, age, national origin, ancestry, disability, marital status or veteran status. Navarro College adheres to the policies and procedures as prescribed under ADA-504.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ACCREDITATION

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).
Health Professions programs at Navarro College are accredited by the following agencies:
Bachelor of Science in Nursing (BSN) – Approved for Candidacy by Accreditation Commission for Education in Nursing (ACEN)
Associate Degree Nursing (ADN) - Accreditation Commission for Education in Nursing (ACEN)
Licensed Vocational Nursing (LVN) - Texas Board of Nursing (BON)
Medical Laboratory Technology (MLT) - National Accrediting Agency for Clinical Laboratory Science (NAACLS)
Occupational Therapy Assistant (OTA) - Accreditation Council for Occupational Therapy Education (ACOTE)
Physical Therapist Assistant (PTA) - Commission on Accreditation in Physical Therapy Education (CAPTE)
Navarro College is approved by the Texas Higher Education Coordinating Board (THECB) and is a member of the Texas Association of Community Colleges (TACC) and the American Association of Community Colleges (AACC).
Navarro College represents itself accurately to all U. S. Department of Education recognized accrediting agencies with which it holds accreditation and informs those agencies of any change of accreditation status, including the imposition of public sanctions. The Vice President of Academic Affairs, who also serves as SACSCOC liaison, is responsible for notifications of accreditors when a change in accreditation status occurs.

For other information about the College, please contact Navarro College, 3200 West 7th Avenue, Corsicana, Texas 75110 or call 903-874-6501.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

NAVARRO COLLEGE LOCATIONS

Navarro College has a commitment to increase the availability and economy of educational opportunities. Many college courses are offered in communities throughout the five-county college service area. In order to bring services closer to students taking courses in their hometowns, Navarro College has established locations in three communities in the college's service area. Through these locations, interested citizens may receive information, academic advising, course scheduling, or other assistance. Not all courses required for a degree or certificate will be offered at these locations. It may be necessary for students to take certain courses at the Corsicana location or online. The following locations are now in operation:
Navarro College - Waxahachie
1900 John Arden Drive
Waxahachie, TX 75165-5220
Phone: (972) 937-7612
Navarro College - Midlothian
899 Mt. Zion Road
Midlothian, TX 76065
Phone: (972) 775-7200
Navarro College - Mexia
901 N. MLK
Mexia, TX 76667-2816
Phone: (254) 562-3848

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

NAVARRO COLLEGE FOUNDATION, INC.

The Navarro College Foundation Inc., a 501©(3) tax exempt organization, is the philanthropic arm of the college. The mission of the foundation is to assist the college in providing the human and financial resources to meet present and future educational needs of the college's five-county service area. Furthermore, the foundation board fosters educational excellence and exemplary community service to enhance the quality of life among students and staff of Navarro College, as well as to seek and find financial capital and gifts-in-kind beyond state and local appropriations. These resources allow the college and its staff to increase the quality of service, enhance the educational experience gained by students at Navarro College, and reach out to the larger community to provide cultural, workforce development, and life-long learning programs. Members of the Navarro College Foundation Board are:

Executive Committee

- Mr. Rusty Hitt, President
- Ms. Paula Cook, Vice President
- Mr. Jim Pannell, Treasurer
- Mr. Doug Barnes, Secretary
- Dr. Pat Harper, Past President
- Mr. Richard Aldama, Navarro College Trustee

- Mr.Chris Skinner, Member at Large

Board Members
- Mrs. Sue Cook
- Mrs. Sarah Keathley
- Mr. Lee McCleary
- Mr. Hugh Stroube
- Mr. Scott Watkins
- Mr. Kevin Strength
- Mr. Dick Flatt – Emeritus

Ex Officio Member:
- Dr. Kevin G. Fegan, Navarro College District President
- Mr. Richard Cutrer, Executive Director

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

COOK EDUCATION CENTER

The Cook Education Center is a multi-faceted educational facility featuring the largest planetarium dome in Texas (60 feet), a spacious conference area, Pearce Civil War and Western Art Museum, and the Hunters and Gatherers Exhibit.
The center is dedicated to making a positive impact on the lives of students, supporting teaching and learning at all levels, and enriching life for all who participate in activities there. Through exposure to multimedia presentations in the planetarium, children and adults broaden their understanding of various disciplines.
The Cook Education Center provides events and catering services for corporate meetings, weddings, and special occasion parties. For more information, http://www.navarrocollege.edu/cook-education-center/index.html.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. SMALL BUSINESS DEVELOPMENT CENTER

The Small Business Development Center (SBDC) is a professional management counseling service funded by Navarro College, the State of Texas, and the U.S. Small Business Administration (SBA). The SBDC is designed to provide small businesses in Ellis, Freestone, Limestone, and Navarro Counties with the practical assistance needed to survive, grow and prosper. In addition to one-on-one, confidential consulting provided at no charge by qualified professionals, the SBCD offers low-cost seminars and workshops that address the specialized and complex needs of small businesses. The Navarro College SBDC is a cooperative effort of Navarro College and the U.S. Small Business Administration. Visit http://www.navarrocollegesbdc.org/ for more information.

ADMISSION PROCEDURES

Navarro College maintains an open-door admission policy, and students are admitted without regard to race, color, religion, creed, gender, age, national origin, ancestry, disability, marital status, or veteran status. The college reserves the right to verify citizenship and residency status of any applicant with the intention of admission to Navarro College. The Office of Admissions and the Registrar's Office are responsible for administering all admissions policies. Inquiries concerning admissions should be directed to the Navarro College Admissions office and emailed to admissions@navarrocollege.edu.
The College reserves the right to refuse admission to anyone who does not comply with admission requirements set forth by Navarro College. In compliance with Texas House Bill (TX HB) 449 and 1735 adopted in 2019, students are required at the point of admissions to disclose the following:

1. if they have pending conduct charges of violence or sexual misconduct,
2. if they have been expelled, suspended, or withdrawn from a previous institution for conduct charges of violence or sexual misconduct.

If prospective students or applicants answer 'yes' to either of these questions, they are required to provide additional information/documentation to the Office of Student Development, submitted electronically via email to: student.conduct@navarrocollege.edu. The prospective student/applicant's information will be sent to the Office of Student Development for further processing. Their admissions status will be pending until admissions clearance has been determined by the Office of Student Development.
The College reserves the right to refuse admission to any student who does not comply with TX HB 449 and 1735 requirements.
An individual may appeal any admissions denial to the Vice President of Student Success or in the event the refusal was due to conduct, the student may appeal to the Executive Director of Student Services.

Completion of the following steps are necessary to gain admission to Navarro College:

1. Application for Admission https://www.applytexas.org
2. Official Transcript
3. Required assessment scores

Beginning Students
NEW APPLICANTS
An official and complete high school transcript in a sealed envelope bearing the signature of the appropriate high school official, institutional seal and date of graduation of the applicant's high school record must be filed or sent electronically via secure transmission to be considered for admission to Navarro College.
Navarro College will not recognize an applicant/prospective student as a high school graduate who has obtained a diploma through school or online program that requires only payment of a fee with little or no coursework requirements. Graduates of such programs will be considered for admissions on an individual approval basis.

TRANSFER STUDENTS
Individuals transferring from another college or university with the intention of attending any semester/term at Navarro College, including summer terms and mini session, are required to present an official and complete transcripts in a sealed envelope bearing the signature of the appropriate official and seal from each of the colleges/universities previously attended or sent electronically via secure source transmission delivered directly from the institution to the Navarro College Office of Admissions.

1. *Assessment Scores: College* proficiency in reading, writing, and mathematics must be assessed. This is accomplished by completing the TSIA2 or equivalent assessment. Those otherwise qualified or exempted will not be refused admission based on their scores. Test results are used in advising and in placing students in the proper course levels.
2. *Proof of Residency*: A student may submit a state-issued driver's license or identification card as proof of having established local residency for 12-months or more without enrollment (or other approved documentation) to determine residency as either in-district, out-of-district, or out-of-state.

The Office of Admissions and the Registrar's Office can provide additional information concerning state requirements.

SPECIAL PROGRAMS
Certain programs such as Residence Life, as well as instructional areas (e.g. cosmetology, welding, petroleum technology), Allied Health (e.g. BSN, ADN,, OTA, PTA, etc.) and Protective Services (e.g. police, fire and EMS) will require additional standards of conduct and may involve additional requirements for admissions and sanctions against student misconduct. Contact those areas of study directly for more information.

OUT-OF-STATE
Navarro College is a member of the National Council of State Authorization Reciprocity Agreements (NC-SARA) and is therefore authorized to permit out-of-state students to enroll in distance education classes. Out-of-state students must follow the same admissions processes and requirements as in-state students. This procedure is available under the Section FB.1 of the Navarro College Board Policy and Administrative Procedures Manual.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

METHODS OF ADMISSION

Prospective students/applicants are required to and responsible for meeting all admission requirements set forth by Navarro College.
Failure to meet all requirements will result in the: student's Navarro College transcript withheld and/or the inability of future registrations.
Admission to Navarro College may be obtained by one of the following methods:

1. **High School Graduate:** An applicant who is a graduate of an accredited high school, both public and private, will be admitted to Navarro College upon presentation of a properly authenticated high school transcript verifying that the student has graduated from high school. a.) High school students are strongly recommended to follow the State Board of Education's recommended 24-unit High School Program to help be fully prepared for college following graduation.
2. **High School Equivalency (HSE):** An applicant who is not a high school graduate may be admitted by successfully completing a high school equivalency test and providing a GED transcript with passing scores. The GED test is administered at Navarro College and applicants interested in gaining admission by this method should inquire at the Testing Center or the Adult Education Program office.
3. **Individual Approval:** Students may apply for individual approval at the Office of Admissions. The applicant/prospective student must be enrolled in and attending the Navarro College Adult Education classes/HSE class and will agree to attempt to pass the HSE prior to the beginning of the next semester. Failure to do so will be justification for the applicant/prospective student to not be allowed to enroll the subsequent following semester at Navarro College. If a student is not enrolled in or attending HSE classes, they forfeit the ability to be admitted to Navarro College and assume the understanding that they will be dropped from college classes, both credit and non-credit.

Transfer from Another College or University: Applicants/prospective students transferring to Navarro College from other institutions of higher education are required to submit all official transcripts from all U.S. (and U.S. territories) institutions previously attended, to the Office of Admissions. Please note, transcripts must be no older than three years from the date the transcript was printed to comply with the state records and retention law, established by the Texas State Library and Archives Commission.
Returning Students: Those seeking readmission to Navarro College after having not attended Navarro College for a year or longer must also submit a new admissions application.
Credit for courses in which a passing grade ("D" or better) has been earned may be transferred to Navarro College from the following institutions:
Institutions that are regionally accredited:

- Higher Learning Commission
- Middle States Association of Colleges and Schools Commission on Higher Education
- New England Association of Schools and Colleges
- Northwest Association of Colleges and Schools Commission on Colleges
- Southern Association of Colleges and Schools Commission on Colleges
- Western Association of Schools and Colleges Accrediting Commission for Senior Colleges
- Western Association of Schools and Colleges Accrediting Commission for Community and Junior Colleges

Institutions that are not regionally accredited. Students transferring credits from these institutions will be evaluated by the Executive Dean on a case-by-case basis. Factors that will be considered relating to these courses include:

- Course Grade.
- Contact/Credit Hours.
- Student Learning Outcomes.
- Faculty Credentials.
- Level.
- Content.
- Quality.
- Comparability; and
- Degree program relevance.

It is the applicant/prospective student's responsibility to provide all transcripts and documents necessary to evaluate any prior educational experience.

The applicants/prospective students who complete coursework at colleges and universities outside the United States:

1. Will be considered on a case-by-case basis.
2. All foreign credentials submitted to the college must include the original plus a certified English translation.

3. An official evaluation of foreign credentials must be completed before transfer credit can be granted.
4. The applicant/prospective student is responsible for arranging credential evaluation.
5. A list of acceptable professional evaluation services is available in the Office of Admission or the Registrar's Office.
6. Applicants/prospective students are expected to pay all costs of translation and/or evaluation of foreign credentials.
7. Applicants/prospective students who register but fail to list on the admissions application other colleges or universities attended, or who are otherwise ineligible to attend Navarro College, will be subject to dismissal with forfeiture of all tuition and fees.

Home Schooled
Applicants/prospective students who have completed high school in a home school setting must provide a home school high school transcript clearly displaying the following information:

1. Student Name (First, Middle, Last)
2. Student's date of birth
3. For each course completed, include the following is required: a.) Specific course title, b.) units of credit for each, c.) time frame and semester in which completed, d.) grade received and description of grading system used such as a grade scale or grade key.
4. Graduation Date (month/day/year) indicating completion of secondary school education.
5. The name of the home school administrator who organized, taught, and evaluated course work, if not the parent; named in item F below, include the name of the home school administrator.
6. The following statement, or one substantially similar, shall appear above the parent signature line described: *I, the undersigned, do hereby solemnly attest that this student has completed a secondary school education in a home school setting on the date indicated, and under the laws governing the state and country in which the home school occurred.*
7. Name and address of parent or legal guardian with space for their signature. The transcript is to be signed in the presence of a Notary Public (see item H below).
8. The transcript must be notarized; to include: a.) Notary Public Signature, b.) printed name, c.) date, d.) state and county and e.) date commission expires.

The transcript containing the original notarized seal must be sent to the Navarro College Office of Admissions and the Registrar's Office.

International Students.
The Registrar, in conjunction with the Office of Admissions, oversees International Student admissions to Navarro College. All requirements must be met prior to you being admitted to Navarro College and an I-20 being issued. International Applicants who do not meet all international requirements may be referred to the International Admissions Committee for review. Completion of all admissions requirements are listed below. Note that all requirements must be met to be admitted to Navarro College and the I-20 being issued.

1. International Student admissions application can be found online at navarrocollege.edu/international.
2. Navarro College Financial Statement Form (Signature of the sponsor must be notarized)
3. Official Bank Statement - Bank statements must be certified by a bank official showing support at the level of $15,021 USD or more for at least three consecutive months. *Tuition is approximately $3,200 per 15 credit hour semester.*
4. Official Transcripts - a.) Official High School, GED, or College transcripts. b.) All transcripts must be evaluated (recommended companies include INCRED and WES) to be considered for admission.
5. English Proficiency Scores: Those seeking International Admission to Navarro College are permitted to demonstrate English proficiency using either the TOEFL or Duolingo exams. a.) TOEFL - Paper-based TOEFL scores of 500 or more, Internet-based TOEFL scores of 61 or more. b.) IELTS scores of 5.5 or more will also be accepted. c.) See TOEFL waiver (listed in application) for further exemptions. d.) Duolingo English Score - Minimum score of 95.
6. Medical Certifications: a.) Tuberculosis Statement, along with a certified doctor's note of written proof of a negative, b.) Tuberculosis/Mantoux/Clear Chest X-ray and c.) Bacterial Meningitis Vaccination record (only applies to those who are under 22 years of age) along with certified vaccination of bacterial meningitis shot.
7. Statement of Understanding
8. Passport Information: a.) A copy of the front page of your passport biography and all previous U.S. visas granted to student. b.) Transfer Clearance Form. c.) Only required for international students already studying in the U.S. who are applying to transfer into Navarro College. All other applicants are not required to complete this step.

For detailed information, please visit the international student website at https://www.navarrocollege.edu/international/index.html
For questions, please email: nc.international@navarrocollege.edu

Navarro College International Students admissions deadlines:

- Fall July 15
- Spring November 15
- Summer April 15

Career & Technical Programs.
Although Navarro College has an "open door" admission policy, some career and technical programs have limited enrollments. Those programs include, but are not limited to, BSN, Associate Degree Nursing, Vocational Nursing, Medical

Laboratory Technology, Occupational Therapy Assistant, Physical Therapy Assistant, Emergency Medical Technician, Paramedic, Fire Academy, and John Deere Ag Tech.
Applicants wishing to enter one of these limited access programs should contact the appropriate dean or department chair for program requirements and admission procedures.

Early Admissions Program for Eligible High School Students.
The Early Admissions Program at Navarro College offers an opportunity for eligible high school students to earn college credits while still enrolled in their high school subject under the following conditions:

1. Participants must be entering their freshman year in high school and have written approval of the high school and parent/guardian.
2. Students must have completed the TSIA2 Assessment or be exempt from the State of Texas end-of-course exams.
3. Students must adhere to all policies of the college and high school including daily attendance requirements. Navarro College assumes no responsibility for the loss of eligibility of high school students enrolled in this program to participate in University Interscholastic League activities. Students who meet the above criteria will be accepted into Navarro College on individual approval.

Dual Credit Enrollment.
The Dual Credit Program at Navarro College offers an opportunity for high school students to take college-level academic or career and technical courses for both high school and college credit. Such courses are offered based upon a written agreement between participating independent school districts and Navarro College and follow the provisions relating to courses for joint high school and college credit listed in Section 130.008 of the Texas Education Code. For additional information regarding dual credit enrollment, contact the Dean of Dual Credit.

Summer/Mini Session Students from Other Colleges.
A student who is enrolled in another college, and who expects to return to that school in the fall, will be admitted to the summer/winter mini session of Navarro College upon presentation of an official transcript from the records office of the other college showing the number of semester hours completed. Such transfer students must adhere to the same rules and standards concerning admission procedures and placement testing as all other students.

Returning Students.
Students returning to Navarro College after one spring or fall semester will re-enter under the catalog and programs in effect then. Technical programs change frequently, depending on industry requirements, and new degree plans may require additional coursework. Student returning to Navarro College after two or more consecutive regular semesters during which the student is not enrolled in a public institution shall submit an updated Apply Texas application (www.goapplytexas.org), proof of residency and official transcripts from institutions attended after the last enrollment at Navarro College.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

IMMUNIZATION ALERT

S.B. 1517 passed by the State Legislature during spring, 1991, amended Sections 2.09 and 2.09a of the Texas Education Code and requires that institutions of higher education provide each student applying for admission certain information about immunization. Although proof of adequate immunization is not specifically required for admission to Navarro College (with exception of international students, details outlined in this catalog.), immunization information is provided as follows:

1. **Measles:** Measles is a highly contagious viral disease. Antibiotics are not available to treat people infected with this organism. Outbreaks of this illness have caused many hospitalizations and deaths among college-aged people; for these reasons, it is strongly recommended students have two doses of the vaccine prior to beginning classes. Most young adults have had only one dose. The measles vaccine is most often given in combination with the vaccines for mumps and rubella, which are also caused by viruses.
2. **Tetanus:** The illness caused by tetanus results from the poison produced by a bacteria. This is a very difficult illness to treat once it occurs, and prevention is the most appropriate choice. The vaccine is effective for about 10 years and needs to be boosted at that interval. It is common for older adults to develop tetanus in the United States as many adults do not receive the recommended 10 year booster. The tetanus vaccine should be given in combination with the diphtheria vaccine.
    a. 1. a. **Poliomyelitis:** In the United States, polio immunization is not routinely recommended for people 18 years of age or older. However, students planning travel to other parts of the world should consult a physician for specific recommendations. **Requirement for Bacterial Meningitis Vaccinations.**

1. Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely quickly. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that causes meningitis can also infect the blood. This disease strikes about 370 Americans each year which is a decrease in the number of people infected due to people getting vaccinated. In 2016, there were 72 confirmed cases for youth between the ages of 16 and 23 years of age; 32 of these students attended college. Treatment for the disease is available, but severe health problems or disabilities are still possible. Effective January 1, 2012, all entering students are required to show evidence of an initial bacterial

meningitis vaccine or a booster dose during the five-year period preceding, and at least 10 days prior to, the first day of the first semester in which the student initially enrolls at a Texas higher education institution.

2. Under justifiable circumstances, an institution may grant extensions to individual students to delay the compliance date to no more than 10 days after the first day of the semester (or other term) in which the student initially enrolls.
3. An entering student includes a first-time student of a Texas public institution of higher education or private or independent institution and includes a transfer student or a student who previously attended an institution of higher education before January 1, 2012, and who is enrolling in the same or another institution of higher education following a break in enrollment of at least one fall or spring semester.
4. For more information on immunization requirements for students at institutions of higher education, visit the Texas Department of State Health Services (DSHS) website.

Exemptions to the Vaccination Requirement

A student is not required to submit evidence of receiving the vaccination against bacterial meningitis if the student meets any of the following criteria:

1. the student is 22 years of age or older by the first day of the start of the semester (effective 1/1/2014); or
2. the student is enrolled only in online or other distance education courses; or
3. the student is enrolled in a continuing education course or program that is less than 360 contact hours, or continuing education corporate training: or
4. the student is enrolled in a dual credit course which is taught at a public or private K-12 facility not located on a higher education institution campus; or

Note: Students in Texas are required to receive an MCV4 vaccine on or after the student's 11th birthday.

5. the student is on active duty with the armed forces of the United States; or
6. the student is incarcerated in a Texas prison.

A student is not required to submit evidence of receiving the vaccination against bacterial meningitis if the student submits to the institution:

- An affidavit or certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, stating that in the physician's opinion, the vaccination would be injurious to the health and well-being of the student; or
- An affidavit signed by the student or parent stating that the student or parent declines the vaccination for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used, or
- An Internet-based Texas Department of State Health Services exemption form claiming an exemption for reasons of conscience. Only students attending public junior colleges are eligible to submit this form.
- For students attending a four-year university or college interested in requesting a conscientious objection exemption from DSHS may access the exemption form at DSHS exemption form. The DSHS exemption form may be ordered electronically, but it will be mailed to the address provided by the student. Please allow up to two weeks to receive the form. The form must be completed, notarized, and submitted to the designated school official at the institution the student will be attending no later than ten (10) days prior to the first day of the first semester in which the student enrolls at an institution. The institution will retain the original affidavit.

For public junior college students only: the secure on-line exemption form is available at Meningococcal Vaccination Exemption Website. According to DSHS rules, a copy of the form must be submitted to the designated school official at the institution the student will be attending.

Exemption Form Q&A

DSHS has certain requirements about the handling of the exemption form as described below.

1. How long is the notarized DSHS affidavit exemption form valid?

This document is valid for two (2) years after the signature date of the notary. For the initial filing, the form must be turned into the school within 90 days of notarization to be valid and no later than ten (10) days prior to the first day of the first semester in which the student enrolls in an institution. A new form is not necessary if the student is continuously enrolled at the same institution.

1. Can the DSHS affidavit exemption forms be transferred from one university to another (as a part of a student's record)?

For students transferring between four-year institutions, it is possible to transfer the affidavit exemption form if it is still valid. However, due to the two-year validation period, it is not always possible to re-use an immunization exemption form at a second institution once it has been used at the first school.

The Texas Health & Safety Code does not address the confidentiality of exemption forms/affidavits after they leave the DSHS office. Institutions of higher education will need to speak to their own legal counsels about any concerns about legal requirements specifically related to the transfer of student records between institutions.

1. Can the DSHS public junior college exemption form be transferred to another institution?

The public junior college form is not transferrable as it is specific to the public junior college attended. Students will need to get a new exemption form in this instance.

1. Can the DSHS exemption forms be photocopied?

The DSHS affidavit is invalid if it is reproduced, but the public junior college form can be copied.

Meningococcal Serogroup B (MenB)

The meningitis college entry requirement of the Texas Administrative Code states that students must receive a "bacterial meningitis vaccination." At the time that the rule and enabling statute took effect, only two types of bacterial meningitis vaccines were available to students: meningococcal conjugate vaccine (MenACWY) and meningococcal polysaccharide vaccine (MPSV4). According to the Centers for Disease Control and Prevention (CDC), MenACWY is the vaccine recommended for this age group of college students. However, both vaccines, MenACWY and MPSV4, protect against the same four strains of bacterial meningitis (A, C, W and Y).

Recently two additional vaccines became available that offer protection from strains of meningococcal serogroup B, commonly known as MenB. The CDC Advisory Committee on Immunization Practices (ACIP) recommends MenB vaccinations for certain at risk populations.
Students should consult a physician or medical practitioner to determine the optimum vaccination protocol for their individual needs. It is important to note that vaccinations for MenACWY and MenB are not interchangeable. MenB vaccines do not provide protection for MenACWY strains, and MenACWY vaccines do not provide protection for MenB strains.
Please consult the CDC website for the latest information on recommended vaccines, https://www.cdc.gov/vaccines/vpd/mening/index.html.

Institutional Responsibilities

- All public and private higher education institutions in Texas are required to notify new entering students about bacterial meningitis and document students' receipt of that information. See the document below for additional guidance.
- Considerations When Providing Information to Students [PDF] - This document also includes a sample information sheet that institutions may use to inform students.
- Multiple methods are suggested as the best means to ensure provision of important information and confirmation of information receipt, for example, online, postcards, electronic and paper application forms, student orientation, advisor forms, posters, etc.
-

Statutory and Regulatory Authority

- Statutory Authority
- Texas Education Code Sec. 51.9191 and 51.9192
- Texas Health and Safety Code Chapter 81
- Texas Health and Safety Code Sec. 161.0041
- Regulatory Authority
- 19 Texas Administrative Code (TAC) Chapter 21, Subchapter T
- 25 TAC Chapter 97, Subchapter B

Inquiries regarding THECB guidance on Bacterial Meningitis vaccinations should be directed to Fu-An.Lin@highered.texas.gov.

Local Immunization Services

For more information on immunizations, contact your physician or public health clinic.

Health Professions Program

Certain immunizations are mandatory for students majoring in health profession fields. For information regarding immunizations, contact the Health Professions Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DEVELOPMENTAL EDUCATION PLAN

- A minimum score of 165 on the Mathematics Reasoning subject test shall be exempt from Mathematics
- A minimum score of 165 on the Reasoning Through Language Arts (RLA) subject test shall be exempt for English Language Arts Reading (ELAR)

HiSET

- A minimum score of 15 on the Mathematics subtest shall be exempt for Mathematics
- A minimum score of 15 on the Reading subtest and a minimum score of 15 on the Writing subtest, including a minimum score of 4 on the essay, shall be exempt from English Language Arts Reading (ELAR)

These HSE exemptions are valid for up to five (5) years from the date of testing. While the date of testing can be anytime within the five (5) year time frame, applicability for TSI purposes and placements starts 5/12/2021.
Due to HiSET discontinuing the administration of their test effective 8/31/2021, HiSET test scores administered after 8/31/2021 will no longer be useable for the TSI exemption. However, HiSET college readiness scores with test dates prior to 8/31/2021 will still be useable up to five (5) years from date of testing.
An institution may exempt a non-degree-seeking or non-certificate-seeking student. An institution may grant a temporary waiver from the assessment required under this title for students with demonstrated limited English proficiency in order to provide appropriate ESOL/ESL coursework and interventions. The waiver must be removed after the student attempts 15 credit hours of developmental ESOL coursework or prior to enrolling in entry-level freshman coursework, whichever comes first, at which time the student would be administered the TSI Assessment. Funding limits as defined in Texas Education Code, §51.3062(l) (1) and (2) for developmental education still apply.
Any student who has been determined to be exempt in mathematics, reading, and/or writing under subsection (a) or (b) of this section shall not be required to enroll in developmental coursework and/or interventions in the corresponding area of exemption. Students enrolling in a certificate program that includes less than 9 credit hours of general education courses are waived from placement testing, however, a student may not enroll in any courses outside the certificate curriculum without completing the placement test. If a stratified course is required in the degree plan for the certificate (i.e., English 1301), the student must successfully complete the associated component of a placement test before enrolling in the credit course. If the student fails the associated component, he/she must be remediated according to the Navarro College Developmental Education Plan.

Texas Success Initiative Guidelines

Following a student's completion of pre-admission assessment, Navarro College will administer the TSI Assessment as a placement instrument. Students will be placed in courses appropriate to their level of knowledge and skills as determined by cut-off scores established by the Texas Higher Education Coordinating Board and Navarro College. Navarro College will accept placement scores from students who have completed other state-approved instruments. Scores will be used to determine appropriate placement in developmental studies.
Navarro College will ensure that the Texas Success Initiative is administered in a manner that complies with federal law regarding the confidentiality of student medical or educational information, including the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. Section 1320d), the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g) and any state law relating to the privacy of student information."
Effective the institution's first-class day of fall 2017, **the following minimum passing standards (also known as "cut scores") for reading, mathematics, and writing on the TSI Assessment shall be used** by an institution to determine a student's readiness to enroll in entry-level freshman coursework:

- Reading: 351
- Mathematics: 350
- Writing: a placement score of at least 340, and an essay score of at least 4; or a placement score of less than 340 and an ABE Diagnostic level of at least 4 and an essay score of at least 5.

Effective January 11, 2021, the following minimum college readiness standards (also known as "cut scores") for English Language Arts Reading (ELAR) and mathematics on the TSI Assessment, Version 2.0 (TSIA2) shall be used by an institution to determine a student's readiness to enroll in entry-level freshman coursework:
Mathematics (for college-level coursework with mathematics-intensive designation by the offering institution):
a College Readiness Classification (CRC) score of at least 950; or
a CRC score below 950 and a Diagnostic level of 6.
ELAR (for college-level coursework with reading, writing, or reading and writing-intensive designation by the offering institution):
a College Readiness Classification (CRC) score of at least 945 and an essay score of at least 5; or
a CRC score below 945 and a Diagnostic level of 5 or 6 and an essay score of at least 5.
An institution shall not require higher or lower college readiness standards on any or all portions of the TSI Assessment (TSIA or TSIA2) to determine a student's readiness to enroll in entry-level freshman coursework. Institutions should use the TSI Assessment diagnostic results, along with other holistic factors, in their consideration of courses and/or interventions addressing the educational and training needs of students not meeting the college readiness standards as defined in subsection (a) of this section.
For a student with an existing plan for academic success as required in §4.58, the institution must revise the plan as needed to align with the college readiness standards as defined in subsection (a) of this section. **TSI Assessment results (TSIA and TSIA2) are valid for five (5) years from date of testing**.

Holistic Advising

For each student who fails to meet the minimum passing standards described in §4.57 of this title (relating to Minimum Passing Standards), an institution shall establish a program to advise the student regarding developmental education necessary to ensure the readiness of that student in performing freshman-level academic coursework. Determine a plan, working with the student, for academic success, which shall include developmental education and may include provisions for enrollment in appropriate non-developmental coursework. Each plan for academic success shall be designed on an individual basis to provide the best opportunity for each student to succeed in obtaining his or her career and/or academic goals. *Institutions shall consider all federal laws pertaining to individuals with disabilities when assessing and advising such students*.
At a minimum, the individual plan shall address:

1. Career advising
2. Course-based and/or non-course-based developmental education options
3. Campus and/or community student support services/resources
4. Degree plan or plan of study
5. Regular interactions between student and designated point of contact (e.g., advisor, faculty member, peer and/or community mentor, etc.)
6. Registration for next semester/next steps; and
7. Differentiated placement.

As part of the holistic advising process each student should be provided with a description of the appropriate developmental education considered necessary to ensure the readiness of that student to perform freshman-level academic coursework which clearly outlines appropriate measures for determining readiness to perform freshman-level academic coursework, as described in §4.59 of Texas Administrative Code (relating to *Determination of Readiness to Perform Freshman-level Academic Coursework*). Students enrolled in a mathematics pathway model (e.g., New Mathways Project, modular/Emporium models, etc.) must be clearly informed of the consequences of successful completion of this model which will result in meeting the mathematics college readiness standard only for specific college credit courses and that changing degree plans may require additional developmental education coursework/interventions.
The Texas Administrative Code rule on holistic advising (Rule §4.55) requires the use of multiple factors for placement considerations which may include but are not limited to:

- HS GPA/class ranking
- Non-cognitive factors (motivation, self-efficacy, time management, etc.)
- Other formal/informal training
- Family-life issues (job, transportation, child)

Holistic advising will be used in conjunction with TSI cut scores to determine the college readiness of a student.

Students with a TSI exemption for a college preparatory course as outlined in §4.54(a)(10) of this subchapter who earn less than a C in the student's first college-level course in the exempted content area must be advised of non-course-based options for becoming college ready, such as tutoring or accelerated learning.
An institution shall assess, by an instrument approved in §4.56 of this title (*relating to Assessment Instruments*), the academic skills of each entering, non-exempt undergraduate student prior to enrollment of the student. Under exceptional circumstances, an institution may permit a student to enroll in freshman-level academic coursework without assessment but shall require the student to be assessed not later than the end of the first semester of enrollment in freshman-level academic coursework.
Prior to the administration of an approved instrument in §4.56 of Texas Administrative Code, an institution shall provide to the student a pre-assessment activity(ies) that addresses at a minimum the following components in an effective and efficient manner, such as through workshops, orientations, and/or online modules:

- Importance of assessment in students' academic career
- Assessment process and components, including practice with feedback of sample test questions in all disciplinary areas
- Developmental education options including course-pairing, non-course-based, modular, and other non-conventional interventions
- Institutional and/or community student resources (e.g., tutoring, transportation, childcare, financial aid).

For holistic placement of non-exempt students not meeting standards as defined in §4.57 (*relating to College Ready and Adult Basic Education (ABE) Standards*), institutions shall use for determination of appropriate courses and/or interventions the TSI Assessment results and accompanying Diagnostic Profile, along with consideration of one or more of the following:

- High school Grade Point Average/class ranking
- Prior academic coursework and/or workplace experience
- Non-cognitive factors (e.g., motivation, self-efficacy); and
- Family-life issues (e.g., job, childcare, transportation, finances).

An institution offering collegiate-level credit to students via a Multi-Institution Teaching Center (MITC) or a university system center, or to-in-state students by distance learning delivery systems shall ensure that students are assessed as required by this section. An institution may not use the assessment or the results of the assessment as a condition of admission to the institution or as a condition of admission to a specific program offered by the institution
Navarro College shall develop and implement corequisite models as defined in statute 4.53(7) of this title (relating to definitions) for developmental mathematics and integrated reading and writing (IRW) courses and interventions and will ensure that a minimum percentage of its undergraduate students must be enrolled in corequisite models other than those exempt as outlined in the Navarro College Developmental Education Plan."

HB 2223 and Corequisite Developmental Courses

Navarro College will ensure that developmental courses and interventions comply with the requirements of this section, according to the following schedule:

- 2018-2019: At least 25% of the institutions non-exempt students must be enrolled by subject area in corequisite models.
- 2019-2020: At least 50% of the institutions non-exempt students must be enrolled by subject area in corequisite models.
- 2020-2021: At least 75% of the institutions non-exempt students must be enrolled by subject area in corequisite models.
- for the 2021-2022 academic year and thereafter, 100 percent of the institution's non-exempt students enrolled by subject area in developmental education must be enrolled in corequisite model(s).

The following Navarro College students are exempt by subject area from this requirement:

- Students assessed at ABE diagnostic levels 1-4 on the TSI Assessment
- Students who are college ready
- Students enrolled in Adult Education
- Students enrolled in degree plans not requiring freshman level academic mathematics courses
- Students who meet one or more of the exemptions outlined in 4.54 (relating to exemptions, exceptions, and waivers).

For Navarro College students enrolled in a corequisite model who fail to satisfactorily complete the freshman level course, Navarro College must offer the student a range of competency-based education programs to assist the student in becoming ready to perform freshman level academic course work in the applicable subject area, review the plan developed for students under this section and, if necessary, work with the students to revise this plan.
Students will be placed in the appropriate developmental course(s) upon admission to the College and shall continue in the established sequence of developmental courses until he/she meets one of the following conditions such as the time remediation is successfully completed, the student has made a grade of D or better in an approved related course, or the student has passed the appropriate section of the placement test.
A student who attempts one of the approved freshman-level courses and drops or fails to achieve a grade of D or better will be evaluated by the College to determine the most appropriate action for that student. The options include returning to developmental work, attempting the same or another approved course to earn a D, or retaking the appropriate section of an approved assessment test at any time, subject to availability of time and space in the testing center.
Persons enrolled as part-time, non-degree seeking students shall be defined as a "casual student". Such students will be allowed to enroll in non-stratified courses without being required to enroll in developmental classes. Full-time students from other universities or colleges may take courses for which they are TSI-complete during the summer or mini-mester sessions without being enrolled in developmental courses.
Stratified courses are those that require a passing score on the related section of the placement test as a prerequisite to enroll. For a complete list of stratified reading, writing, and math courses please follow this link: Navarro College Board Policy and Administrative Procedures EH.1 . Stratified courses include History HIST 1301, History HIST 1302, Government GOVT 2305, Government GOVT 2306, Psychology PSYC 2301, or any 2000-level literature course. A student must have passed the reading component of the placement test or successfully completed the remediation sequence for developmental reading before enrolling in any of these courses.

A student must have passed the reading and writing (ELAR) component of the placement test or successfully completed the remediation sequence for developmental writing before enrolling in English ENGL 1301. A student must have passed the mathematics component of the placement test or successfully completed the remediation sequence for developmental math before enrolling in any college level math course.
Students who successfully complete all requirements for graduation will not be required to pass one of the assessment instruments as a final condition for graduation. Any student who completes the first level college course with a grade of D or better in stratified reading, writing, or math will be considered TSI complete in that subject area. The developmental education plan will be evaluated on a regular basis by a committee appointed by the Vice President for Academic Affairs of the College. The evaluation will include research to determine the effectiveness of the plan in preparing students to succeed in college credit courses and to pass a state approved assessment instrument. Results of the evaluation will be used to recommend changes in the developmental education plan.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

REGISTRATION

Students are urged to complete all admission procedures as early as possible and be ready for registration on one of the scheduled dates. To prepare for registration, students should secure a copy of the semester class schedule and follow the directions provided in it. College and Career Success Coaches (Advisors) staff are available to advise students who have not selected an educational major.

Late Registration

All students are urged to register on the days scheduled for registration. Opportunities for late registration are very limited. Students may not register for classes after the date specified in the calendar printed in this catalog. Those enrolling late may encounter some difficulty in enrolling in desired courses. Students enrolling late will be responsible for all coursework missed as a result of late enrollment.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

TUITION & FEES

TUITION & FEES

A complete tuition schedule can be found online on the Tuition and Fees Schedule page of the Navarro College website at https://www.navarrocollege.edu/costs-aid/index.html.
For additional information regarding tuition and fees, please contact the Navarro College Business Office.
Additionally, a listing of available scholarships and loans are found in this catalog. Scholarship information and application forms are available on the Navarro College Scholarship Portal.

WAIVERS / EXEMPTIONS

Students interested in obtaining a tuition and/or fee waiver or exemption may contact the Registrar's Office for more information on all waivers listed below, except for those waivers pertaining to United States veterans or their dependents. Students who are veterans or dependents of veterans may qualify for tuition and/or fee waivers. Information is available for this waiver at https://www.navarrocollege.edu/veterans/index.html.
All students wishing to apply for an exemption/waiver should fill out the form requesting the specific exemption/waiver and verify they have registered for selective services. Students will be required to upload supporting documentation located at Waiver Application.
Exemptions are a type of financial assistance allowing some Texas residents to attend a public college or university in Texas without paying tuition or, in some cases, tuition and fees. Listed below are the exemption programs available to Texas residents.

- Adopted Students Formerly in Foster or Other Residential Care
- Blind/Deaf Student Exemption Program
- Exemption for Highest Ranking High School Graduate
- Exemption for Peace Officers Disabled in the Line of Duty
- Exemption for Peace Officers Enrolled in Law Enforcement or Criminal Justice Courses
- Exemption for Students Enrolled in Courses for Dual High School and College-Level Credit
- Exemption for Students under Conservatorship of the Dept. of Family and Protective Services
- Exemption for the Surviving Spouse and Minor Children of Certain Deceased Public Servants (Employees)
- Exemption Program for Clinical Preceptors and their Children
- First Responder (EMS or Fire Personnel)
- Hazelwood Exemption (for Texas Veterans)
- Military: Orphans of Texas Members of the U.S. Armed Forces or National Guard
- Senior Citizen, 65 or Older, Free Tuition for 6 Credit Hours
- TANF Exemption Program

FINANCIAL AID

Financial aid helps alleviate financial barriers that can prevent access or completion of educational opportunities offered by Navarro College. Requirements for the various aid programs may vary with the type of aid requested. In general, the individual must be a U.S. citizen or eligible non-citizen, be in good standing, make satisfactory academic progress, not be in default on a student loan, and have a high school diploma or GED. All funds received must be used for educational purposes. An applicant's eligibility for financial assistance will be determined on an individual basis. The Student Financial Aid Office provides applicants with appropriate application forms and instructions. The student is responsible for proper completion and submission of all required documents. Students applying for most federal financial aid programs must establish or demonstrate financial need. Applicants for these programs must complete a Free Application for Federal Student Aid (FAFSA) by going to https://studentaid.gov/h/apply-for-aid. The Title IV code for Navarro College is 003593. It must be entered in the application for Navarro College to receive students' FAFSA applications. Students must apply in advance for financial assistance. Priority will be given to students who complete their application according to the following dates:
Fall semester applicants June 1
Spring semester applicants October 15
Summer semester applicants March 1

Scholarships

Students interested in applying for a scholarship available through Navarro College should inquire at https://catalog.navarrocollege.edu/current/tuition-fees/financial-information/scholarships-and-loans.html

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. ROOM AND BOARD

Navarro College has an 18-meal plan that provides three meals a day, Monday through Friday, lunch and dinner on Saturday and a lunch on Sunday. A 15-meal plan provides three meals a day, Monday through Friday. Housing alone is not available for students living in residence halls. Below is the cost per person per semester for room and meal plan.

Meal Plan	Meal Plan Tax	Room Charge	Total Price
15 Meals - $1,339.49	$110.51	$1,900.00	$3,350.00
18 Meals - $1,476.21	$121.79	$1,900.00	$3,498.00
Single Room Charge	**Meal Plan Tax**	**Room Charge**	**Total Price**
15 Meals - $1,339.49	$110.51	$2,400.00	$3,850.00

18 Meals - $1,476.21	$121.79	$2,400.00	$3,998.00

Refund information is on the Housing Contract.
The initial room and board payment must be made by the date published in the calendar. Room and board may be paid on the following schedule:

- by published date
- after 30 days
- after 60 days

Summer semester rates are 3/4 of fall and spring rates (15 meal plan).

Housing Property Deposit $230 and Background Check Fee $10
All students planning to reside in college housing are required to pay a $230 deposit plus an additional $10 background processing fee and enroll as a full-time student at Navarro College. Refund of the original deposit is made for cancellation of an assignment when written notification is received by the dates noted below:

All residents with room assignments	**August 1 for Fall** **December 1 for Spring**

No refund of deposit will be made for cancellations received after these dates. All notices of cancellations must be in writing for refund purposes. Deposit refunds are made by check once the student has properly checked out of housing and made application for refund provided the student has no damages assessed and has no unpaid balance at the college. Applications for housing are available at https://www.navarrocollege.edu/residence/index.html. Students must be enrolled in 15 semester hours to be eligible to live in the residence halls.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. About M.C. & Mattie Caston Scholarship
The M.C. and Mattie Caston Scholarships are named for the people whose generosity has reached out to the young people of the college's primary service area. These scholarships make available educational opportunities to deserving high school graduates from Navarro, Ellis, Limestone, Freestone, and Leon counties. Through the Navarro Education Foundation, grants are also available to assist selected Navarro College graduates as they seek further study in pursuit of the baccalaureate degree. To be eligible for this program, graduates must meet certain criteria, including a minimum cumulative grade point

average of 3.7. For complete information concerning the M.C. and Mattie Caston Scholarship, contact the Foundation Office or https://www.navarrocollege.edu/costs-aid/scholarships.html.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

SETTLEMENT OF OBLIGATIONS

- Payment deadlines are posted in the academic calendar.
- Payment or payment arrangements not received by payment deadlines will result in the student being dropped for non-payment.
- Students who do not pay, or make satisfactory arrangements, to pay all financial obligations to the college may have their course credits and grades withheld.
- Transcripts will not be released and a student will not be allowed to register for classes.
- No degree or certificate will be awarded until all financial obligations are settled.
- The term "financial obligations" shall include the return of all properties of the college on student assignment including library books.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

TUITION & FEES

CONTINUING EDUCATION TUITION SCHEDULE

Tuition for Continuing Education courses is approved by the Board of Trustees and published on the College's website. Charges vary depending on the course content, length, and administrative costs. Payment for CE classes must be received prior to the first day of class. There shall be no refund for any Continuing Education course if the student does not cancel prior to first class day.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

TUITION REFUNDS

To be eligible for a tuition refund, a student must officially withdraw through the Registrar's Office. "Class Days" are defined as the days in which the College schedules classes for that semester, typically Monday through Saturday, and are computed beginning the first day of classes for the semester, regardless of how many times per week each class meets. After classes begin, and due to the costs incurred for materials and services regardless of student drops, certain course fees are not refundable; these include but are not limited to general service, program-specific, matriculation, and vehicle fees. Fees associated with on-campus living in residence halls are referenced in Navarro College Board Policy and Administrative Procedures FG.1. In the event of a student's official withdrawal or reduction of hours carried, tuition and enrollment-based fees are refundable on the following prorated basis:

Refund of Tuition & Fees

Fall and Spring Semesters*	
Prior to the semester start date	100%
During the first 15 class days	70%
During the sixteenth to twentiethclass days	25%
After the twentieth class day	None
Summer Semesters*	
Prior to the first class day	100%
During the first five class days	70%
During the sixth and seventh class days	25%
After the seventh class day	None

Tuition & fee refunds are issued to students, unless paid by a Third Party contract with a sponsor, donor, or scholarship, which will be refunded to that source. Refunds will be processed after the class census date, which varies based on length of class. Please check with the Registrar's Office for refund dates when registering for classes.
There are no refunds on Test Fees.
***Some variances in refund dates may occur during semesters that vary from traditional semesters.**

Return of Title IV Funds
Students who withdraw during the first 60% of each semester and who receive assistance from the Federal Student Aid programs, excluding Federal College Work study, will have some of their funds (unearned aid) returned to the federal programs. The student can be liable for a portion of this return. Prior to withdrawal, students should consult with the Student Financial Aid Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT SERVICES

STUDENT SUCCESS SERVICES

Programs in the Student Success Services area are designed to encourage students to establish worthwhile and attainable educational goals, to remain in college until those goals are realized, and to experience an enjoyable and meaningful growth process while at Navarro College.

COUNSELING, ADVISING, AND ACADEMIC PLANNING

While attending college, students may encounter a range of transitions and opportunities for growth, from homesickness to relationship complexities, identity exploration, and new academic demands. Recognizing the diverse nature of these experiences, the Bulldog Mental Wellness Center at Navarro College is dedicated to supporting students on their journey to mental well-being. Our team of skilled counselors offers professional assistance to address issues such as depression, anxiety, and time management difficulties, facilitating a smoother transition into the college environment. Committed to confidentiality, we create a safe space for students to explore and overcome challenges. Our goal is to foster mental health wellness, provide a resource for addressing mental health illnesses, and when needed, guide students to off-campus mental health referrals for comprehensive support.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. CARL PERKINS CTE SUCCESS CENTER

The Navarro College Carl Perkins CTE Success Center offers a variety of services to Career and Technical students. A Career and Technical student is an individual pursuing an Associates of Applied Science (AAS) Degree or a Certificate (CT) Program. Services are provided at no cost to Navarro College Career and Technical students who meet specific program requirements as defined by the government. Services include textbook loans, childcare assistance, transportation stipends, career and technical advising, resume writing, and mock interviews.
The Navarro College Carl Perkins CTE Success Center is located on the Corsicana campus in the Bain Center, room BC 101. Carl Perkins CTE Success Center services are funded through the Carl Perkins Act of 2006, a federal grant, and the level of service depends on available funding.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT ACTIVITIES

Student Activities

The Student Life Office provides a wide variety of activities at Navarro College to provide entertainment and opportunities for personal and social growth. The Student Government Association and the various campus clubs and organizations are the major sources of input for planning activities. All students at Navarro College are encouraged to join SGA and provide their feedback for student engagement. Major events on campus include the following: intercollegiate athletic events, spring musical, Rec Sports, Beau Days Welcome Week, Homecoming, and Beau's Gala Top Dawg Awards. Honors Organizations
Phi Theta Kappa (National Honor Society for
Community Colleges).

Honors Organizations

Phi Theta Kappa (National Honor Society for Community Colleges)
Psi Beta (Honor Society for Psychology)
Sigma Kappa Delta (Honor Society for English)

Professional Organizations
John Deere Ag Tech Club
ADN Nursing Club
LVN Nursing Club
Student Occupational Therapy Association

Student Organizations
Student organizations active at Navarro College include honors,professional, social service and religious groups. Each organization is recognized through the Student Government Association. Students can contact the Coordinator of Student Life, at student.life@navarrocollege.edu or (903) 875-7570 or individual club advisors for more information about any of the organizations listed under Student Life on the Navarro College website. Students wishing to create a new organization on campus may obtain a petition form with guidelines from the Office of Student Life.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. HOUSING | RESIDENCE LIFE

The Department of Residence Life and Housing offers men and women a safe, secure, and reasonably priced housing option on the Navarro College Corsicana campus.

Housing Regulations
The Residence Life and Housing Department is committed to providing an environment that promotes the educational success of our students. Residence Life/Housing staff are here to help facilitate the transition from living at home to becoming a responsible adult. The residence halls are part of the Navarro College community and encourage student growth and learning through employment opportunities, educational activities, and opportunities to learn lifelong skills.

Housing Costs
A schedule of room and board rates may be found in this catalog.

CAREER AND JOB PLACEMENT

Career and Tranfer Services, through the Bulldog Life department, is responsible for providing comprehensive career services that include career exploration as well as job preparation and placement services for students. Student assistance includes programming and service related to job search assistance for both career and current employment and through job fairs, internships, life skills coaching, seminars, and guidance for appropriate presentation and apparel for interviews.
Transfer services includes student assistance with researching universities to transfer to by offering college tours, transfer workshops, individual transfer coaching and transfer fairs. The Bulldog Life department is located on the first floor of the Richard M. Sanchez Library on the Corsicana Campus
The Carl D. Perkins - CTE Success Center provides services to students enrolled in CTE programs at Navarro College. This includes students who are working towards an Associate of Applied Science (A.A.S.) degree and/or a Certificate. These programs equip students with the academic and technical skills needed to enter the workforce. CTE prepares students for a wide range of high-wage, high-skill, and high-demand careers. The Career Center also provides advising for students who are undeclared majors and those who want additional guidance in their specific career field.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DISABILITY AND ACCESS SERVICES

Mission Statement
The mission of the Office of Accessibility and Accommodations is to assist, support, and enhance the students' college experience and facilitate equal access to all services and programs at Navarro College, through the provision of reasonable accommodation in compliance with the Americans with Disabilities Act (ADA).

Disability and Access Support Services
Navarro College is committed to ensuring equal access of facilities, activities, and programs by providing reasonable and appropriate accommodation for qualified students with regard to disabilities and with regard to the potential for success as defined in Section 504 of the Amended Federal Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, Section 508 of the Rehabilitation Act of 1998, and the ADAAA of 2008.
It is Navarro College's policy that no otherwise qualified person with a disability be excluded from participating in any college program or activity, be denied the benefits of any college program or activity, or otherwise be subjected to discrimination with regard to any college program or activity. A program or activity refers to any credit or non-credit program or activity sponsored by Navarro College.

Requesting Disability and Access Services
Newly admitted or returning students seeking accommodations should contact the Office of Accessibility and Accommodations or visit the website navarrocollege.edu/disability/. The application, documentation guidelines and contact information can also be found on this website.
It is the responsibility of the student with a disability to initiate this process by identifying him/herself as well as sharing his/her disability related needs with the Office of Accessibility and Accommodations staff. Students who have not previously applied (whether new or returning) must request services by completing an online application and/or by scheduling an appointment.
Students who receive accommodations must complete the Semester Request online for each semester they are enrolled in order to continue to receive accommodations. The Semester Request may be used to request new accommodations. Requests for services and the submission of disability related documentation for review can be done at any time during the year; however, requests for accommodation may take up to 2-3 weeks to review. Please note during our peak registration times, it may take 3-4 weeks to provide information on any accommodation request status. Accommodations are not retroactive. Accommodations, if approved by the Office of Accessibility and Accommodations, are effective the date the student provides his/her letter to the instructor.

Eligibility for Services
The Americans with Disabilities Act Amendments Act of 2008 (Amendments Act), effective January 1, 2009, amends the Americans with Disabilities Act of 1990 (ADA) and includes a conforming amendment to the Rehabilitation Act of 1973 (Rehabilitation Act) that affects the meaning of the term disability in Section 504 of the Rehabilitation Act (Section 504). To be protected under the ADA and Section 504, a student must be determined to: (1) have a physical or mental impairment that substantially limits one or more major life activities; or (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

Documentation Requirements
It is the responsibility of the student to provide information that verifies that the student's condition meets the definition of a disability as defined by applicable laws (i.e., the ADA and Section 504). Federal Law requires that requests for services for students with disabilities be considered on an individual, case#by#case basis.
Criteria for the source, scope and content of documentation differs by disability type. Documentation should be current (within the last three to five years depending on the nature of the disability), be typed on letterhead, dated, and signed by a qualified professional. This documentation should contain the following information: a diagnostic statement with any related diagnostic methodology (diagnostic criteria and/or procedures), functional limitations or symptoms (limitations inform staff what accommodations are appropriate within an academic environment), severity and/or expected progression, and current medication(s) (treating specific limitations or symptoms and/or side#effects causing limitations or symptoms). Documentation may include assessments, reports, and/or letters from qualified evaluators, professionals, or institutions. Common sources of documentation are health care providers, psychologists, diagnosticians, and/or information from a secondary school (e.g., Full and Individual Evaluation (FIE), Review of Existing Evaluation Data (REED), or other Comprehensive Individual Assessment (CIA), Other Health Impairment Forms (OHI), and/or supplemental documentation).

Accommodation for Eligible Students
Reasonable accommodation(s) for qualified students must comply with the academic and technical standards required for participation in the educational program or service and must not negatively affect the integrity of the program.
The Office of Accessibility and Accommodations will prepare and accommodation letter for each semester the student registers with the office. This letter will verify that the student qualifies for academic accommodations at Navarro College and includes the type of accommodations that have been approved. The accommodation letter is written to respect the student's confidentiality. The accommodation letter will be emailed to each student with instructions for sharing the letter with their instructors. Students are responsible for sharing the accommodation letter and requesting accommodations from their instructors.

Housing Accommodations
Navarro College will consider reasonable housing accommodations for students with disabilities. Students that require housing accommodations due to a documented disability, will need to request accommodations with the Office of Accessibility and Accommodations at least four (4) weeks before the start of the semester. Students are required to follow the procedures for requesting accommodations as outlined in this document.
Each request will be individually evaluated with respect to the documentation presented and the accommodations requested. Housing accommodations may include room adaptations and adjustments, unless doing so would result in a fundamental alteration to the housing program.
Service Animals/Emotional Support Animals
In accordance with Federal Law, service animals who meet the service animal requirements are allowed in the classroom setting and other public areas including Housing. Emotional Support animals are not allowed in the classroom or public areas. Please see the the Service Animal and Emotional Support Animal policy page in the student handbook.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

TEXTBOOKS

The Navarro College Bookstore is an integral part of our campus. We are here to serve our students and offer affordable learning materials such as new and used textbooks, immediate Access, access codes, computers, and supplies. We also offer

a wide variety of Navarro College apparel and gift items. All revenues earned by the bookstore are reinvested in our students in the form of scholarships and other needs.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

LIBRARY SERVICES

The Navarro College Libraries serve students, faculty, and staff at four locations in Corsicana, Mexia, Midlothian, and Waxahachie as well as students enrolled in online classes. The library's core collection includes over 56,000 print books and 35,000 eBooks as well as the online Credo Reference Library. Through online and print serials subscriptions, the library provides access to the full text of thousands of magazines, newspapers, and scholarly journals. Online resources include a complete streaming video collection of The BBC Shakespeare Plays.
Interlibrary loan services enable students to borrow materials from libraries throughout the United States while intercampus loan services ensure to students at the Mexia, Midlothian, and Waxahachie locations can readily access books and other materials in the Richard M. Sanchez Library on the Corsicana campus. A librarian will, upon request of faculty on any campus, provide formal classroom instruction in the efficient use of the library's information resources. Video tutorials on the use of library materials and services can be found on the library's website. A number of course-specific online library Libguides provide a wealth of additional instructional material on subjects such as plagiarism, citation formats, research methods, and evaluating and using internet resources.
The library contains a laptop Kiosk with 30 laptops available for checkout. The Sanchez Library also offers classroom and conference room spaces. Group-study rooms for small (2-6 students) study groups may be reserved in the Sanchez Library.
The Samuels' Hobbit Collection, a unique collection of thirty-eight wood sculptures representing characters from J. R. R. Tolkien's novel The Lord of the Rings, is on display in the library.
For more information, visit the library's web site at https://www.navarrocollege.edu/library/index.html.

ACADEMIC CLASSIFICATION OF STUDENTS

The following standards are for academic classification of students at the beginning of a registration period:

1. **Freshman**: A student who has completed fewer than 30 semester hours of credit.
2. **Sophomore**: A student who has completed between 30 and 59 semester hours of credit.
3. **Junior**: A student who has completed between 60 and 89 semester hours of credit in a 120-hour program.
4. **Senior**: A student who has completed 90 or more semester hours or credit in a 120-hour program and has not yet completed a bachelor's degree.

5. **Part-time**: A student carrying fewer than 12 semester hours of work in a 16-week term.
6. **Full-time**: A student carrying 12 or more semester hours of work in a 16-week term.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ACADEMIC INTEGRITY

ACADEMIC INTEGRITY

The college expects all students to do their own schoolwork at all times. Any student guilty of dishonesty in academic work is subject to instructional consequences as defined in the course syllabus or departmental handbook and may include any of the following: a grade of zero, course failure, or removal from the program. A faculty member may begin such action if a student is accused of “cheating on academic work.” Cheating includes, but is not limited to:

1. Copying from another person’s test paper or academic work;
2. Using, during a test, materials not authorized by the person giving the test;
3. Collaborating without authority with another person during an examination or in preparing academic work;
4. Knowingly using, buying, selling, stealing, transporting or soliciting, in whole or in part, the contents of a test prior to its being fully administered or without permission;
5. Substituting for another student or permitting another person to substitute for oneself to take a test or prepare other academic work;
6. Stealing and deliberately using ideas or writings of others without giving written credit to them (plagiarism); and
7. Using an AI-content generator (such as ChatGPT) to complete coursework without proper attribution or authorization;
8. Submitting one's own work which has been previously published or submitted for another class. Reusing or re-purposing previously submitted work is referred to as self-plagiarism and is considered cheating.

Students who are unsure whether something may be plagiarism or academic dishonesty should contact their instructor to discuss the issue prior to the assignment due date and before submitting the assignment.
When a student is accused of academic dishonesty, the faculty member and the student will attempt to reach a resolution first and based on the course syllabus. If no resolution is achieved, the student may appeal to the appropriate instructional dean for review of the decision made by the instructor.
If the incident includes a violation of a departmental program requirement as stated in the course syllabus or departmental handbook, a student’s written appeal should be reviewed through the instructional chain of command.
Only non-instructional testing violations occurring in the testing center (e.g., TSI, GED testing) may result in disciplinary review by Student Services.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ACADEMIC PROBATION / SUSPENSION

Good Standing
The status of good standing is awarded to students maintaining a cumulative GPA of 2.0 or higher and who complete at least one course each semester/session of enrollment.
Academic Probation
Failure to maintain a 2.0, "C" cumulative grade-point average, will result in a student being placed on academic probation for the next semester enrolled. Students may remove themselves from academic probation by bringing their cumulative grade-point averages to a 2.0 or better.
Academic Suspension
Should the student earn less than a 2.0 grade-point average for two semesters of enrollment and have less than a 1.5 grade-point average for the most current semester, the student will be placed on academic suspension for one regular semester (fall or spring). Students who are on academic suspension will not be allowed to register for classes without an appeal to the appropriate Academic/Campus Dean.
Appeal
A student who has been placed on academic suspension and who feels that his or her case deserves special consideration may appeal the decision in person to the appropriate Academic/Campus Dean, who may reinstate the student for one additional semester. If readmission is granted, the student will re-enter on academic suspension for that one semester until end of course grades determine the student's academic standing for the next semester.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ACADEMIC STANDARDS

ACADEMIC STANDARDS

TABLE OF CONTENTS

Minimum Standard of Work
Grades and Values
Grade Points

GRADE POINTS

Students earn grade-point values in courses in which they make satisfactory grades.

The letter grade "A" earns four grade points for each semester hour. A grade of "B" earns three points. A "C" earns two points, while a "D" earns one point for each semester hour. No points are allowed for an "F", "I", "W', "P", or "S" grade. “CR" grades due to valuated credit are not calculated as part of the student's grade-point average.
A student can determine his or her grade points in a course by multiplying the semester hour value of the course by the grade-point value of the grade received. For example, if the student is enrolled in a three-semester-hour course and makes a "B", nine grade points have been earned.

To determine the grade-point average, a student adds all the grade points earned and divides the total by the total number of semester hours that he or she attempted. If 15 semester hours were attempted, for example, and 30 grade points were earned, this would result in a 2.0 grade-point average, the equivalent of a "C" average.
Courses in which the student received a grade of "W' or "P" are not included in hours attempted. Grades from developmental studies are calculated into the student's grade-point-average for purposes of athletic eligibility, academic suspension and financial aid eligibility.
These grades are not included in the calculation for graduation.
As part of the student's grade-point average at graduation, Navarro College does not calculate grade points earned at other institutions except when considering graduation with honors.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

GRADES AND VALUES

Final grades are reported for each student for every course undertaken according to the following grading system:

GRADE	Grade Score	INTERPRETATION	GRADE POINT VALUE
A	90 - 100	Excellent	4 Points
B	80 - 89	Good	3 Points
C	70 - 79	Average	2 Points
D	60 - 69	Poor	1 Point
CR	-	Equivalent	Not Computed
F	Below 60	Failing	0 points
I	-	Incomplete	Not Computed
W	-	Withdrawn	Not Computed
P/SA/SB/SC	-	Pass/Satisfactory	Not computed

To receive credit for a course, a student must earn a semester grade of not less than “D” or “CR.”
Grading criteria for certain programs, including those in the health professions, may differ. Grading criteria for such courses or programs may be located in the course syllabus and/or program handbook.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern

Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

MINIMUM STANDARD OF WORK

A cumulative grade-point average of 2.0 or better on a 4.0 scale is required for a student to graduate from any degree or certificate program within the college. Because it is necessary for a student to maintain this average in order to graduate, a 2.0 GPA is considered the minimum standard of work at Navarro College. Failure to maintain this minimum standard results in a student being placed on Academic Probation. If the student's academic performance is not satisfactory during the probationary period, the student will be placed on Academic Suspension for one regular semester. Scholastic Standards are defined as follows:

Good standing

The good standing is awarded to students maintaining a cumulative GPA of 2.0 or higher and who complete at least one course each semester/session of enrollment.

Academic Probation

Failure to maintain a 2.0, "C" cumulative grade-point average, will result in the student being placed on Academic Probation for the next semester enrolled. A student may remove himself/herself from Academic Probation by bringing his/her cumulative grade-point average to a 2.0 or better.

Academic Suspension

Should the student earn less than a 2.0 grade-point average for two semesters of enrollment and have less than a 1.5 grade-point average for the most current semester, the student will be placed on Academic Suspension for one regular semester (fall or spring).

It is the responsibility of the student to know whether the minimum standard of work requirement has been satisfied and whether he or she is eligible to continue enrollment in the college. An ineligible student who nevertheless registers may or may not be dropped by the college and shall not be entitled to special consideration on a plea of lack of knowledge of academic status. Students on financial aid who fail to meet the minimum standard of work may risk financial aid eligibility. Additionally, students who have attempted 30 credit hours of developmental coursework become ineligible to receive federal aid.

Some programs with special admission requirements may have more stringent GPA requirements.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ACADEMIC POLICIES

ACCESS TO STUDENT RECORDS

THE INSTITUTION PROTECTS THE SECURITY, CONFIDENTIALITY, AND INTEGRITY OF ITS STUDENT RECORDS.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

What is FERPA
The Family Educational Rights and Privacy Act of 1974, as Amended (also sometimes referred to as the Buckley Amendment), is a federal law regarding the privacy of student education records and the obligations of the institution, primarily in the areas of release of the education records and the access provided to these education records.

Who must comply with FERPA
Any educational institution that receives funds under any program administered by the U.S. Secretary of Education is bound by FERPA requirements. Institutions that fail to comply with FERPA may have funds administered by the Secretary of Education withheld. To comply with FERPA, educational institutions are required to:

- Annually notify students of their FERPA rights;
- Protect the students' FERPA rights;
- Ensure that personally identifiable information from a student's education record is not re-disclosed;
- Keep records of requests for and disclosures of student education records (with some exceptions).

Education Records under FERPA
Under FERPA, education records are defined as records that are directly related to a student and/or from which a student can be identified (personally identifiable information) and are maintained by an education agency or institution or by a party acting for the agency or institution. Education records can exist in any medium, including: typed, computer generated, videotape, audiotape, film, microfilm, microfiche and email, among others.
Education records do not include such things as:

- Sole possession records, i.e., records/notes made by one person as an individual observation or recollection (used only as a personal memory aid) which are kept in the possession of the maker and not revealed or accessible to any other person except a temporary substitute;
- Medical treatment records that include but are not limited to records maintained by physicians, psychiatrists, and psychologists;
- Employment records when employment is not contingent on being a student, provided the record is used only in relation to the individual's employment;
- Records created and maintained by a law enforcement unit used only for only that purpose;
- Post-attendance records, i.e., information about a person that was obtained when the person was no longer a student (alumni records) and does not relate to the person as a student.

Student Rights under FERPA
FERPA rights transfer from the parent to the student when the student turns 18 or attends a post-secondary institution at any age. The student would need to provide a signed consent in order for the disclosure of information to the parents.
In accordance with FERPA, Navarro College annually notifies students of their FERPA rights. Students are notified of their FERPA rights in the college catalog, website, and student handbook. A student's FERPA rights include:

- The right to inspect and review their education records;
- The right to request the amendment of an education record they believe is inaccurate, misleading, or in violation of the student's rights of privacy (including the right to a hearing regarding the request for amendment);
- The right to have some control over the disclosure of information from their education records;
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA.

Right To Inspect and Review Education Records
Students (which includes former students) have the right to inspect and review their education records within 45 days from making such a request. The right of inspection and review includes: the right to access, with an explanation and interpretation of the record; the right to a copy of the education record when failure to provide a copy of the record would effectively prevent the student from inspecting and reviewing the record. The institution may refuse to provide a copy of a student's education record provided such refusal does not limit access.
Limitations exist on students' rights to inspect and review their education records. For example, the institution is not required to permit students to inspect and review the following:

- Financial information submitted by parents;
- Education records containing information about more than one student (however, the institution must permit access to that part of the records which pertains only to the inquiring student);
- Confidential letters and recommendations placed in the student's file before 01/01/75;
- Confidential letters and statements of recommendation, placed in the records after 01/01/75, to which the student has waived his or her right to review and that are related to the student's admission, application for employment or job placement, or receipt of honors.

Right to Have Some Control of the Disclosure Information from Education Records
According to FERPA, personally identifiable information in an education record may not be released without prior written consent from the student. The written consent must specify the records that may be disclosed, state the purpose of disclosures, and identify the party to whom disclosures may be made. A "Student Records Release Request" form is available in the Registrar's Office or download and fill out .pdf version here: Student Records Release Request.

Some examples of information that MAY NOT BE RELEASED without prior written consent of the student (with few exceptions stated below) are:

- Citizenship
- Disciplinary status
- Ethnicity
- Gender
- Grade point average (GPA)
- Marital status
- SSN/student I.D.
- Grades/exam scores
- Test scores (e.g., SAT, GRE, etc.)
- Progress reports

With few exceptions (stated below), Navarro College will not disclose personally identifiable information from a student's education record without the student's written consent. Navarro College will not release a student's record to a parent/guardian without the student's written permission. Such a policy is in effect regardless of the student's age or financial dependency upon the parent/guardian.

Exceptions

Notable exceptions which permit access and/or disclosure of information in a student's education record without the student's written consent include:

Directory Information: Disclosure of those items the College designates as directory information. Navarro College has designated the following information as directory information and may release this information, unless the student has submitted a request for non-disclosure:

- Name
- Address
- Navarro College dates of enrollment (semester of enrollment)
- Navarro College degrees earned (with dates)
- Academic honors and awards
- Enrollment status (number of credits, full-time/part-time)
- Currently enrolled (Y/N)
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Birth date (the college generally does not release this information; used only to confirm student records when performing third-party verifications)
- Place of birth

A student's directory information may be disclosed unless a student files a "Request for Non-Disclosure of Directory Information" form with the Registrar's Office by the twelfth day of the semester (sixth day for summer semester). Forms are available in Admissions Office and in electronic format (pdf). Requests submitted after the deadline will be honored; however, disclosure of directory information may have occurred. In addition, Navarro College will honor requests for non-disclosure of directory information from former students. Students who wish to restrict directory information should realize that their names will not appear in the commencement bulletin and other college publications. Also, employers, credit card companies, loan agencies, scholarship committees and the like will be denied any of the student's directory information and will be informed that we have no information available about the student's attendance at Navarro College.

School Official: Disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the College in an administrative, supervisory, academic, or support staff position (including law enforcement unit); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; a student serving on an official committee, such as disciplinary or grievance committee; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Solomon Amendment: Pursuant to the Solomon Amendment, Navarro College is required to provide some or all of the following information, upon request, to representatives of the Department of Defense for military recruiting purposes: student's name, address, telephone listing, date of birth (17 years or older), level of education, and academic major (for currently enrolled students only).

Other disclosures permissible without written consent include disclosure to: to officials of another school in which a student seeks or intends to enroll; specified officials for audit or evaluation purposes; appropriate parties in connection with financial aid to a student; organizations conducting certain studies on behalf of the College; accrediting organizations; appropriate officials in cases of health and safety emergencies; State and local authorities, within a juvenile justice system, pursuant to specific State law; victims of certain offenses the final results of a disciplinary proceeding regardless of the outcome; anyone the final result of a campus disciplinary proceeding in which a violation of certain offenses occurred; parents of a student under age 21 who violates drug or alcohol laws or policies; comply with a judicial order lawfully issued subpoena. **Note:** Because the college must make a reasonable effort to notify a student about the subpoena for their education records, all subpoenas for student records must be forwarded to the Registrar's Office.

Right to File A Complaint

If a parent or eligible student feels that the college has not fully honored his/her privacy rights under FERPA, a written complaint may be filed with the Family Compliance Office, U.S. Department of Education, 400 Maryland Ave. SW, Washington, DC 20202-4605. The Family Compliance Office investigates each timely complaint to determine whether the educational agency or institution has failed to comply with the provisions of FERPA. A timely complaint is defined as an

allegation that is submitted within 180 days of the date of the alleged violation or of the date that the complainant knew or reasonably should have known of the alleged violation.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ATTENDANCE REQUIREMENT

Regular class attendance is expected at Navarro College as a key element for student success.
In Class Attendance Policy:
It is the student's responsibility to officially drop a course. However, the instructor may drop a student for excessive absenteeism if, in the judgment of the instructor, the student cannot complete the course successfully. Excessive absenteeism is when a student accumulates the equivalent of two weeks of absences in a 16-week semester.
16-week semester:

- 10 absences in a five-day a week course
- 8 absences in a four-day a week course
- 6 absences in three-day a week course
- 4 absences in a two-day a week course
- 2 absences in a one-day a week course

12-week semester:

- 6 absences in a four-day a week course
- 4 absences in three-day a week course
- 3 absences in a two-day a week course

8-week semester:

- 2 absences in two-day week course

6-week semester:

- 3 absences in a four-day a week course
- 2 absences in two-day week course

3-week semester:

- 2 absences

Online Attendance Policy:
It is the student's responsibility to officially drop a course. However, the instructor may drop a student for excessive absenteeism if, in the judgment of the instructor, the student cannot complete the course successfully. Excessive absenteeism in an online class is when a student has not completed assignments and/or had contact with the instructor for the equivalent of two consecutive weeks.
The attendance policy for certain programs may be more stringent than the general standard due to clinical requirements or requirements of approving agencies. Faculty will discuss the course attendance policy at the beginning of each semester; however, students are responsible for reviewing the course syllabus and outline of each class and knowing the attendance requirements for the course. Students not attending classes may be dropped.
A student's request for an excused absence shall be in writing and shall be delivered by the student personally or electronically to the instructor of each class. Students should refer to the Navarro College Student Handbook for additional information.
Any student who wishes to dispute a decision concerning his/her absence should follow the Student/Instructor Conflict Resolution procedures in a timely fashion and as described in the current Navarro College Student Handbook.
Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CLASSROOM DECORUM

Navarro College seeks to promote a teaching and learning environment free from material and substantial classroom disruptions. Faculty have the authority and responsibility to effectively manage their classroom environments. Faculty may determine the time and manner for student questions and expression of points of view in the instructional setting. Accordingly, instructors should establish, communicate and enforce reasonable rules of classroom behavior and decorum via the syllabus and classroom discussion. These procedures are not intended to discourage appropriate classroom expression, discussion, or disagreement, but to promote respectful interactions.
Rules and expectations for the instructional setting should be established by the faculty member and communicated to the students via the course syllabus and classroom discussion at the beginning of the course. Such rules may contain reasonable restrictions in light of the instructional setting, teaching method, and learning objectives. They also may vary depending upon the educational context and class syllabi.
Disruptive behavior is prohibited. "Disruptive behavior" means conduct that interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting, including conduct that distracts or intimidates others in a manner that interferes with instructional activities, fails to adhere to a faculty member's appropriate classroom rules or instructions, or interferes with the normal operations of the college. Faculty are the authority in the classroom and make the final determination of what is considered appropriate behavior.
Faculty who experience disruptive behavior in the classroom should email the student to identify the prohibited behavior that occurred, the rules that were violated, and the behavior that is required in the future.

If the disruptive behavior is serious or severe, the faculty member should immediately contact the dean or police, as appropriate.
The faculty member must document the severe disruptive behavior in writing by emailing the academic or instructional dean. The documentation should also include a copy of the email(s) provided to the student.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DROPPING AND/OR ADDING COURSES

Students are allowed to add or drop courses through the regular registration dates as specified in the college calendar for each individual semester. Students are allowed to add or drop classes during late registration by seeing an advisor. After the registration dates close, classes may not be added, but students may drop a course by completing a Request for Dropping a Course form. It is the student's responsibility to visit with his or her instructor concerning course status before submitting the required paperwork to the Registrar's Office to drop a course. The VA benefit recipient needs to be aware that the VA may require repayment of all benefits received since the beginning of a semester for any course in which the student receives a “W” grade. The deadline for receiving a “W” is indicated on the academic calendar and the current class schedule. Additionally, an instructor may drop a student from a course prior to the last day to drop on the academic calendar according to the terms written in the course syllabus and outline.

Note of Importance: Six-Course Drop Limit

Under Section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in spring 2007 and applies to students who enroll in a public institution of higher education as a first-time freshman in fall 2007 or later. Any course a student drops is counted toward the six-drop limit if “(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course, and; (3) the student is not dropping the course in order to withdraw from the institution.”
Students must provide documentation for the following drop reasons: (1) change in work schedule; (2) care for a sick, injured, or needy person; (3) military duty; (4) severe illness; (5) death of a close relative.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

EXAMINATIONS

Examinations in courses are provided as a means of evaluating the student’s progress in a course. Instructors in the courses determine the number of examinations to be given. All students are expected to take all examinations in an atmosphere of honesty. Students should be aware that internet classes taken through Navarro College often require a student to take exams at an approved proctoring location such as Navarro College’s testing centers or a similar setting at another approved location. Additional fees may be required for students choosing to take tests at a professor-approved location not affiliated with Navarro College. It is the student's responsibility to make arrangements with the instructor to complete examinations not taken in Navarro College's testing centers.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

GRADE CHALLENGE POLICY

Classroom instructors at Navarro College have the responsibility and authority to award final grades in the class they are teaching; however, grades must be based on college policy, procedures, and written instructions in the form of a course syllabus. In cases where a student has a valid reason for challenging the grade awarded in a course, the student must first consult with the instructor and informally present his or her case. If the student and the instructor are not able to reach a mutual agreement, the student may request, in writing, through the appropriate dean, a Grade Challenge Hearing. The appropriate dean must receive this written request within ten (10) days from the last day final grades may be posted. Both parties have the right to counsel, but the meeting will be conducted in private with only the student and the dean present. If, in the judgment of the dean, there are valid reasons for a grade challenge, the dean will appoint a Grade Review Committee, which will consist of one student, one instructor, and one campus or instructional administrator, who will chair the committee. The Grade Review Committee will call a meeting, at which time the case will be reviewed. The committee chair will open the meeting by reading the grade challenge procedure. The student will then have 30 minutes in which to present to the committee the reasons for challenging the grade, including any evidence the student would like for the committee to consider. The instructor will then have 30 minutes in which to present to the committee the justification for the grade the student was awarded. The committee will then question both parties. The student and instructor may address questions to each other only through the chair of the committee. Both parties have the right to counsel, but the hearing will be conducted in private with only the student, faculty, and Grade Review Committee present. The student and the instructor will each be allowed three minutes in which to make a closing statement. After hearing both sides of the case, the committee will discuss the case

in a closed session. Any decision must be based upon clear and convincing evidence. A written report of the committee's decision will be prepared and mailed or delivered to the student and the instructor within two business days.
If either party wishes to appeal the decision of the Grade Review Committee, he or she may do this in writing to the Vice President of Academic Affairs. The Vice President of Academic Affairs must receive this written request within ten (10) days from the date of the Grade Review Committee decision or the appeal denial by the dean. The Vice President of Academic Affairs has the option to call a meeting with the student. This meeting will be conducted in private with only the student and Vice President of Academic Affairs present.
If there are valid reasons to continue the investigation, the Vice President of Academic Affairs will then appoint the Administrative Staff Committee, consisting of three administrators (excluding the Vice President of Academic Affairs and the District President) who will review all evidence of the Grade Review Committee meeting and any additional evidence provided by the student and the instructor. Both parties have the right to counsel, but the hearing will be conducted in private with only the student, faculty, and Administrative Staff Committee present. Both parties will be allowed to make a summary statement. Either or both parties may, in addition to the written statement, present any additional evidence orally.
The committee will research the decision and prepare a written report that will be sent to each of the people concerned. The decision of the Administrative Staff Committee will be final and binding, and a written report of the committee's decision will be prepared and mailed or delivered to the student, instructor, and appropriate dean within two business days of the decision.
As referenced in the Student Grievances Procedures, the role of the District President in these procedures is not to decide the case or appeal thereof, but merely to determine whether the administrative chain of command has adhered to Navarro College procedures.
No outside recording devices will be allowed. The institution will record and maintain an official recording of the initial hearing and the subsequent meeting and hearing as applicable. Committee deliberations will not be recorded. Recordings will be kept on file in the appropriate dean or Vice President's office. Recordings will be available for one year after the date of the final hearing or meeting by request, in writing, to involved parties only from the applicable dean or Vice President's office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

NON-CREDIT/AUDITING OF COURSES

Individuals who wish to observe a college course may register as a non-credit/audit student. Non-credit/audit students do not receive college credit but do pay the same tuition and fees as if they were taking the course for credit. The student is not required to take tests, turn in papers, or attend classes, and the student may not receive credit for the course unless the student repeats the course for credit.
A non-credit/audit student must be eligible for admission to the College. The use of laboratory equipment, supplies, and participation in fieldwork by the non-credit/audit student will be determined by the faculty member. The faculty member is not obligated to take any papers or examinations from the non-credit/audit student. In general, the most appropriate courses for non-credit/audit are lecture courses; however, noncredit/audit students may not be accepted into certain courses because of space limitations, course prerequisites or requirements, or the nature of instruction. The student must obtain permission from the course faculty member and appropriate Dean who has authority to grant students permission to audit particular courses. Permission to audit performing and activity courses will not be granted. Students may enroll to audit a course only during late registration. A student may not change from credit to non-credit/audit or from non-credit/audit to credit after the scheduled late registration period. No refunds of tuition and fees will be made to a noncredit/audit student who withdraws or drops a class.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

PROGRAM OF STUDY DISMISSAL PROCEDURE

Students may be dismissed from a program of study at Navarro College for various reasons, including but not limited to grades, violations specified in the program of study handbook, and/or conduct. Certain programs of study such as Allied Health (Nursing, OTA, PTA, and MLT) and Protective Services (Fire, EMT, Paramedic, and Police) may require additional standards of conduct and may involve additional programmatic decisions that must be made through the program of study director/coordinator and his/her dean consistent with the Student/Instructor Conflict Resolution Procedures. Students in these programs of study will be required to abide by both the Navarro College Student Handbook and the program of study's specific student handbook. In cases where a student has a valid reason for challenging dismissal from a specialized program of study, the student must request, in writing through the appropriate dean, a Program of Study Dismissal Challenge Hearing. The appropriate dean must receive this written request within ten (10) days from the notice of dismissal. Both parties have the right to counsel, but the meeting will be conducted in private with only the student and the dean present If, in the judgment of the dean, there are valid reasons for a program of study dismissal challenge, the dean will appoint a Program of Study Dismissal Review Committee, which will consist of one student, one instructor, and one campus or instructional administrator, who will chair the committee.
The Program of Study Dismissal Review Committee will call a meeting, at which time the case will be reviewed by first hearing the program's justification for the dismissal and hearing the student's challenge of the dismissal. The program of study faculty may present a rebuttal testimony based on valid evidence after the student has stated his or her own position. The committee will then question both parties. The student and program of study faculty may address questions to each other only through the chair of the committee. Both parties have the right to counsel, but the hearing will be conducted in private with only the student, faculty, and Program of Study Dismissal Review Committee present. Both parties will be allowed to make a summary statement. After hearing both sides of the case, the committee will discuss the case in a closed session. Any decision must

be based upon clear and convincing evidence. A written report of the committee's decision will be prepared and mailed or delivered within 48 hours to the student and the program of study director/coordinator.
If either party wishes to appeal the decision of the Program of Study Dismissal Committee, he or she may do this in writing to the Vice President of Academic Affairs. The Vice President of Academic Affairs must receive this written request within ten (10) days from the date of the Program of Study Dismissal decision or the appeal denial by the dean. The Vice President of Academic Affairs has the option to call a meeting with the student. This meeting will be conducted in private with only the student and Vice President of Academic Affairs present.
If there are valid reasons to continue the investigation, the Vice President of Academic Affairs will then appoint a Administrative Staff Committee, consisting of three administrators (excluding the Vice President of Academic Affairs, the President of Ellis County Campuses, and the District President) who will review all evidence of the Program of Study Dismissal Review Committee meeting and any additional evidence provided by the student and the program of study faculty.
Both parties have the right to counsel, but the hearing will be conducted in private with only the student, faculty, and Administrative Staff Committee present. Both parties will be allowed to make a summary statement. Either or both parties may, in addition to the written statement, present any additional evidence orally.
The committee will research the decision and prepare a written report that will be sent to each of the parties concerned. The decision of the Administrative Staff Committee will be final and binding, and a written report of the committee's decision will be prepared and mailed or delivered within 48 hours of the decision to the student and the program of study director/coordinator and/or dean
As referenced in the Student Grievances Procedures, the role of the District President in these procedures is not to decide the case or appeal thereof, but merely to determine whether the administrative chain of command has adhered to Navarro College procedures.
No outside recording devices will be allowed. The institution will record and maintain an official recording of the initial hearing and the subsequent meeting and hearing as applicable. Committee deliberations will not be recorded. Recordings will kept on file in the appropriate program dean or vice president's office. Recordings will be available for one year after the date of the final hearing or meeting by request, in writing, to involved parties only from the applicable program dean or vice president's office.

REPETITION OF COURSES AND ACADEMIC FRESH START

If a student repeats a course for which credit has previously been received, the higher grade is the grade of record. Neither the hours nor the grade points associated with the lower grade will be used to determine the student's eligibility to graduate; however, the lower grade will remain on the student's transcript and can affect the ability to graduate with honors.

Academic Fresh Start

The Texas Education Code, section 51.931, entitles residents of Texas the option to have coursework taken 10 or more years prior to the starting date of the semester in which the student plans to enroll either included or ignored for admission purposes. For additional information regarding the "right to an academic fresh start," contact the Registrar's Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT / INSTRUCTOR CONFLICT RESOLUTIONS

If a student feels an instructor has treated him/her unfairly, the student should take the following steps to resolve the issue. The College believes that matters involving an instructor and student(s) are best resolved at that level; therefore, with only the exception of safety matters (e.g., harassment, sexual misconduct, Title IX complaint) which should be referred to the Title IX Office, the following procedures apply to all other student-instructor conflict resolutions.

1. The student should first meet with the instructor to discuss the issue or concern. This approach ensures the instructor is aware of the issue/concern and provides an opportunity for resolution.
2. If, after meeting with the instructor, the student feels the issue has not been resolved, he/she should next meet with the appropriate dean for further discussion. The instructor, a Success Coach, or the Registrar's Officecan provide the name of the appropriate dean.
3. If the student continues to believe the issue/concern remains unresolved, the student may meet with the appropriate Executive Dean or Executive Director.
4. The expectation is that the issue/concern involving an instructor and student will be resolved by the time it reaches the Executive Dean. However, if necessary, the student may continue to pursue the issue in writing with the Vice President of Academic Affairs, who is the final authority regarding student/instructor disputes.

As referenced in the Student Grievances Procedures, the role of the District President in these procedures is not to decide the case or appeal thereof, but merely to determine whether the administrative chain of command has adhered to Navarro College procedures.
NOTE: Under certain circumstances students may not be allowed to continue in class until the grievance or appeal is resolved.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT ACADEMIC GRIEVANCE

Academic grievances are categorized as GRADE-RELATED or NON-GRADE RELATED TO CLASSROOM. Grade-related grievances should be resolved following the Grade Challenge Policy. Non-grade related instructional issues should be resolved following the Student/Instructor Conflict Resolution Policy.
NOTE: Under certain circumstances students may not be allowed to continue in class until the grievance or appeal is resolved.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT LOAD

ACADEMIC LOAD

The maximum academic load for any student, without specific approval from the appropriate Executive Dean or Executive Director, shall be:

1. For fall or spring sixteen (16) week semesters - 19 credit hours
2. For fall or spring eight (8) week semesters – no more than 9 credit hours per session
3. For a twelve (12) week summer session - 14 credit hours
4. For six (6) week summer sessions, - 7 credit hours.
5. For any semester shorter than six weeks a student may take no more than the equivalent of one credit hour per class week.

The maximum academic load for certain cohort programs, such as Fire Science, may exceed these limits.

OVERLOAD EXCEPTIONS

Exceptional students, whose grade point average exceeds 3.0, may take up to 21 hours in the fall or spring semester or seven (7) hours in a six-week summer semester not to exceed 14 hours for the entire summer, excluding mini-mester courses. Approval of the exception must be in writing from the appropriate Executive Dean or Executive Director.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

“I” GRADE REMOVAL AND GRADE CHANGE LIMITATION

A grade of “I” (incomplete) may be awarded to a student at the instructor’s discretion when an unforeseen, documented emergency or other documented extenuating circumstance the instructor deems appropriate prevents the student from completing the work in a course. Examples of extenuating circumstances include but are not limited to:

- Severe illness
- Death of a close relative
- Pregnancy
- Job related travel that could not be rescheduled
- Military Duty

In order to receive an “I” for the course, the student must have successfully completed at least 70% of the course work with a passing grade. An Incomplete Grade Contract will be completed by the instructor, approved by the appropriate Dean, and signed by the student with documentation attached explaining the emergency. The contract will outline the coursework the student must accomplish in order to complete the course and receive a final grade. If the work required to remove the “I” grade is not completed by the last class day of the subsequent long semester following the semester in which the student received the grade of “I,” the “I” grade will become an “F” grade. Once the contract has been submitted, the student may not be withdrawn from the course. With the exception of the “I” grade, no grade may be changed 30 days after the close of a semester.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ADULT EDUCATION AND LITERACY

The Adult Education and Literacy (AEL) Program is funded by the Texas Workforce Commission (TWC) to provide English language, math, reading, and writing instruction to help students acquire the skills needed to succeed in the workforce, earn a high school equivalency, or enter college or career training. Our AEL Program serves adults who are at least 16 years old and/or beyond the compulsory school attendance age and meet any of the following criteria: function below the high school level, lack a high school credential, are unable to speak, read or write in English which substantially impairs their ability to find or retain employment. Instruction is free of charge in Navarro, Ellis, Kaufman, and Rockwall counties.
Students must qualify for the Adult Education Program through a state approved test. The instruction in the AEL Program is designed to assist adults to become literate and obtain the knowledge and skills necessary for employment and economic self-sufficiency.
The high school equivalency (HSE) preparation classes help support participants in achieving the Texas Certificate of High School Equivalency (TxCHSE). These classes are designed for adults who did not complete a formal high school education. A TxCHSE may be issued to adults who successfully complete examinations in four subjects: Math, Science, Social Studies, and Reasoning Through Language Arts, verifying that the holder has demonstrated a level of educational competence equivalent to that of a high school graduate. The certificate may be used to meet job requirements and for admittance to college.
ESL (English as a Second Language) classes are designed to provide English instruction to those who are not fluent in reading, writing, or speaking the English language. Additional program classes include Citizenship, designed to assist the student in preparing for the 100 question Naturalization test and completion of the N-400 Form to apply for citizenship. These students are also co-enrolled in Navarro College Continuing Education business classes that focus on Entrepreneurship.Integrated Education and Training classes support students in basic skills acquisition in direct relation to approved Continuing Education (CE) and Career and Technical Education (CTE) classes. These classes promote student success in the CE and CTE classes and in attaining an industry recognized credential or license. Students must test for grant eligibility prior to enrollment in this program. Tuition assistance is available for CE and CTE classes.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ALTERNATIVE INSTRUCTIONAL METHODS - DISTANCE LEARNING

Distance Learning refers to courses offered outside of a traditional classroom setting using a variety of technologies for delivery. Navarro College provides several types of distance learning classes to help fit the needs of our students.

Online (Internet) Courses

Online courses allow students to take courses from virtually anywhere, anytime of the day or night. Students taking online courses must have reliable access to a computer and an internet connection. These courses are NOT self-paced as they are scheduled to run concurrent with on-campus courses during the standard fall, spring, and summer, and mini semesters, and the courses contain daily or weekly assignments and due dates. Students will gain access to their classes through Navarro College's Canvas learning management system.

Hybrid Courses

Hybrid courses are defined as courses in which a majority (more than 50 percent but less than 85 percent) of the planned instruction occurs when the students and instructor(s) are not in the same place. In hybrid classes, a significant amount of the course learning activity is moved online, which allows for a reduction of time spent in the classroom. Hybrid courses provide course materials online, while at the same time providing interactive time with their professor and classmates.

DigiTex (formerly Virtual College of Texas, or VCT)

DigiTex is a consortium of Texas community colleges that offers courses to students who are unable to find a specific course at their area college. If a course is not offered at Navarro College, a student may reserve space in a class at another DigiTex college. Credit for the class will be transcripted through Navarro College onto the student's transcript.

IMPORTANT NOTE: All DigiTex course syllabi and faculty qualifications must be approved by the appropriate Department Chair and Executive Dean prior to registration,

which may take some time If the course and/or professor has not been approved, to the student may not register for the class.

Interactive Web Conference Courses

An Interactive Web Conference is a class in which a professor teaches at one location while students in another location receive live, two-way audio and visual instruction via a web conferencing application. The professor and students at the remote location can interact in real time, and each location can hear and see each other.

State Authorization of Distance Learning Program

Navarro College is a member of the State Authorization Reciprocity Agreement (SARA); therefore, we are authorized to provide distance learning courses to students whose official residence is located in a U.S. State or Territory which is outside the State of Texas.

SARA is a voluntary agreement among member states, districts and territories that establishes comparable national standards for interstate offering of postsecondary distance education courses and programs and is overseen by a National Council and administered by the four regional education compacts (Midwestern Higher Education Compact, New England Board of Higher Education, Southern Regional Education Board, and the Western Interstate Commission for Higher Education).

For a complete listing of member institutions and more information regarding this agreement, please visit the National Council for State Authorization Reciprocity Agreement (NC-SARA) website at http://nc-sara.org.

For more information about Navarro College's Distance Learning Program, please visit https://www.navarrocollege.edu/online-campus/index.html or contact the Office of Online Instruction at (903) 875-7422.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

COURSE NUMBER EXPLANATION

The Texas Common Course Numbering System (TCCNS) is a voluntary, co-operative effort among 135 Texas community colleges and universities to facilitate transfer of freshman and sophomore level general academic coursework. TCCNS provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalency and degree applicability of transfer credit on a statewide basis. When students transfer between two participating TCCNS institutions, a course taken at the sending institution transfers as the course carrying the same TCCNS designation at the receiving institution.

Each course is designated by a four-digit number. The first digit denotes the level of the course. Course numbers beginning with the number zero typically indicate a non-credit course, courses beginning with number one (1) are freshman-level courses, courses beginning with the number two (2) are normally considered sophomore-level courses, courses beginning with the number three (3) are normally considered junior-level courses, and courses beginning with a four (4) are normally considered senior-level courses. The second digit indicates the value of the course in semester hours in all courses except vocational nursing. The third and fourth digits are used to identify the sequence or designation within a department. The purpose of this system is to assist students who are transferring between participating institutions.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DEAN'S LIST

The purpose of the Dean's List is to honor students for academic achievement. To be eligible for the Dean's List, a student must achieve a grade-point average of at least 3.5 while enrolled in at least 15 semester hours of college-level classes. Acknowledgment of this honor will appear on the student's transcript.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DEVELOPMENTAL STUDIES

The developmental studies program at Navarro College provides basic skills development in the areas of reading, writing, mathematics, and study skills for students who are under-prepared for college-level studies. Students whose scores fall below the minimum standards on the TSI placement test (TSIA or TSIA2) are required to enroll and participate in developmental corequisite classes or a non-course-based corequisite activity until competency is achieved. Failure to attend or participate in developmental studies classes will result in the student being dropped from the class. If a student is dropped from one section

of a corequisite pairing, the student will be dropped from both sections. Students may enroll in certain courses within their major area of study while simultaneously enrolled in developmental classes. However, a student in basic skills courses will need to reduce the course load in his/her major area or college-level classes since basic skills courses have a large amount of lab time. Students should be aware that their grade-point average on Self Service does not include their developmental class grades. Grades from developmental classes could determine whether a student is placed on academic probation, suspension, or is in good academic standing at the college, for the purposes of financial aid. The purpose of developmental corequisite courses is for students to concurrently complete either their Adult Education requirement and achieve Non-Algebraic TSI completion in one semester or allow them to concurrently enroll in credit bearing course work while receiving additional instruction to support their success and allow them to obtain TSI completion in one semester. Students must meet exit criteria objectives prior to receiving an associate degree from Navarro College. Basic skills courses cannot be used in meeting graduation requirements for any degree or certificate. (See Developmental Education Plan under the Student Success Services section) Navarro College offers Developmental Studies Courses for the students whose academic skills in Reading, Writing, and/or Math have been identified as insufficient for college-level work. Students identified in need of these courses will find it necessary to complete these courses in order to achieve success in college-level work.
DEVELOPMENTAL STUDIES COURSES CANNOT BE USED IN MEETING GRADUATION REQUIREMENTS FOR ANY DEGREE OR CERTIFICATE.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DIVISION OF CONTINUING EDUCATION

The Navarro College Division of Continuing Education is designed to provide programs and training to support lifelong learning and career development. Continuing education courses are open to interested individuals 18 years of age or older regardless of educational background, though some programs may have specific admission requirements. Classes are available on a flexible schedule and are not necessarily tied to standard semester dates. Continuing education classes address professional skills development, workforce training, industry-recognized certifications, personal enrichment, or special certifications. Registration for these classes is ongoing and may continue from the time a class is announced right up to the day the class begins. Enrollment may be limited; therefore, pre-registration is recommended. Attendance is required for the award of credit – CR. A student who attends less than 75% of the course will receive no credit – NC on their transcript. Tuition for continuing education classes is published online. Charges vary depending on the course, content, length and administrative costs.
The Division of Continuing Education works closely with state licensing agencies, such as the Texas Department of State Health, the Texas Commission on Law Enforcement, the Texas Department of Aging and Disability Services, the Texas Department of Insurance, among others, to help ensure that students who enroll in certification classes receive up-to-date training. Upon successful completion of a continuing education course, students receive continuing education units (CEUs). For every 10 hours of classroom time, the student earns one CEU. These CEUs are transcribed and available to the student upon request. The college meets the requirements of the Southern Association of Colleges and Schools Commission on Colleges, as well as the Texas Higher Education Coordinating Board in awarding CEUs.
Additionally, contract courses are available to business and industry through customized training, as well as the regular continuing education courses. Navarro College can provide complete or supplemental training onsite to help enhance employee skills. For a listing of available continuing education courses, contact the Division of Continuing Education at Navarro College.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

GRADUATION INFORMATION

Navarro College awards diplomas to students upon successful completion of the requirements for their degree or certificate during the fall, spring, and summer semesters. Graduating students are encouraged to take part in the official commencement ceremony, which is held annually in December, May, and August. The December ceremony specifically honors students completing their degree requirements in the fall semester, the May ceremony is reserved for those finishing in the spring, and the August ceremony is dedicated to students concluding their degree requirements in the summer.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

GRADUATION WITH HONORS

The purpose of graduation with honors is to identify students receiving associate or baccalaureate degrees who have compiled a superior academic record. The three different levels that distinguish academic excellence are as follows:
Summa Cum Laude - 4.0 GPA
Magna Cum Laude - 3.5 GPA

Cum Laude - 3.25 GPA

To graduate summa cum laude, students must achieve a 4.0 grade-point average on all work attempted at Navarro College and other post-secondary institutions attended and have no grade lower than "A." Summa cum laude will be denoted on the transcript of students achieving this designation.
To graduate magna cum laude, students must achieve a 3.5 grade-point average on all work attempted at Navarro College and other post-secondary institutions attended and have no grade lower than "C." Magna cum laude will be denoted on the transcript of students achieving this designation.
To graduate cum laude, students must achieve a 3.25 grade-point average on all work attempted at Navarro College and other post-secondary institutions attended and have no grade lower than "C." Cum laude will be denoted on the transcript of students achieving this designation.
Only students fulfilling all requirements for graduation prior to the ceremonies are eligible to graduate summa cum laude, magna cum laude, or cum laude.
In the event a student has repeated a course with a lower grade at Navarro College, only the higher grade will be considered for calculation as part of the grade-point average and used for consideration of summa cum laude, magna cum laude, and cum laude recognition.
A student may elect to claim academic fresh start and not use older grades as part of their official grade point average, as prescribed by state statute. In this case, only grades that remain a portion of their official grade point average will be considered in the calculation of the grade point average. See “Repetition of Courses and Academic Fresh Start” (link).

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

MAJOR / MINOR AREAS OF CONCENTRATION

The individual degree plans listed on the following pages outline major areas of concentration and provide the number of credits in each discipline required to obtain a degree from Navarro College.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

PRESIDENT’S LIST

The purpose of the President’s List is to honor students who achieve academic perfection by making the highest grade-point average possible, 4.0, while enrolled in at least 15 semester hours per regular semester of college-level, degree credit classes. The list is compiled each semester and recognition of this honor will be indicated on the student’s transcript.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

VETERAN’S BENEFITS

Veteran’s benefits may be used at Navarro College. Navarro College Veteran's Services should be consulted to obtain accurate, complete, and current information concerning VA educational benefits. Because veteran’s benefits are legislatively controlled, it is necessary to alter requirements for continued receipt of veteran’s benefits as the laws and guidelines change. Consequently, the veteran’s benefit recipient is advised that the standard of progress expressed previously in this catalog may not be the only standard of progress requirement he or she must meet. The recipient must consult with the Office of Veterans’ Affairs on campus about specific up-to-date requirements. Veterans with military service, selected reservists and dependents of veterans may be eligible for federal payments and benefits while attending Navarro College. The Veterans Affairs School Certifying Official is assigned to help assure the proper handling of veterans’ educational benefits applications.
*EDUCATIONAL OBJECTIVES: *The Veterans’ Administration requires each student drawing educational benefits be enrolled for courses that lead to his/her approved educational objective (degree or certificate). VA students may not draw benefits for courses for which they have already received credit, for courses that are in excess of degree requirements or for courses that do not apply to their planned degree. A college counselor is available to help prospective students determine that the courses they wish to take qualify for VA educational benefits.
First-time Applicants
Chapter 30 – Montgomery GI Bill (MGIB/AD) (Served Active Duty):

- Find out more about Chapter 30 Montgomery GI Bill® (MGIB/AD) (Served Active Duty) https://www.va.gov/education/about-gi-bill-benefits/montgomery-active-duty/
- Complete and submit online VA form 22-1990 Application for Education Benefits. https://www.va.gov/education/apply-for-education-benefits/application/1990/introduction
- Request Official Military Transcript: Veterans who served in the Army, Navy, Marines, or Coast Guard need submit a request for an Official copy of their Joint Service Transcript to be sent to Navarro College by accessing the following website https://jst.doded.mil/jst/

- If the Veteran served in the Air Force or Space Force, they need to request a transcript from the Community College of the Air Force. The request can be made at: https://www.airuniversity.af.edu/Barnes/CCAF/Display/Article/803247/community-college-of-the-air-force-transcripts/ It is recommend that the Parchment option be used. It arrives much faster and is more reliable than the mail option.
- Once registered for classes, the Veteran must submit a VA Enrollment Certification request for EVERY semester they wish to use VA benefits. It should be submitted as soon as they have registered for classes. Benefits cannot be received without it. This can be found on Self Service > Financial Aid > Resources > VA Enrollment Certification
- Submit copy of DD Form 214. (Submit with VA Enrollment Certification request)
- Submit Certificate of Eligibility, letter from the VA confirming eligibility for Chapter 30 the Montgomery GI Bill®. (Submit with VA Enrollment Certification request. If it has not yet arrived, it can be submitted later, via Document Upload. This can be found on Self Service > Financial Aid Resources > Document Upload)
- The Veteran must verify his/her enrollment near the end of each month on https://www.gibill.va.gov/wave/index.do

Chapter 31 – Veteran Readiness and Employment (VR&E)(Disabled Veterans)

- Find out more about (Chapter 31) Veteran Readiness and Employment. https://www.va.gov/careers-employment/vocational-rehabilitation/
- Complete and submit online VA form 28-1900 Application for Veteran Readiness and Employment Benefits. https://www.va.gov/careers-employment/vocational-rehabilitation/apply-vre-form-28-1900/introduction
- Request Official Military Transcript: Veterans who served in the Army, Navy, Marines, or Coast Guard need submit a request for an Official copy of their Joint Service Transcript to be sent to Navarro College by accessing the following website https://jst.doded.mil/jst/.
- If the Veteran served in the Air Force or Space Force, they need to request an Official transcript from the Community College of the Air Force. The request can be made at: https://www.airuniversity.af.edu/Barnes/CCAF/Display/Article/803247/community-college-of-the-air-force-transcripts/ It is recommend that the Parchment option be used. It arrives much faster and is more reliable than the mail option.
- Veteran MUST apply in advance and get approved BEFORE registering for classes.
  - Submit copy of DD Form 214 (Submit with VA Enrollment Certification request)
  - A Purchase Order which is the equivalent of a Certificate of Eligibility will be supplied on Tungsten by the VR&E counselor.

Chapter 33 – Post 9/11 GI Bill®(Served Active Duty)

- Find out more about Chapter 33 Post 9/11 GI Bill®(Served Active Duty) https://www.va.gov/education/about-gi-bill-benefits/post-9-11/
- Complete and submit online VA form 22-1990 Application for Education Benefits. https://www.va.gov/education/apply-for-education-benefits/application/1990/introduction
- Request Official Military Transcript: Veterans who served in the Army, Navy, Marines, or Coast Guard need submit a request for an Official copy of their Joint Service Transcript to be sent to Navarro College by accessing the following website https://jst.doded.mil/jst/
  - If the Veteran served in the Air Force or Space Force, they need to request an Official transcript from the Community College of the Air Force. The request can be made at: https://www.airuniversity.af.edu/Barnes/CCAF/Display/Article/803247/community-college-of-the-air-force-transcripts/ It is recommend that the Parchment option be used. It arrives much faster and is more reliable than the mail option.
  - Submit copy of DD Form 214. (Submit with VA Enrollment Certification request)
    - Submit Certificate of Eligibility, letter from the VA confirming eligibility for the Post 9/11 GI Bill®. (Submit with VA Enrollment Certification request. If it has not yet arrived, it can be submitted later, via Document Upload. This can be found on Self Service > Financial Aid Resources > Document Upload)
  - Once registered for classes, the veteran must submit a VA Enrollment Certification request for EVERY semester they wish to use VA benefits. It should be submitted as soon as they have registered for classes. Benefits cannot be received without it. This can be found on Self Service > Financial Aid > Resources > VA Enrollment Certification
  - Every Veteran using this benefit will need to verify enrollment verify his/her enrollment near the end of each month, see link for options https://benefits.va.gov/gibill/isaksonroe/verification_of_enrollment.asp

Chapter 33 – Post 9/11 GI Bill®(Transfer Education Benefits to Dependents)

- Find out more about Chapter 33 Post 9/11 GI Bill®(Transfer Education Benefits to Dependents) https://www.va.gov/education/survivor-dependent-benefits/transferred-benefits/
  - Service member must complete the approval process prior to release from active duty, and the DOD approves student's transfer and sends letter of approval to the student. To confirm /transfer of benefits see https://milconnect.dmdc.osd.mil/milconnect/
  - To apply to use the Post 9/11 GI Bill® as a transfer benefit at Navarro College Complete and submit online VA form Complete VA form 22-1990e Application for Education Benefits

https://www.va.gov/education/survivor-dependent-benefits/apply-for-transferred-benefits-form-22-1990e/introduction
- Once registered for classes, the student must submit a VA Enrollment Certification request for EVERY semester they wish to use VA benefits. It should be submitted as soon as they have registered for classes. Benefits cannot be received without it. This can be found on Self Service > Financial Aid > Resources > VA Enrollment Certification
  - Submit copy of DD Form 214 with VA Enrollment Certification request unless Service member is still on Active Duty as it will be noted on COE
  - Submit Certificate of Eligibility, letter from the VA confirming eligibility for the Post 9/11 GI Bill®. Submit with VA Enrollment Certification request. If it has not yet arrived, it can be submitted later, via Document Upload. This can be found on Self Service > Financial Aid Resources > Document Upload)
- Every student using this benefit must verify his/her enrollment near the end of each month, see link for options https://benefits.va.gov/gibill/isaksonroe/verification_of_enrollment.asp

Chapter 33 Marine Gunnery John David Fry Scholarship
- Find out more about Chapter 33 Marine Gunnery John David Fry Scholarship: https://www.va.gov/education/survivor-dependent-benefits/fry-scholarship/
- Complete and submit online VA form 22-5490 Application for Education Benefits https://www.va.gov/education/apply-for-education-benefits/application/5490/introduction.
- Once registered for classes, the student must submit a VA Enrollment Certification request for EVERY semester they wish to use VA benefits. It should be submitted as soon as they have registered for classes. Benefits cannot be received without this. This can be found on Self Service > Financial Aid > Resources > VA Enrollment Certification.
- Submit copy of DD1300 Report of Casualty (Submit with VA Enrollment Certification request)
- Submit Certificate of Eligibility, letter from the VA confirming eligibility for the Post 9/11 GI Bill®/ Fry Scholarship. Submit with VA Enrollment Certification request. If it has not yet arrived, it can be submitted later, via Document Upload. This can be found on Self Service > Financial Aid Resources > Document Upload)
- Every student using this benefit must verify his/her enrollment near the end of each month, see link for options https://benefits.va.gov/gibill/isaksonroe/verification_of_enrollment.asp

Chapter 35 – DEA (Spouse/Children/Survivors)
- Complete and submit online VA form 22-5490 – Application for Survivor's and Dependents' Educational Assistance. https://www.va.gov/education/apply-for-education-benefits/application/5490/introduction

If it has not yet arrived, it can be submitted later, via Document Upload. This can be found on Self Service > Financial Aid Resources > Document Upload)
- The Veteran must verify his/her enrollment near the end of each month on https://www.gibill.va.gov/wave/index.do

TRANSFER STUDENTS
Transfer students using Chapters 30, 33, and 1606 need to complete VA online form 22-1995 to transfer benefits from your previous college. To Navarro College. The form can be found here https://www.va.gov/education/apply-for-education-benefits/application/1995/introduction. Also need the same documentation as students using the benefit for the first time. See above.
Transfer students using Chapters 35 of Fry Scholarship need to complete VA online form 22-5495 to transfer benefits from your previous college to Navarro College. The form can be found here https://www.va.gov/education/apply-for-education-benefits/application/5495/introduction Also need the same documentation as students using the benefit for the first time. See above.
Transfer students using Chapters 31 need to coordinate with their VR&E Counselor so an updated Purchase Order can be added in Tungsten form them. Also need the same documentation as students using the benefit for the first time. See above.
Hazelwood Act – Contact the Navarro College Veteran's Services

- Veteran must have entered active-duty service in Texas or have Texas listed as his/her home of record on DD form 214.
- Veteran must have served more than 180 days of active duty not including initial entry training.
- Veterans can transfer his/her unused hours to a child under the Hazlewood Legacy Act.
- All students wishing to use the Hazlewood exemption must submit a completed application with all required supporting documentation prior to the last date of the semester in which they wish to begin the exemption. Incomplete applications will not be accepted. There are four semesters within an academic year in which a student can apply for the exemption: Fall, Spring, First Summer, and Second Summer. You will be required to renew your exemption once per academic year.

IMPORTANT NOTICE: All Veterans should thoroughly review admissions standards and testing requirements before submitting an application. Veterans should consult the school Veterans Affairs Certifying Official for information and assistance in applying or benefits.
*Note: *Allow four to eight weeks for VA application or any paperwork to be processed by the Veterans Administration Regional Office in Muskogee, Oklahoma.
***ADVANCE PAY**

- *Advance pay is available for eligible students upon request.
- Student must request advance pay at least 60 days prior to the beginning of class.
- Student must be enrolled in at least half-time.
- There must be more than 30 days between terms.
- *All financial responsibility rests upon the student and not Navarro College.*

***CAUTION**
*VA students may be required to pay their tuition and fees. It is the responsibility of the student receiving benefits to notify the Veterans Affairs Certifying Official immediately if there are any changes in his/her enrollment.
If a student changes his/her curriculum or transfers to another college, the veteran should notify the VA certifying official immediately.
***IMPORTANT NOTICE**: To remain eligible for benefits, students utilizing VA benefits must meet school standards of conduct, academic (satisfactory) progress, and class attendance. Students should, therefore, report to the Office of Admissions & Records to withdraw if they do not plan to pursue their courses or to attend regularly. If a student drops classes or is placed on academic probation, he or she may become ineligible for further VA benefits. It is the student's responsibility to notify the Certifying Official when he/she registers for courses and if there are any changes in enrollment status from the time VA Enrollment Certification was requested until the end of the term.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

COLLEGE POLICIES

DISCLOSURE OF CONSUMER INFORMATION

Navarro College, in compliance with Title IV requirements for participation in federal financial aid programs, makes available to any prospective or enrolled student and current or prospective employee the following information:

- Campus Security Report – Navarro College is committed to providing a safe environment for students to learn and staff to work, and in keeping parents, students and employees well informed about campus security. A copy of the Navarro College campus security report is readily available in various locations on campus and from the NC Department of Public Safety.
- Information on Financial Assistance – Navarro College wishes to assist all prospective and current students in obtaining financial assistance while attending college. NC provides financial assistance information including aid available, how to apply for aid, how financial aid is disbursed, and the criteria for measuring satisfactory academic progress in person and through publications located in the financial aid office and on the financial aid website.
- Student's Rights under FERPA (Family Educational Rights & Privacy Act) – Navarro College publishes in the college catalog information concerning student records maintained by the college and the release of that information. (See Family Rights and Privacy Act).
- Information About the Athletic Program – Navarro College maintains current information about the athletic program participation rates, financial support, and student completion rates. Athletic program information is available from the office of the athletic director.
- Completion or Graduation Rate – Navarro College, in compliance with the Student Right-To-Know Act, makes available to any prospective or enrolled student its completion or graduation rate. This information is available online at the Student Achievement and Success Goals website or, upon request from the Office of Institutional Research.
- Drug and Alcohol Abuse Prevention Information – Navarro College, in compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act (Public Law 101-226), provides information to students, faculty, and employees concerning how to prevent drug and alcohol abuse. Information for students may be found in the Student Services Office and for employees may be found in the Human Resources Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

RULES AND REGULATIONS

All Navarro College students, personnel, college representatives, and visitors taking part in college-sponsored activities have the responsibility to comply with all rules and regulations established by the Board of Trustees and state and federal laws as they exist or may be subsequently enacted and adopted. The Board of Trustees has the right to establish and cause the enforcement of policies that it deems appropriate in order for administrators to operate the college in a lawful and orderly manner. The Navarro College Board of Policy and Administrative Procedures can be located at https://www.navarrocollege.edu/boardpolicies/index.html. No group can supersede this right of the Board of Trustees. All officers commissioned by the governing board of a state institution of higher education may be empowered by the board to enforce rules and regulations promulgated by the board.

As stated in the Higher Education Code, "Nothing in this subchapter is intended to limit or restrict the authority of each institution to promulgate and enforce rules and regulations for the orderly conduct of the institution in carrying out its purposes and objectives or the right of separate jurisdiction relating to the conduct of its students and personnel" (Article 51.210). "It is unlawful for any person to trespass on the grounds of any state institution of higher education of this state or to damage or deface any of the buildings, statues, monuments, memorials, trees, shrubs, grasses, or flowers on the grounds of any state institution of higher education" (Article 51.204, Higher Education Code). "The governing board of a state institution of higher education or its authorized representatives may refuse to allow people having no legitimate business to enter on property under the board's control, and may eject any undesirable person from the property on his refusal to leave peaceably on request. Identification may be required of any person on the property" (Article 51.209, Higher Education Code).

These principles in no way negate the right of any person or group to present in an orderly manner, through the proper channels of communications, suggestions and/or proposals that properly fall within one's area of concern, nor are these rules intended to deny the lawful exercise of constitutional rights.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

COLLEGE CREDIT POLICY

ACT | SAT | AP | IB CREDIT

Students may receive credit for selected courses by achieving designated scores on the ACT/SAT/AP assessments. A list of courses for which credit is awarded based on these assessments is available from the Executive Dean of Academic Studies. Students desiring course credit from ACT/SAT/AP scores should submit the appropriate scores to the Registrar's Office and request these scores be evaluated. The Registrar's Office will post the awarded credit to the student's Navarro College transcript and notify the student. Students who are awarded credits on this basis will have the subject area and credit earned recorded on their permanent record card after they have completed fifteen (15) semester hours in residence at Navarro College with a grade-point-average of 2.0 ("C") or better. All questions regarding Navarro College courses, the transfer of courses from a regionally accredited institution, the credit by examination procedure, and the evaluated credit procedures should be addressed to the Office of Student Success or to the Registrar's Office.
The International Baccalaureate Diploma Program is an accelerated and rigorous high school curriculum taught by selected, certified teachers, and patterned after the European and international secondary programs. Navarro College welcomes applicants from the International Diploma Program in which students may earn advanced placement credit for scores made on the Standard Level and Higher Level exams. Credit will be awarded for individual exam scores whether or not the certificate or diploma is earned. The amount of credit will be awarded as transfer credit and will depend upon the exam score and the level of the course.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CREDIT BY EXAMINATION

When a student feels he or she possesses knowledge equivalent to that required for the successful completion of a certain course offered by Navarro College, the student may receive credit for the course by satisfactorily completing the appropriate examination and payment of the appropriate fee. Examinations are open to all students who have been accepted for enrollment at the college. Students who achieve a satisfactory score on the examination will have the course and earned credit recorded on their transcript after completion of twelve (12) semester hours in residence at Navarro College with a grade-point-average of 2.0 or better. Credit earned through this program is awarded on a pass/fail basis only. Students are not permitted to receive credit by examination for courses in which they have previously earned a passing grade or previously attempted to obtain credit by departmental exam. Two types of examinations are available. The College Level Examination Program (CLEP) is a national program that offers students an opportunity to obtain credit in certain courses. Intensive reading, on-the-job experience or continuing education courses may have prepared the student to earn college credit in this manner. For courses not covered by CLEP, departmental examinations may be available for college credit. Students desiring to challenge a course by a departmental examination must request permission to test from the appropriate dean. If the course is approved for challenge by departmental examination, the dean will:

1. Direct the student to the Registrar's Office to complete a Request to Challenge Course form.
2. Notify the testing center and arrange a date for the test to be administered.

The student will:

1. Complete the Request to Challenge Course form
2. Take the completed form to the Cashier's Office to pay the testing fee.
3. Take the completed form and paid receipt to the testing center at the scheduled test time arranged by the dean.

The dean will forward test results to the Registrar's Office for student notification and posting to the Navarro College transcript. A listing of courses that may be challenged by CLEP or departmental exams, together with forms to request a challenge, are available in the Testing Center.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

EVALUATED CREDIT

A student may receive credit for formal military training or coursework sponsored by civilian organizations. Navarro College will award credit for associate degree-level work as recommended in the American Council on Education's books, Guide to Evaluation of Educational Experiences in the Armed Services and the National Guide to Educational Credit for Training Programs. The Joint Services Transcript (JST) is also evaluated for credit. The College also grants credit for coursework completed through The Defense Activity for Non-Traditional Education Support (DANTES) program.
Since the recommendations made in these books are general in nature, such credit may be counted as electives or to meet general education requirements but cannot be used in lieu of specific course requirements unless equivalency can be established. The decision regarding equivalency rests with the appropriate executive dean. Students who are awarded credits on this basis will have the subject area and credit earned recorded on their permanent record card after they have completed twelve (12) semester hours in residence at Navarro College with a grade-point-average of 2.0 ("C") or better. Students are not permitted to receive evaluated credit by this procedure and credit by examination for the same work.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

OVERVIEW

Navarro College awards semester hour credit and posts it on the student's permanent record (transcript), maintained in the college Registrar's Office, for all credit hour courses successfully completed at Navarro College. Navarro College accepts semester hour credit in transfer from postsecondary institutions in lieu of a specific course at Navarro College only if evidence indicates the course is equivalent. The Registrar's Office should be consulted regarding transferability of courses. When questions arise with regard to course equivalency, the decision as to whether equivalency exists rests with the appropriate academic department chair or program director and executive dean or executive director. Students who have completed courses through military or industrial training, or who feel they should be entitled to college credit based on other non-traditional learning experiences, may be awarded up to thirty (30) semester hours credit based on the following procedures:

- Credit by Examination
- Evaluated Credit
- ACT / SAT / AP / IB Credit

All questions regarding Navarro College courses, the transfer of courses from a regionally accredited institution, the credit by examination procedure, and the evaluated credit procedures should be addressed to the Registrar's Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

TRANSCRIPTS

Unofficial Copies
Unofficial copies of your Navarro College transcript may be obtained by logging into Self Service at:
https://selfservice.navarrocollege.edu/Student/Student/Transcripts
Your transcript will be downloaded to a PDF file and you can print or save it.

Official copies of student transcripts are available electronically or in-person.

Electronically ($7 fee per transcript)
Request that your transcript be sent electronically to at:
https://www.navarrocollege.edu/registrar/transcript-requests.html

In-person ($7 fee per transcript)
Go to the Cashier's office at any Navarro College location to pay the $7 fee (per transcript) and receive a receipt. Take the paid receipt to the Registrar's Office for printing of official transcript(s).
All requests will require the following information:

1. Student's name while attending Navarro College
2. Social Security Number or Navarro College Student ID Number
3. Dates of attendance
4. Indication of whether the student needs an official or unofficial transcript
5. Contact telephone number and an email address for the student
6. A copy of the student's driver's license or state issued ID
7. The student's signature (Federal Privacy Laws (FERPA) prohibits the release of transcripts without the written consent of the student.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

TRANSFER OF CREDITS

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). With this recognition, Navarro College credits are regarded as equivalent to courses with similar descriptions at other colleges and universities. Transfer problems usually occur when students elect to deviate from their approved degree plan. Examples of transfer difficulties include those encountered by students who change majors or change from workforce education to transfer programs. Workforce education programs include certificates of completion and associate of applied science degrees, which are meant for students intending to enter the workforce rather than transfer to a four-year college or university. College and Career Success Coaches have thorough information on credit transfer. Students should work with a College and Career Success Coach to select a degree plan consistent with the student's educational goals. Changes in plans should be discussed with the advisor to help avoid potential problems. Students can gain additional information from the web site of the intended college and from the Texas Common Course Numbering System online matrix (www.tccns.org.)

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DEGREE REQUIREMENTS

ASSOCIATE OF APPLIED SCIENCE DEGREE

The Associate in Applied Science Degree is designed to help prepare students for employment in business, industry or health professions. Each AAS program has been approved by the Texas Higher Education Coordinating Board and students must complete all courses specified in the degree plan. The general education requirements shown below are included as an integral part of each AAS program. Degree plans are required for students working toward an AAS degree; students should seek assistance from a career and technology education Advisor or program faculty member prior to registration.
Students intending to work toward a Bachelor of Applied Science degree should take the following curriculum that includes the core curriculum leading to the Associate in Applied Science Degree, as follows:

Subjects	Semester Hours
Approved Language, Philosophy and Culture or Creative Arts	3
Speech or Approved Core	3
Natural Science or Mathematics	3
Approved Social or Behavioral Science*	3
ENGL 1301	3
Total General Education Requirements	15
Courses from specific AAS programs*	45
GRAND TOTAL	**60**

*Select one course from the following disciplines: History, Government, Psychology, Anthropology, or Economics.
**Up to eight hours of electives from the College course inventory may be substituted with approval from the Executive Dean. Health Professions Occupations may have specific requirements.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ASSOCIATE OF ARTS DEGREE

Students intending to work toward a Bachelor of Arts degree should take the following curriculum that includes the core curriculum leading to the Associate in Arts degree, as follows:

Subjects	Semester Hours
English	6
Government	6
American History	6
Computer Science	3
Speech	3
Creative Arts	3
Mathematics	3
Life / Physical Science	8
Social Behavioral Science (Psychology, Sociology, Anthropology, or Economics)	3
Foreign Language	4 - 8
Language / Philosophy / Culture	3
Courses from major area / electives	7 - 12

GRAND TOTAL	**60**

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ASSOCIATE OF SCIENCE DEGREE

Students intending to work toward a Bachelor of Science or a Bachelor of Business Administration Degree should take the curriculum that includes the core curriculum leading to the Associate in Science Degree, as follows:

Subject	Semester Hours
English	6
Government	6
American History	6
Mathematics	3 - 6
Computer Science	3
Life / Physical Sciences	8
Creative Arts	3
Speech	3
Language / Philosophy / Culture	3
Social / Behavioral Science	3

(Psychology, Sociology, Anthropology, or Economics)	
Courses from major area / electives as listed on the degree plan	13 - 16
GRAND TOTAL	**60**

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

BACHELOR OF SCIENCE DEGREE

Students pursuing a Bachelor of Science degree must complete all of the following requirements.

SUBJECTS	SEMESTER HOURS
English	6
Mathematics	3
Life / Physical Sciences	6
Language / Philosophy / Culture	3
Creative Arts	3
American History	6
Government / Political Science	6
Social / Behavioral Science (Psychology, Sociology, Anthropology, or Economics)	3
Institutional Component Area 3 SCH Speech and 3 SCH approved Mathematics, Physical/Life Science, **or** Computer Science)	6
Courses from major area / electives as listed on the degree plan	78
Grand Total	**120**

CERTIFICATE OF COMPLETION

Certificates of Completion will be conferred on those completing the designated courses and general requirements.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CORE CURRICULUM

Navarro College complies with the Texas Higher Education Coordinator Board mandates that address content, component areas, and the objectives of the core curriculum. Part of this compliance consists of the on going assessment of core objectives. The core objectives addressed within the Navarro College core curriculum include critical thinking, communication, empirical and qualitative skills, teamwork, personal responsibility, and social responsibility. The core objectives are assessed annually and the results are reviewed by the core curriculum committee.

Elements of the Texas Core Curriculum

The Texas Core Curriculum (TCC) is a 42 Semester Credit Hour (SCH) core curriculum for all undergraduate students in Texas public higher education. Each institution selects the specific courses it will offer to fulfill that framework of the TCC in a way that takes into account the individual role and mission of the institution. The TCC implementation at each institution must receive approval from the Coordinating Board and institutions must evaluate the effectiveness of their TCC at regular intervals.

One of the most important provisions of the TCC is that it allows students who successfully complete a 42 semester credit hour (SCH) core curriculum at one institution to transfer the entire set of completed courses to another public Texas higher education institution without having to repeat any core courses. Students who transfer without completing the entire 42-SCH core curriculum also receive credit for each of the core courses they successfully complete. Although the courses included in the TCC may vary by institution, every Texas higher education

institution's core curriculum must include the following Foundational Component Areas and semester credit hours:

- Communication (6 SCH)
- Mathematics (3 SCH)
- Life and Physical Sciences (6 SCH)
- Language, Philosophy and Culture (3 SCH)
- Creative Arts (3 SCH)
- American History (6 SCH)
- Government/Political Science (6 SCH)
- Social and Behavioral Sciences (3 SCH)
- The Component Area Option (6 SCH)

Core Objectives

Each core curriculum course must include three or four, out of six, Core Objectives. Definitions for the six Core Objectives for the TCC are as follows:

- Critical Thinking Skills (CT) - creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
- Communication Skills (COM) - effective development, interpretation and expression of ideas through written, oral and visual communication
- Empirical and Quantitative Skills (EQS) - manipulation and analysis of numerical data or observable facts resulting in informed conclusions
- Teamwork (TW) - ability to consider different points of view and to work effectively with others to support a shared purpose or goal
- Social Responsibility (SR) - intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities
- Personal Responsibility (PR) - ability to connect choices, actions and consequences to ethical decision-making

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

DEGREES AND MAJORS

Navarro College confers a degree upon completion of all graduation requirements. A major refers to a college student's main field of specialization or focus of study while completing the degree. Majors fall under types of degrees.
A Bachelor of Science in Nursing degree includes a major in nursing.
An Associate of Arts degree (AA) includes majors such as Speech, English, Music, and Criminal Justice.
An Associate of Science degree (AS) includes majors such as Math, Biology, Chemistry, Computer Science, and Business.
An Associate of Applied Science degree (AAS) includes majors such as Accounting, Business, Petroleum Technology, Welding, Nursing, Occupational Therapy, and Physical Therapy.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

GENERAL REQUIREMENTS FOR ASSOCIATE DEGREES

GENERAL REQUIREMENTS FOR ASSOCIATE DEGREE

Navarro College awards the following associate degrees: Associate of Arts, Associate of Science, Associates of Arts in Teaching, and Associate of Applied Science. In addition to the coursework of the individual's degree plan, the requirements below must be met. Exceptions to the individual's degree plan or any of the requirements below can only be made upon the written approval of the appropriate Executive Dean.

1. Completion of all admission requirements.
2. Completion of at least 25 percent of the hours required for the degree from Navarro College.

3.Achievement of a minimum cumulative grade-point average of 2.0 on all work required for the degree.
4.Satisfactory completion of all financial obligations.
5.Satisfactory completion of the core curriculum for each degree as listed in this catalog.
6.Demonstration of college readiness in math, reading, and writing through a state approved method.
7.Completion of the College Application for Graduation.

GENERAL REQUIREMENTS FOR BACHELOR DEGREE
Navarro College awards the Bachelor of Science in Nursing degree. In addition to the coursework included in the degree plan, the requirements below must be met. Exceptions to the degree plan or any of the requirements below can only be made upon the written approval of the appropriate Executive Dean.

1.Completion of all admission requirements.
2.Completion of at least 25 percent of the hours required for the degree from Navarro College.
3.Achievement of a minimum cumulative grade-point average of 2.0 on all work required for the degree.
4.Satisfactory completion of all financial obligations.
5.Satisfactory completion of the 42-hour core curriculum as listed in this catalog.
6.Demonstration of college readiness in math, reading, and writing through a state approved method.
7.Completion of the College Application for Graduation.

Navarro College confers certificates or degrees three times per year at the end of each long semester: fall, spring, and summer. Coursework presented for graduation after the end of the term will be conferred in the next long semester.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

INDIVIDUALIZED DEGREE PLANS

The degree requirements outlined in this publication are intended to provide general information for students who are seeking a college degree. Navarro College emphasizes the importance of individualized attention so that each student may realize his or her academic goals with a minimum of problems or delay. It is essential that students work closely with their college and career success coaches to establish a plan of educational objectives.
The Bachelor of Science in Nursing (BSN) degree plan in this catalog serves as a guide for students who have completed an Associate Degree Nursing (ADN) or diploma program, who already hold a Registered Nursing (RN) license, and who wish to earn a BSN degree. Students must complete the 120-semester credit hour (SCH) degree plan, which includes 51 SCH of general education courses (including 42 SCH of required core courses), 36 SCH of lower-division nursing courses, and 33 SCH of upper-division nursing courses. Substitutions for any general education course on the BSN plan may be made only with the approval of the Executive Dean of Academic Studies, while substitutions for any nursing or health professions course may be made only with the approval of the Executive Dean of Health Professions.
The Associate of Arts (AA), Associate of Arts in Teaching (AAT), and Associate of Science degree plans in this catalog serve as a guide for students planning to transfer to a senior level institution. Students should select courses from these plans based upon the requirements of the senior level institution to which they plan to transfer. Students must complete the 42- hour general education core and an additional 18 hours of academic work to receive the AA, AAT, or AS degrees. Substitutions for any course in an AA, AAT, or AS degree may be made only with the approval of the Executive Dean of Academic Studies.
Students seeking the Associate of Applied Science degree or certificate must complete the courses outlined in the degree plan section of this publication. Substitution for any course in the AAS degree or certificate requires prior approval of the Executive Director of Workforce, Career & Technical Education.
Students desiring to transfer coursework to Navarro College to be applied toward a degree or certificate must have their transcripts evaluated by the Registrar's Office. Students are then notified in writing by the Registrar's Office concerning the status of the transfer credit. Quantitative and qualitative limitations determining the acceptability of transfer work are available from Academic Advising or the Registrar's Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

REQUIREMENTS FOR CERTIFICATES

1.Completion of all admission requirements.
2.Completion of at least 25 percent of the hours required for the certificate in residency at Navarro College.
3.Achievement of a minimum cumulative grade-point average of 2.0 on all work required for the certificate.
4.Settlement of all financial obligations.
5.Satisfactory completion of exit criteria from required developmental studies course(s).
6.Completion of the College Application for Graduation.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern

Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

SECOND DEGREE

A student wishing to graduate with multiple degrees may do so under the following conditions:

- Each degree must be unique; a student may not receive the same degree or certificate twice from Navarro College.
- A student can graduate with up to five types of degrees as follows:
- - Associate of Arts (AA),
  - Associate of Science (AS),
  - Associate of Applied Science (AAS)—multiple AAS degrees allowed as long as each degree is of a distinct and separate major,
  - Associate of Arts in Teaching (AAT),
  - Bachelor of Science in Nursing (BSN).
- Each degree must consist of fifteen (15) additional hours beyond the first degree plan completed in residence at Navarro College with a GPA of 2.0 or better. These hours may be taken concurrently allowing the simultaneous conferring of both degrees.
- Physical activity coursework cannot be used to satisfy the fifteen (15) additional hour requirement.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT POLICIES

CHANGE OF ADDRESS

A student who, after registration, changes his or her home address or telephone number, is expected to notify the Registrar's Office immediately. The student will be held responsible for any communication from the college sent to the address or telephone number last given and may not use the fact that the communication was not received at the current address or the telephone number to avoid penalties or responsibilities to the College.
To change a student address, telephone number, or email address, the student should log into Self Service, go to Student Forms, and complete the Update Student Form Information Request Form.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

HOLD ON STUDENT RECORDS

Grades and transcripts may not be released if the student has a “hold” on his/her records. Holds may be placed on a student’s record for failure to meet admission requirements, for financial reasons (returned checks, overdue loans, etc.), a financial aid hold, for materials overdue at the library, or for other reasons deemed necessary by the college. These holds can be released only after the cause of the hold has been satisfactorily cleared.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

RESIDENCY REQUIREMENTS

In order for a student to be classified as an in-state resident for tuition purposes, the student must have created a domicile in Texas and resided in Texas the 12 months immediately preceding registration at a Texas public institution. Specific information about state residency requirements can be obtained from the Office of Admissions and Records. The Board of Trustees of Navarro College has authorized the waiver of the difference in the rate of tuition for nonresident and resident students for a person, or his or her dependents, who own property that is subject to ad valorem taxation by the district. The person, or his or her dependents, applying for such a waiver shall verify property ownership by presentation of an ad valorem tax statement or receipt issued by the tax office of the district; or by presentation of a deed, property closing statement, or other appropriate evidence of ownership of property that is subject to ad valorem taxation by the district. Based on SB 1528, a student who enters a Texas institution of higher education is classified as a resident of Texas if he or she:

1. Attended a Texas public or private high school;
2. Graduated from the high school or received the equivalent of a high school degree in Texas;
3. Resided in Texas for at least three (3) consecutive years as of the date he/she graduated from high school or received the equivalent of a high school degree;
4. Provides his/her college an affidavit that he or she intends to file an application to become a permanent resident of the United States at the earliest opportunity the individual is eligible to do so.

RESOLUTION OF DISPUTES CONCERNING TRANSFER COURSES

Navarro College follows policy outlined in Texas Public Education Code §4.27 for the resolution of transfer courses:

1. The following procedures shall be followed by institutions of higher education in the resolution of credit transfer disputes involving lower-division courses:
    a. If an institution of higher education does not accept course credit earned by a student at another institution of higher education, the receiving institution shall give written notice to the student and to the sending institution that transfer of the course credit is denied, and shall include in that notice the reasons for denying the credit. Attached to the written notice shall be the procedures for resolution of transfer disputes for lower-division courses as outlined in this section, accompanied by clear instructions outlining the procedure for appealing the decision to the Commissioner.
    b. A student who receives notice as specified in paragraph (1) of this subsection may dispute the denial of credit by contacting a designated official at either the sending or the receiving institution.
    c. The two institutions and the student shall attempt to resolve the transfer of the course credit in accordance with Board rules and guidelines.
    d. If the transfer dispute is not resolved to the satisfaction of the student or the sending institution within 45 days after the date the student received written notice of denial, the sending institution may notify the Commissioner in writing of the request for transfer dispute resolution, and the institution that denies the course credit for transfer shall notify the Commissioner in writing of its denial and the reasons for the denial.
2. The Commissioner or the Commissioner’s designee shall make the final determination about a dispute concerning the transfer of course credit and give written notice of the determination to the involved student and institutions.

3. Each institution of higher education shall publish in its course catalogs the procedures specified in subsections (a), (b), (d), and (e) of this section.
4. The Board shall collect data on the types of transfer disputes that are reported and the disposition of each case that is considered by the Commissioner or the Commissioner's designee.
5. If a receiving institution has cause to believe that a course being presented by a student for transfer from another school is not of an acceptable level of quality, it should first contact the sending institution and attempt to resolve the problem. In the event that the two institutions are unable to come to a satisfactory resolution, the receiving institution may notify the Commissioner, who may investigate the course. If its quality is found to be unacceptable, the Board may discontinue funding for the course.

Source Note: The provisions of this §4.27 adopted to be effective May 27, 2003, 28 TexReg 4109
Students needing assistance with the resolution of transfer courses under this policy are advised to contact the office of the Executive Dean of Academic Studies.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

SETTLEMENT OF OBLIGATIONS

- Payment deadlines are posted in the academic calendar.
- Payment or payment arrangements not received by payment deadlines will result in the student being dropped for non-payment.
- Students who fail to settle their financial obligations to the college, or establish satisfactory payment arrangements, risk the withholding of course credits and grades. Furthermore, unpaid balances will be forwarded to a collection agency 60 days following the conclusion of the term.
- No degree or certificate will be awarded until all financial obligations are settled.
- The term "financial obligations" shall include the return of all properties of the college on student assignment including library books.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT CONDUCT

Navarro College administration grants the student as much freedom as is compatible with the ordinary rules of society governing proper conduct. Disciplinary regulations are, therefore, kept to a minimum and are listed in the Student Handbook, which may be found on the Navarro College website. Students are responsible for obtaining, reading, understanding, and abiding by the guidelines in the Student Handbook.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT GRIEVANCE PROCEDURES

Navarro College provides all student and administrative services on a non-discriminatory basis. These services are provided without regard to sex, sexual orientation, color, race, national origin, age, and handicap. With this in mind, a student grievance may encompass any dissatisfaction, complaint, or perceived injustice a person may have while associated with the college, as a current, prospective, or past student.

STUDENT DISCRIMINATION GRIEVANCE PROCEDURES

A student grievance may result from academic experiences, non-academic matters involving administrators, staff, or student organizations, or matters related to perceived discrimination based on sex, color, race, national origin, age, or handicap. Any student who believes he/she has been discriminated against by college personnel for any reason, including discrimination on the basis of sex, color, national origin, age, or handicap, has the right to expect due diligence and should contact the Office of Student Services within ten business days of the initial concern to file a Student Discrimination Grievance. A student who works either part-time or full-time for the College and whose grievance is based on a concern involving his/her employment may contact the Human Resources Office; however, all complaints of student discrimination, harassment, assault or retaliation should be submitted in writing to the Student Services Office. (See Navarro College Board Policy and Administrative Procedures Manual, Sections DFD and FFE on Sexual Misconduct).
The first contact should be with the office of Student Services within ten business days of the initial concern. Student Services will refer the student to the most appropriate chain of command for due process.
If the concern is still not resolved, the Executive Director of Student Services will provide a grievance form for the student to document the issue. Documentation must be submitted within two business days of the student's receipt of the grievance form.

After documentation is completed, the Executive Director of Student Services may collect and review salient points related to the issue or he/she may appoint a committee that serves as a recommending body. If a committee is convened, members will include three (3) staff and/or faculty members, one of whom will serve as the chairperson, and two (2) students. The purpose of the review will be to determine if discrimination is more likely than not to have occurred.
After review, the Executive Director of Student Services will render a judgment with the basis for that the judgment to be communicated in written form to the complainant. The judgment will be forwarded to the Vice President of Operations for personnel accused.
If the complainant agrees with the decision, either the Executive Director of Student Services (for a student accused) or Vice President of Operations (for personnel accused) will, in the case where there was discrimination, seek appropriate redress.
The complainant, when not satisfied with the decision, may appeal the judgment to the Vice President of Student Success within two business days of receipt of the Executive Director of Student Services (or the committee's) letter.
The Vice President of Student Success will review the data and judgment rendered, make his/her own inquiries, including interviewing the complainant. After due study, a judgment will be decided. The Vice President's judgment determines a final and binding decision and serves as the final step in the appeal process.

INITIAL CONFLICT PROTOCOL

All complainants, except Student Discrimination Grievances, should attempt first to resolve the issues where they arise and with appropriate parties involved. Chain of command protocol should be followed beginning with the staff person with whom the issue lies; if the problem is not resolved, the appropriate supervisor should be contacted next and, if needed, followed with subsequent reporting levels of administration. The only exceptions to this rule would be in response to a concern over safety (e.g., harassment, sexual misconduct/Title IX complaint). All staff should follow the Staff Protocol in Response to Student Grievances (below) in providing guidance to students

---

LEGAL COUNSEL

Representation by legal counsel is not required but may be permitted. If legal counsel is requested, the attorney's purpose is only to serve as an advisor to the student (not to participate) at the hearing. Legal counsel may be present with adequate notice. Should the student plan to have an attorney present, the institution must be informed no less than 48 hours prior to the appeal hearing.
All *individual* student grievances should be resolved as follows:

INSTRUCTIONAL COMPLAINT

A student who has a grievance related to a final course grade must follow the "Grade Challenge Policy" found in the Student Handbook and the Academic Catalog. Similarly, a student whose concern pertains to a closed program of study should follow the "Program of Study Dismissal" procedure. A student who may have a concern with an instructor, his/her instructional decision, and/or another instructional program matter should follow the "Student/Instructor Conflict Resolution" policy. These academic policies may be found under the section entitled "Student Academic Grievance" within the current Academic Catalog.

NON-INSTRUCTIONAL COMPLAINT

A student with a grievance outside the classroom should pursue resolution through the course of action most appropriate to the department involved and as follows:

ADULT EDUCATION & LITERACY / CONTINUING EDUCATION/ LIBRARY / MUSEUMS / PLANETARIUM

A student who has a grievance related to Adult Education & Literacy, Continuing Education, Library, Museums, or Planetarium should first attempt to resolve the issue directly with the staff member of concern. If the student feels that this has not been successful, the student may contact the director or dean for that department. If the problem is still not resolved, the student may present the grievance in writing to the Vice President of Academic Affairs. The director, executive director, dean or vice president may form a committee to review the grievance and determine a decision.

STUDENT DISCIPLINE

Students who have a grievance related to discipline must follow the Disciplinary Appeal Procedures (see Navarro College Board Policy and Administrative Procedures Manual, Section FKB.2 on Disciplinary Procedures and Sanctions).

TITLE IX / SEXUAL MISCONDUCT

An individual with knowledge of a complaint or allegation of sexual misconduct committed by staff, a student, or other individual should contact the Title IX Coordinator or designee (see Navarro College Board Policy and Procedures Manual, Sections DFD and FFE on Sexual Misconduct).

ADMISSIONS / ADVISING / BOOKSTORE / BULLDOG LIFE / COUNSELING / DISABILITY SERVICES / FINANCIAL AID / INSTITUTIONAL RESEARCH / MARKETING / ENROLLMENT AND RECRUITING / STUDENT CONDUCT / STUDENT LIFE / TESTING / TRIO SSS / TUTORING

Students who have a grievance related to other student success departments (e.g., Admissions, Advising, Bookstore, Bulldog Life, Mental Wellness, Disability Services, Financial Aid, Institutional Research, Marketing, Enrollment and Recruiting, Student Conduct, Student Life, Testing, TRIO SSS, and Tutoring) should first attempt to resolve the issue directly with the staff member of concern. If the student feels that this has not been successful, the student may contact the director or executive director of that department. If problem is not resolved, the student may present the grievance in written form to the Vice President of Student Success. The director, executive director, or vice president may form a committee to review the grievance and determine a decision.

RESIDENCE LIFE / HOUSING

The appeal procedure is a process that takes place in a college setting and is a community of individuals working together for the benefit of students. Within this framework, the institution embodies the laws of the state and nation but maintains the authority to govern itself. Any resident who receives a college citation will, under due process, have the right to appeal to Residence Life Authorities. The resident will follow the following appeal procedures below.

Residence Life Violation Appeal Procedures
Students wishing to appeal will be required to adhere to the following steps:
Residence Life Violations Appeal Procedure
(e.g., candles, open windows, unregistered guests, etc.)

1. Each student, within two business days of receiving a college citation, will submit a letter in writing to the Office of Residence Life stating his/her grounds for appeal.
2. A committee, comprised of representatives from Student Development and Residence Life, will review the appeal and render a decision in a timely manner. Housing sanctions will be deferred until the conclusion of the review by the committee. *
3. If the resident's appeal is not overturned by the committee, the resident has the right to appeal in writing to the Executive Director of Student Services within two business days of the committee's decision. The Executive Director of Student Services may uphold or overturn the committee's decision and will provide a response within three business days.
4. If the resident's appeal is not overturned by the Executive Director of Student Services, the resident has the right to appeal in writing to the Vice President of Student Success within two business days. The Vice President of Student Success, in a timely manner, may collect and review salient points related to the issue or he/she may appoint a committee that serves as a recommended body to determine a decision. In the event rendered sanctions include academic suspension or removal from Residence Life, a committee will be formed to recommend a decision to the Vice President of Student Success. The decision of the Vice President of Student Success is final and binding and serves as the final step in the appeal process.

Deferment of sanctions is subject to the severity of the situation. When a student's presence poses a danger to people or property, the student may be removed prior to the Committee's review.

CASHIERS / BUSINESS OFFICE

A grievance related to the Cashier or Business Office should first attempt to resolve the issue directly with staff member of concern. If the student feels that this has not been successful, the student may contact the director of that department. If the issue is still not resolved, the student may present the grievance in writing to the Vice President of Finance and Administration. The business office, executive director, or vice president may form a committee to review the grievance and determine a decision.

ATHLETICS

A grievance related to athletics will be brought to the attention of the Head Coach. If the problem is not resolved, it will be brought to the Assistant Director of Athletics, and if it continues to not be resolved, the appropriate step is to contact the Executive Director of Student Services and Athletics. If the problem is still not resolved, the student may present the grievance in writing to the Vice President of Student Success. The director, executive director, or vice president may form a committee to review the grievance and determine a decision

INFORMATION TECHNOLOGY / PHYSICAL PLANT / CAMPUS POLICE

A grievance related to the information technology, the physical plant, or campus police should first attempt to resolve issue directly with the staff member of concern. If the student feels that this has not been successful, the student may contact the Chief of Police for Campus Police, Director of Information Technology, or Director of Facilities. If the problem is still not resolved, the student may present the grievance in writing to the Vice President of Operations. The director, executive director, chief, or vice president may form a committee to review the grievance and determine a decision.

FINAL APPEAL

In each of these areas, the decision of the appropriate vice president or athletic director is considered final and binding.

TIMELINE FOR FILING A GRIEVANCE

In resolving a student grievance, timely reporting of the complaint is important and thus required at all levels. Unless stated otherwise within procedural guidelines, the appropriate timeframe for filing a written grievance should be within ten business days from the date in which the student is first aware or notified of the issue of concern. Written appeals to the next/subsequent level of the process must be made within two business days of the student's receipt of the institution's appellate decision. Any earlier, more expedient timelines detailed within the appropriate Navarro College procedure (e.g., Residence Life Appeals) supersede these general timeline guidelines provided to maintain a safe and civil college environment. Additionally, exceptions to these deadlines may be made only at the discretion of the District President or the appropriate vice president.

THECB COMPLAINT

The Texas Higher Education Coordinating Board's (THECB) Student Complaint Procedure (19 TAC SS 1.110-1.120) requires that a student filing a complaint must do so in a timely manner and must exhaust all grievance and appeal procedures of the institution as described in the Navarro College Student Grievance Procedure PRIOR to filing a complaint at the following address: StudentComplaints@THECB.state.tx.us. URL for the Texas Secretary of State: http://www.sos.texas.gov/index.html.

SACSCOC REGIONAL ACCREDITATION

Additionally, the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) provides an option for grievances as part of its "Complaint Procedures against SACSCOC or its Accredited Institutions" and which can be utilized once the complainant has exhausted all grievance and appeal procedures of the institution as described in the Navarro College Student Grievance Procedure.

PROGRAM-SPECIFIC ACCREDITATION ORGANIZATIONS

In addition to general institutional accreditation under SACSCOC, individual departmental programs (including, but not limited to nursing, medical lab technology, occupational therapy assistant, physical therapy assistant, or cosmetology) may be associated with program-specific accreditation organizations with which a student may consult at any time. Contact

information is provided for these program-specific accreditation organizations on the College's program-specific departmental website.

STUDENT GRIEVANCE FORM

Except in the case of safety (e.g., harassment/ sexual misconduct/ Title IX complaint), a student should first attempt to resolve the issue directly with the staff member of concern and if the student feels that this has not been successful, the student may contact the supervisor directly–either in person, by phone or email or by utilizing the Student Complaint/Grievance Form https://www.navarrocollege.edu/support-services/grievance/index.html.

STUDENT FEEDBACK/SGA GENERAL ASSEMBLY

Each semester the College solicits feedback on the College website to obtain concerns and suggestions regarding the improvement of college services. Students also may voice their ideas for improvement at regularly scheduled Student Government Association meetings on the Corsicana and Waxahachie campuses throughout the fall and spring semesters. However, for individual student concerns or grievances, students should follow the grievance procedures detailed above. Additionally, with suggestions for improvement to specific programs, students may find it helpful to follow the same hierarchical chain as described above.

STAFF PROTOCOL IN RESPONSE TO STUDENT GRIEVANCES

When a staff member is approached by a student with a grievance, the staff member should employ appropriate protocol. The student should be referred to either the current Navarro College Student Handbook or the current Navarro College Academic Catalog, specifically in reference to the appropriate section.
Additionally, staff may assist the student by referencing the following protocol: 1) polite communication with the staff member of concern, and 2) if not resolved, subsequent communication with the supervisory chain of command in successive order, except in the case of safety (e.g, harassment, sexual misconduct/Title IX complaint). Students should be instructed to follow up on the resolution of such matters in a timely matter as defined in the Student Grievance Procedures and to consult the current Navarro College Student Handbook and/or the Office of Student Services for further, more specific information.

RECORDS RETENTION

All administrators—directors, deans, and vice presidents--are expected to maintain thorough and appropriate records of student grievances in accordance with the State of Texas Records Retention Schedule, all federal requirements provided by the U.S. Department of Education, SACSCOC regional and program accreditation requirements, and applicable Navarro College policies and procedures.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

STUDENT RIGHTS AND RESPONSIBILITIES

Navarro College holds that the student, upon enrollment, neither loses the rights nor escapes the duties of a citizen. Enjoying great opportunities, at partial expense to the state of Texas, the student-citizen has a responsibility to him/herself, fellow students, to the law of the land, and the institution in which, by his/her own choice, he/she enrolls. In addition to the rights enjoyed by all citizens and residents, the rights afforded students by Navarro College include:

- The right to expect an education of the highest quality
- The right to privacy for their college records (see the Navarro College Catalog, Family Educational Rights and Privacy Act)
- The right to see their records and, if necessary, challenge their accuracy
- The right to know the graduation rates for fulltime certificate and degree-seeking students
- The right to know the graduation rates of students on athletic scholarships
- The right to know the number of criminal offenses (if any) that occurred on Navarro College campuses and were reported to campus officials or a police agency in the past year (the Clery Act)
- The right to know the number of arrests, if any, for liquor law, drug abuse, and weapons violations committed on campus during the past year
- The right to due process
- The right to pursue grievances against instructors, administrators, or fellow students

Students who are admitted to Navarro College and continue their enrollment are expected to conform to established rules and regulations of the college. Also, they are expected to have reasonable probability of success and adjustment to the social and educational climate of the college. Because some students have difficulty adjusting to the total college environment, students may be denied admission or readmission to Navarro College for reasons other than academic. Such reasons include, but are not limited to:

- Inappropriate conduct and behavior
- Observable social or emotional characteristics that would cause resistance to the overall educational process of the college or would cause disruption of the social and academic environment
- Disrespect for college personnel and other students
- Harassment
- Misrepresentation of factual information
- Inability to comply with college rules, regulations, and policies.

Denial of admission or readmission to Navarro College involves the exercise of judgment by college administrators; therefore, the denial process involves the systematic collection of available facts and information, which might include, but is not limited to, such areas as police, court or records of other public agencies; records or observations of a disciplinary nature from Navarro College and/or other educational institutions; observations and judgments of people of acquaintance; recommendations of counselors, psychologists or other professionals; observations and recommendations of supervisors or authorities; observations or judgments of law enforcement officers or other public authorities; results of commonly accepted test or other instruments; or any other source of available information relevant to making an assessment of the student's probable behavior.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

WITHDRAWAL FROM THE COLLEGE

Any student who voluntarily withdraws from all classes for which he/she is enrolled must fill out an application for complete withdrawal form available on Self-Service The drop will be processed based on the date the completed form is received in the Registrar's Office. The withdrawal will not be official until the form is signed by the student and clearance has been obtained from the offices noted on the form. Students who drop a class or withdraw from the College before the semester deadline will receive a grade of "W" (withdrawn) in each class dropped. The deadline for receiving a "W" is indicated on the academic calendar. See "Refund Policy" for possible refund eligibility.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ACCOUNTING

ACCOUNTING

OVERVIEW

The Occupations

Accounting Clerk, Bookkeeper, Accounting Assistant, Audit Clerk, Payroll Clerk, Accounts Receivable Clerk, Accounting Payable Clerk, Accounting Supervisor/Office Manager, Financial Clerk

About the Occupations

An accounting degree is one of the most sought-after credentials today. In the corporate world, accounting is more than just processing numbers. Members of an accounting department are often expected to organize, analyze and interpret financial data for managers and executives, as well as participate in strategic planning and decision-making. The demand for accounting personnel thrives in both strong and weak economies. During an economic downturn, companies may cut costs by reducing investments in management or marketing, but they still need to monitor cash flow and identify organizational inefficiencies. Accounting personnel generally work in three areas: public accounting, business (profit or non-profit), and governmental entities. Employees in the accounting field may specialize in specific information areas such as Accounts Receivable, Accounts Payable, Payroll, Billing, Costing or Budgeting. Those who assist Certified Public Accountants may also work with clients to acquire, record and prepare financial and/or tax information.

According to the United States Bureau of Labor (December 2015), the area of accounting is one of the occupations projected to experience significant growth, with a 3-11 percent growth rate expected through the year 2024. Due to the significant size of this occupational area, it is expected there will be many job opportunities available, including temporary, part-time and freelance work. Accounting is an excellent profession for those directly out of high school as well as those who are looking for new career opportunities or supplemental income. Graduates may find entry-level opportunities in small business, large corporations, professional associations, governmental agencies, and non-profit organizations. Some may also find entrepreneurial opportunities. With all of this in mind, consider the value an accounting certificate or degree from Navarro College would have for you.

An accounting certificate or degree from Navarro College can open new doors. Most bookkeeping, accounting and auditing clerks are required to have a high school degree and accounting training; however, some college, such as a certificate or associate degree, is preferred. Most entry-level accounting clerk positions can be obtained with a post high-school accounting certificate, while advancement opportunities and certifications may require a minimum of an associate degree. The Accounting Program at Navarro College offers a ***"Step approach"***. Full-time students can receive an Accounting Marketable Skills or Clerk Certificate in as few as two semesters, allowing them to pursue an entry-level accounting position and/or continue their education. In as little as one additional semester, the full-time student can enhance his or her knowledge and skills with the Accounting Paraprofessional Certificate. This certificate also includes the opportunity for students to receive on-the-job training experience through a supervised practicum course. Both of these certificates lead into Navarro College's AAS in Accounting, which can be completed by the accounting paraprofessional graduate in as little as one additional semester. For those who wish to pursue a bachelor's degree, such as a BAAS, the AAS in Accounting serves as an excellent foundation and allows students to pursue this as either a full-time or part-time student while working in the accounting field. National certifications, such as the Certified Professional Bookkeeper (CB) and Accredited Business Accountant (ABA) are available for individuals with work experience and accounting training, like that offered at Navarro College. For those who want to continue their education and pursue a bachelor's degree (or higher), additional certifications, such as the Certified Management Accountant (CMA), the Certified Internal Auditor (CIA), the Certified Fraud Examiner (CFE), the Enrolled Agent (EA) and the Certified Public Accountant (CAPA) are also available.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT	
Employers	• Service companies • Retail stores • Wholesale and distribution companies • Industrial and manufacturing organizations • Federal, State, and Local government agencies • Not-for-profit organizations
Typical Schedule	Standard 40-hour work week with overtime during peak times
Tools and Equipment	• Computer systems • Accounting software such as general ledger packages • Spreadsheet, database, presentation, and word processing application software

	• Internet access • Financial documents such as journals, ledgers, financial statements, and government forms
WORKER PORTRAIT	
Skills and Aptitudes	• Organized, careful, accurate, and neat • Good math skills • Dependable, punctual, and able to meet deadlines • Able to communicate well orally and in writing • Takes direction well, but can work with limited supervision • Problem solver
Interests	• Enjoys helping people and providing a vital service to society • Enjoys high level of responsibilty and maintains high ethical standards

OUTLOOK	OCCUPATION

ACCOUNTING - AAS DEGREE PLAN

PROGRAM INFORMATION: The AAS in Accounting Program at Navarro College is designed to help prepare students for entry level accounting positions in accounting firms, industry or government. The program can provide a solid foundation in accounting principles and students will be able to demonstrate accounting and technology competency through hands-on application. Upon successful completion of this program, students will have a strong accounting foundation for entrance

into the accounting field. Students will also have the opportunity to pursue certification(s) and/or expand their educational experience.

BUSINESS

BUSINESS

OVERVIEW

The Occupations
Supervisor, Small Business Owner/Manager, Production Controller, Restaurant and Food Service Managers, Retail Sales Worker Supervisors and Managers Meeting, Event and Convention Planner Convention Manager, Shipping and Transportation Managers, Warehouse Supervisor
About the Occupations
Management is the process of coordinating and integrating work activities so they are completed efficiently and effectively with and through other people to accomplish organizational goals. The many job titles of managers reflect either the specific responsibility of a position or the industry in which the man- ager works. Supervisors direct the activities of their employees and make sure the work is done correctly, teach employees safe work practices, train new workers to learn different aspects of the job, interview and terminate employees, and help ensure that equipment and materials are used properly and efficiently. Small business managers run businesses that have less than 55 employees. Restaurant and food service managers help ensure effective and profitable operation of restaurants and institutional food service facilities. Retail sales worker supervisors and managers help ensure customers receive satisfactory service and quality goods. Meeting, event, and convention planners develop programs, market events or conventions, budget the event, choose locations, make travel arrangements, arrange entertainment, plan menus and choose caterers. Shipping and transportation managers directly supervise and coordinate activities of transportation and material-moving machine and vehicle operators.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

BUSINESS ADMINISTRATION - AAS DEGREE PLAN

PROGRAM INFORMATION: The Business Administration Program at Navarro College is a two-year program designed to help develop the fundamental skills, knowledge, attitudes and experiences that help enable men and women to function as supervisors or managers in such fields as industry, retailing, community service, small business, food services, real estate transportation, wholesaling, office management, and sales. Programs of study are designed as cooperative plans with local business and industry with students enrolled in courses taught on campus for formal instruction and concurrently working at a regular paid, part-time or full-time job in sponsoring business firms. The program has been designed to help prepare students for immediate employment after completing the two-year Associate in Applied Science Degree.

OVERVIEW

The Occupations

Administrative Aides, Administrative Specialists, Senior Administrative Assistants, Executive Assistants, Senior Executive Assistants, Accounting Assistants, Information Technicians, Office/Facilities Coordinators and Administrators

About the Occupations

Now more than ever, administrative assistants and front office professionals play an integral role in the success of an organization. These administrative professionals are skilled at performing a variety of administrative duties. They are becoming members of the management team and assuming roles once reserved for managerial and professional staff members. Many opportunities await those professionals who master technology and use their interpersonal and communication skills effectively.

The Business Office Systems and Support (BOSS) Program is structured to prepare students for a wide range of front office careers using state-of-the-art technology software. The program courses are specifically designed to develop competencies in office procedures, software applications, basic accounting skills, organizational skills, office management, project management, and the essential workplace soft skills. These skills are essential to upgrading existing work knowledge. As technology continues to advance, retraining and continuing education will be an essential part of jobs in business.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT

FACULTY

CHILD DEVELOPMENT - AAS DEGREE PLAN

PROGRAM INFORMATION: The Child Development Program is designed to help prepare students to make a positive difference in the growing field of childcare. This program helps prepare successful graduates with the ability to understand the needs of young children including children with special needs and the ability to develop appropriate learning environments for them. Criteria for quality early childhood programs developed by the National Association for the Education of Young Children (NAEYC) have been incorporated into course content. The Associate of Applied Science Degree and three certificates are offered. Every student must complete and pass a background check, and be accepted into a licensed child care program to participate in classroom observations required by various courses in the program.
Students should contact the Department Chair for information on requirements for external learning hours.

COMPUTER INFORMATION TECHNOLOGY

COMPUTER INFORMATION TECHNOLOGY

OVERVIEW

The Occupations
Computer Network Support Specialist, Computer User Support Specialists, Database Administrators, Software Developers, Applications, Web Developers
About The Occupations
Computers have become essential to all phases of modern life including traditional areas of business and science, as well as applications in entertainment and personal life. The most crucial element of any computer system is the person operating it. The computer field includes an ever-growing array of occupations. Three important jobs are programmers, microcomputer support specialists, and information technology specialists.
Computer programmers convert project specifications from end-users and statements of problems and procedures to detailed, logical flow charts for coding into computer language. They develop and write computer programs to store, locate, and retrieve specific documents, data and information.
Computer support specialists provide technical assistance and training to computer systems users. They investigate and resolve computer software and hardware problems of users. They answer client inquiries in person, and by telephone, and by e-mail concerning the use of computer hardware and software, including printing, word processing, programming languages, electronic mail, and operating systems.
Information technology specialists are proficient with application software commonly used in the workplace. This includes word processing, spreadsheets, database, presentation software and operating systems. Information technology specialists support the day-to-day operation of typical business activity in numerous fields.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. COMPUTER INFORMATION TECHNOLOGY SOFTWARE DEVELOPMENT CERTIFICATE COMPLETION PLAN

Program Information: This one year program provides students with skills to operate and use computers in business environment. It is intended mainly to serve people who do not wish to earn an associate's degree, but who want to acquire skills and knowledge in computer applications. Students pursuing this degree program are required to meet Texas Success Initiative (TSI) standards and course prerequisites.
A certificate of completion curriculum provides students practical skills designed for immediate employment.

COSMETOLOGY

COSMETOLOGY

OVERVIEW

The Occupations
Hairdressers, Hairstylists, Cosmetologists, Salon Manager, Nail Technician, Facialist
About The Occupations
Hairstylists, hairdressers, and cosmetologists provide hair and beauty services to enhance the clients' appearance. Those who operate their own salon have managerial duties that may include hiring, supervising, and training workers, as well as keeping business and inventory records, ordering supplies, and arranging for advertising.
Hairstylists and hairdressers offer a wide range of hair services, such as shampooing, cutting, coloring, and styling. They often advise clients, both male and female, on how to care for their hair at home. They also keep records of products and services provided to clients, such as hair color, shampoo, conditioner, and hair treatment used. Tools included hairbrushes, scissors, blow dryers, and curling irons.
Cosmetologists provide scalp and facial treatments and makeup analysis. Some also clean and style wigs and hairpieces. In addition, most cosmetologists actively sell skin care products.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT	
Employers	Many hairdressers and cosmetologists are self-employed. Hairdressers, and cosmetologists work mostly in salons, although some work in a spa, hotel, or resort setting. Some lease booth space in other people's salons. A good number manage salons or open their own shop after several years of experience. Hairdressers and cosmetologists usually works in pleasant surroundings. Physical stamina is important, because they are on their feet for most of their shift. Prolonged exposure to some chemicals may cause skin irritation, so they often wear protective clothing, such as disposable gloves or aprons.
Typical Schedule	Many hairdressers and cosmetologists work part time: however, some self-employed workers may work long hours. Work schedules often include evenings and weekends- the times when beauty salons are busiest. Those who are self-employed usually determine their own schedules.
Tools and Equipment	
WORKER PORTRAIT	
Skills and Aptitudes	
Interests	
CAREER OUTLOOK	
Overall employment of hairdressers and cosmetologists is projected to grow 13% from 2012 to 2022, about as fast as the average for all occupations. Growth rates will vary by specialty. Demand for hair coloring, hair straightening, and other advanced hair treatments has risen in recent years, a trend that is expected to continue over the coming decade.	
JOB PROSPECTS	
Overall job opportunities are expected to be good. A large number of job openings will stem from the need to replace workers who transfer to other occupations, retire, or leave the occupation for other reasons as well as to support a growth in population. However, workers should expect strong competition for jobs and clients at higher paying salons. There are relatively few positions; applicants must compete with a large pool of experienced hairdressers and cosmetologists.

FACULTY

COSMETOLOGY CERTIFICATE COMPLETION PLAN

PROGRAM INFORMATION: The 1,500 hour, three-semester curriculum in cosmetology leads to a Certificate of Completion and helps prepare graduates to take the Texas Department of Licensing and Regulation Cosmetology Examination. Successful completion of the examination will allow graduates to practice as a licensed cosmetologist in Texas.

Notice to Students Regarding Licensing - Cosmetology
Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you, a potential or enrolled student, that a criminal history may make you ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements. https://www.tdlr.texas.gov/cosmet/cosmet.htm
Should you wish to request a review of the impact of criminal history on your potential Cosmetology License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.” https://www.tdlr.texas.gov/crimHistoryEval.htm
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

CRIMINAL JUSTICE

BASIC PEACE OFFICER CERTIFICATE (POLICE ACADEMY) COMPLETION PLAN

The Basic Peace Officer Course Certificate (Program) offered by the Navarro College Police Academy (NCPA) consists of 779 total hours, of which 720 is required by the Texas Commission on Law Enforcement (TCOLE) curriculum. There are 42 topics of instruction ranging in length from 1 hour of classroom time to 74 hours. The program includes training in the following areas: current Penal and Traffic Laws, Crash Investigation, Standardized Field Sobriety Testing, Defensive Tactics, First Aid/ CPR, Patrol Tactics, Firearms and Police Driving and many others.
The Navarro College Police Academy program is designed to prepare students to pass the Peace Officer licensing exam given at the end of the program. An additional 59 hours of training is provided and includes, a 14-week Physical Training Program (27hrs), 8 hours of extended skills training for active shooter scenario training and 8 hours of O.C/Pepper Spray Training. Sixteen hours of comprehensive review for the State Licensing Exam is provided at the completion of the Academy.
CJLE 1006 BASIC PEACE OFFICER I 175
CJLE 1012 BASIC PEACE OFFICER II 175
CJLE 1018 BASIC PEACE OFFICER III 175
CJLE 1024 BASIC PEACE OFFICER IV 175
CJLE 1029 BASIC PEACE OFFICER V 79
Admission to Navarro College is a separate procedure from admission to the Navarro College Police Academy. Eligible applicants must first meet all admission criteria for Navarro College. Applicants are then required to submit a Police Academy Application and Personal History Statement to the Police Academy Coordinator, schedule a FAST Fingerprint appointment, and take the TSI test. Exemptions for the TSI test are listed in the catalog.

Admission Requirements

- Must be a U.S. Citizen
- Must be 21 years of age, or 21 years of age by the graduation date of the Academy
- A student 18 years of age or older is eligible for licensing if the student:

1. Has received an Associate's Degree or 60 semester hours from an accredited college or university; or
2. Has received an Honorable Discharge from the Armed Forces of the United States after at least two (2) years of service

- No Class B Misdemeanor convictions in the past 10 years
- No Class A Misdemeanor or felony convictions
- No conviction or community supervision for any family violence offense
- Applicants must pass a physical examination, a psychological examination, and a drug screen immediately submitted to the Academy upon completion
- High School diploma or GED required
- Must not be prohibited by law from operating a motor vehicle
- Must not be prohibited by state or federal law from possessing firearms or ammunition
- Cannot have a dishonorable discharge from the military

Completed Application with Supporting Documents
Candidates application should include:

- Completed and notarized Navarro College Police Academy Application
- Completed and notarized Personal History Statement
- FAST Fingerprint submission
- TCOLE L-2 Form (with drug results) and L-2 Notice of Duties form
- TCOLE L-3 Form and L-3 Notice of Duties Form
- Color copy of driver's license
- Copy of social security card (front and back)
- Copy of high school transcript/Diploma or proof of GED
- Copy of military DD214 (if applicable)
- Copy of TSI exam score
- Copy of birth certificate, U.S. passport, or documentation showing U.S. citizenship

PLEASE NOTE

With an additional 12 hour course credit completed with Navarro College, and completion of the Police Academy, students may initiate paperwork with the Police Academy Coordinator or the Department Chair of Criminal Justice to articulate credit towards a Criminal Justice certificate or associates degree.
Courses that will be awarded through the articulation process are CJLE 2420, CJLE 2421, and CJLE 2522.
All in-service courses are accredited by TCOLE and are offered year-round through the Navarro College Police Academy.

COURSES THAT WILL BE AWARDED THROUGH THE ARTICULATION PROCESS

OVERVIEW

The Occupations
Law Enforcement Officer, Dispatchers, Probation/Parole Officer, Case Managers, Security Guard, Detective, Correctional Officer, Airport Security, Court Mediator
About the Occupations
Police officers, detectives, guards and correctional officers are employed to help safeguard lives and property. They enforce the laws and regulations that protect individuals' safety and constitutional rights. The main goal is protection and service to the community. Responsibilities range from controlling traffic and helping to prevent crimes to investigating and arresting suspects. A few officers join specialized units that assist in crime fighting and apprehension of criminals.
Private police duties vary with the service provided by their employer. In airports, they help protect the safety of the traveling public and search for contraband. In retail stores, they often work undercover. In buildings and banks, guards help protect employees, merchandise and money.
Corrections officers provide direct supervision of incarcerated people while awaiting trial. They help maintain order, enforce regulations, supervise programs, or work assignments and help maintain the security and safety of other officers and detainees.
Probation and parole officers, case managers, and counselors assist offenders, both in the community and those who are incarcerated offenders, by identifying problem areas and developing plans of action to assist the person in working toward becoming a productive law-abiding citizen. They make court recommendations, prepare sentencing assessments, and provide services for inmates, offenders, and their families.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

Notice to Students Regarding Licensing - Paramedic
Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements.
https://www.dshs.texas.gov/emstraumasystems/qicriminal.shtm
Should you wish to request a review of the impact of criminal history on your potential Paramedic License prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation."
https://www.dshs.texas.gov/emstraumasystems/qicriminal.shtm
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

EMERGENCY MEDICAL SERVICES

OVERVIEW

The Occupations
EMT-Basic, EMS-Paramedic
About The Occupations
EMT-Basic and EMT-Paramedics are highly trained and skilled medical professionals who are educated to carry out some of the duties of a physician. EMT-Basics and EMT- Paramedics can examine, evaluate, and treat patients with equipment and medications usually only found in the emergency department of a hospital. EMT-Basic/EMS-Paramedics are typically utilized as emergency care practitioners on ambulances or on first-response emergency vehicles but their scope is rapidly expanding to many other areas. Some of these include industry, elementary and high schools, colleges, hospitals, and doctor's offices. More challenging and higher paid positions include working in specialty areas such as a cruise ship medical department, off-shore oil drilling platforms, helicopter or fixed wing medical transport and hyperbaric oxygen chambers. Often the EMT-Basic or EMT-Paramedic is the sole or highest trained medical provider in these areas.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT	
Employers	• EMS providers • Fire Departments • Industrial manufacturing plants • Hospital Clinics • Offshore oil drilling platforms • Air Medical/Helicopter
Typical Schedule	• 40-48 hour workweek normal • Shift work normal • Overtime normal
Tools and Equipment	• Ambulance • EKG monitor, Pulse ox monitor, Stretcher
WORKER PORTRAIT	
Skills and Aptitudes	• Communications • Critical Thinking • Team player • Ability to remain calm in emergency situations • Ability to make quick decisions • Physically fit • Good mechanical aptitude • Ability to administer emergency medical procedures • Good judgment • Ability to take the initiative • Leadership
Interests	• Not adverse to risk-taking • Motivated to take responsibility • Desire to serve the general public

OUTLOOK	OCCUPATION
Stable	EMT-Basic
Favorable	EMS Paramedic

POSITION	SALARY (PER YEAR)
EMT-Basic	Varies
EMS Paramedic	$19,000 - $48,000

(Note: Individual earnings may vary based upon the job set- ting and position. These are ranges, not guarantees of earnings.) Sources of occupational information include the Bureau of Labor Elementary Statistical Methods, Occupational Outlook Handbook, and Americas Career Information Net.

The Emergency Medical Services (EMS) curriculum includes a combination of class lectures, skills, and clinical hours in the hospital and the ambulance. Navarro College's EMS programs meet Texas Department of State Health Services (TDSHS) and The National Registry of EMT requires for certification eligibility. Upon successful completion of the emergency medical technology services programs (EMT and Paramedic certificates and Paramedic AAS degree) students must be eligible to challenge TDSHS required national Register of EMT certification examination. A criminal background check and a drug screening is required of all Protective Services students enrolling in programs. An applicant convicted of a felony and/or misdemeanor offense may or may not be eligible for participation and/or state certification. Any applicant who has drug screening returned as questionable or positive, must follow the program's policies of speaking with a Medical Review Officer and may or may not be dismissed from the program.

The Navarro College EMS program is accredited by:
Texas Department of State Health Services EMS and Trauma Systems
1100 West 49th Street

Austin, TX 78765-3199
Office Telephone: (512) 458-7111
The Navarro College Paramedic program is accredited by TDSHS and by:
Committee on Accreditation of Allied Health Education Programs (CAAHEP), through the Committee on Accreditation of Educational Programs for the EMS Professions (CoAEMSP).
8301 Lakeview Parkway, Suite 111-312
Rowlett, Texas 75088
Office Telephone: (214) 703-8445
Fax: (214) 4703-8992

A criminal background check and a drug screening are required of all Protective Services students enrolling in programs. A student convicted of a felony and/or misdemeanor offense may or may not be eligible for participation and/or state certification. Any student who has a positive drug screening must follow the policies of speaking with a Medical Review Officer and may, or may not, be dismissed from the program.
Students pursing the Paramedic program should check with Financial Aid regarding details of Aid for mini semester classes. Program registration requirements, length, and mandatory uniforms can be obtained from the College's website or the Protective Services Office.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

FIRE SCIENCE PROTECTION TECHNOLOGY

BASIC FIREFIGHTER CERTIFICATE COMPLETION PLAN

PROGRAM INFORMATION: This certificate program was developed to help prepare students for a career as a professional firefighter. The Navarro College Fire Academy meets the curriculum requirements for certification as a basic firefighter for the State of Texas through the Texas Commission on Fire Protection.

Notice to Students Regarding Licensing - Fire
Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements. http://www.tcfp.texas.gov/certification/basic_certification/basic_certification-overview.asp
Should you wish to request a review of the impact of criminal history on your potential Fire Suppression Certification prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation." http://www.tcfp.texas.gov/certification/basic_certification/basic_certification-step_5.asp
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

REQUIRED COURSES -

Note: Night students take two semesters to complete.

A criminal background check and a drug screening are required of all Protective Services students enrolling in programs. A student convicted of a felony and/or misdemeanor offense may or may not be eligible for participation and/or state certification. Any student who has a positive drug screening must follow the policies of speaking with a Medical Review Officer and may, or may not, be dismissed from the program.
Students pursuing the Fire Academy should check with Financial Aid regarding details of Aid for all seven classes of the Academy. Program registration requirements, length, and mandatory uniform information can be obtained from the College's website or the Protective Services Office.

FIRE SCIENCE PROTECTION TECHNOLOGY

OVERVIEW

The Occupations
Firefighter, Fire Inspector, Fire Chief
About The Occupations
Firefighters respond to a variety of emergency situations in which life, property, or the environment are at risk, such as residential structures and businesses. Firefighters are frequently the first emergency response team at the scene of an accident. They help protect the public against these dangers. Today, firefighters respond to medical emergencies, and their departments require them to have training in medical emergency procedures. Firefighting is dangerous and complex work, which requires the firefighters to work as teams.
Firefighters must respond immediately to emergencies, and each situation presents a unique and challenging experience. Superior officers, such as a captain or chief, guide firefighting teams to accomplish specific duties. Today, firefighters assume a wider range of responsibilities, which require the utilization of sophisticated equipment. They can expect to operate a pump, position ladders, and connect hose lines to hydrants. In many cases, the firefighters will change duties several times at an emergency scene. Ambulances, fireboats, and emergency rescue vehicles may be operated by some firefighters.
Fire stations have dining and sleeping quarters to allow the firefighters to respond to emergencies 24-hours a day. Between emergency responses, the firefighters conduct practice drills, clean and maintain equipment, participate in classroom training, conduct fire inspections, conduct demonstrations to the public, participate in fitness training, check building plans, and inspect fire escapes. Firefighting is hazardous work resulting in environments where floors suddenly cave in, walls topple, and there is exposure to gases, chemicals, and smoke. Firefighters face dangerous situations where injury and death are a risk.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT	
Employers	• Municipal fire departments • Industrial manufacturing plants • Government agencies • Forest protection agencies
Typical Schedule	• Shift work normal; 24 hours on duty • Overtime normal • Tools and Equipment:

	• Protective clothing • Building and fire codes • Chemicals to put out fires • Emergency rescue vehicles • Firefighting apparatuses
Tools and Equipment	
WORKER PORTRAIT	
Skills and Aptitudes	• Decisive • Leadership • Communications • Team player • Ability to remain calm in emergency situations • Ability to make quick decisions • Physically fit • Good mechanical aptitude • Ability to administer emergency medical procedures • Sound judgment • Ability to take the initiative • Critical Thinking
Interests	• Not adverse to risk-taking • Motivated to take responsibility • Desire to serve the general public

This is a sample degree plan; students should consult catalog of senior institution they plan to attend since some requirements vary. Counselors are available to assist in this matter.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

GENERAL STUDIES – AS DEGREE PLAN

PROGRAM INFORMATION: The transfer curriculum shown below is designed for students who have not yet declared a major and who plan to transfer to a senior college or university after completing their studies at Navarro College. Upon successful completion of the courses shown, the student will graduate with an Associate of Science in General Studies degree. If a student elects not to follow the recommended sequence, a counselor will help the student select the courses needed to reach his or her educational goals.

FRESHMAN YEAR - FALL

Students must complete 16 credit hours of electives for an Associate of Science in General Studies degree.

HEALTH PROFESSIONS

HEALTH PROFESSIONS

OVERVIEW

The Occupations
Registered Nurse (ADN), LVN – RN Bridge, Licensed Vocational Nurse, AS in Pre-Bachelor of Science in Nursing, Medical Laboratory Technology, Occupational Therapy Assistant, Physical Therapist Assistant, BSN
About The Occupations
Health Professions offers many exciting and rewarding career opportunities. At Navarro College, we provide students with several avenues to assist in their pursuit of a career in health professions. Nurses, both RNs and LVNs, make up the largest portion of health care providers. The demand for nurses is expected to grow faster than the average for all other occupations. Nurses holding a Bachelor of Science in Nursing (BSN) degree often work directly with patients in important clinical care settings. RNs holding a BSN may qualify for managerial and leadership positions and are typically preferred in advanced specializations such as public health nursing, nursing forensics, nurse education, research, case management, and more. RNs provide direct patient care, assist physicians with procedures, and provide supervision for other health care workers. LVNs provide basic bedside care, perform procedures and treatments, assist RNs and physicians in providing care and treatments, perform procedures in physicians' offices, and may provide supervision for nursing assistants and aides in long-term care facilities.
Medical Laboratory Technicians (MLTs) play a crucial role in the detection, diagnosis, and treatment of disease. They examine and analyze body fluids and cells. They examine specimens for bacteria, parasites or other micro-organisms; analyze the chemical content of fluids; match blood for transfusions, and test for drug levels in the blood. The MLT field is rated in the top 20 best jobs.
Occupational Therapy Assistants and Physical Therapist Assistants may work with individuals who seek to maximize the functional areas of their lives or are limited by physical disease or injury, psychological or social dysfunction, developmental or learning disabilities, or other disorders, trauma, or conditions.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

LVN TO RN BRIDGE OPTION- AAS DEGREE PLAN

PROGRAM INFORMATION: A mobility curriculum with summer bridge courses that can allow LVNs to “bridge” the gap between the Vocational Nursing Program and the second year of the Associate Degree Nursing Program. This one-year curriculum completes the 60 hours required for an Associate in Applied Science Degree (AAS ADN Bridge). LVNs must have 6+ work experience in a nursing facility, must satisfy all of the general education requirements of the first year of the ADN program as well as meet other specific program admission requirements. Upon successful completion of the bridging courses, the student is eligible for entry into the sophomore year of the Associate Degree Nursing Program. Applications to the program are available on-line and at nursing information sessions. All students wishing to apply to the program must attend an information session. Information session dates are posted on the Navarro College Web site in the Fall. ACCEPTANCE TO NAVARRO COLLEGE DOES NOT GUARANTEE ADMISSION TO THE LVN TO RN BRIDGE OPTION. (See Associate Degree Nursing Program information for admission, licensure and accreditation information).

Notice to Students Regarding Licensing - LVN to RN Bridge Program
Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion.
The following website provides links to information about the licensing process and requirements. http://www.bne.state.tx.us/licensure_eligibility.asp.
Should you wish to request a review of the impact of criminal history on your potential LVN License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.”
http://www.bne.state.tx.us/enlcnotice.asp
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense.
Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern

Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

LICENSED VOCATIONAL NURSING CERTIFICATE

PROGRAM INFORMATION: The 12-month curriculum in vocational nursing leads to a Certificate of Completion and helps prepare graduates to take the National Council Licensure Examination for Practical Nurses. Successful completion of the examination will allow graduates to practice as a Licensed Vocational Nurse in Texas. The curriculum is approved by the Texas Board of Nursing (BON), 333 Guadalupe #3-460, Austin, TX 78701, (512) 305-7400 and the Texas Higher Education Coordinating Board. The vocational nurse graduate is prepared to provide bedside nursing care including administration of medications and procedures requiring technical skills. The nursing curriculum includes on-campus coursework and clinical experiences in health care agencies.

Admission to the Vocational Nursing program is a separate procedure from admission to Navarro College. Applicants must first meet all admission criteria for Navarro College. Prospective students are also required to attend an information session. These sessions are conducted at various times from September to February. Students are required to take the TEAS test and score at or above the national mean for the reading section. This entrance exam must be taken during the application year. Applicants are ranked according to test scores, health care certification, and completion of non-required college courses. Criminal history checks and drug screens are required components of the Vocational Nursing Program. *Acceptance to Navarro College does not guarantee admission to the Licensed Vocational Nursing program.* The Licensed Vocational Nursing program is only available on the Corsicana, Waxahachie, and Mexia campuses.

INFORMATION REGARDING ELIGIBILITY FOR LVN LICENSE: The Texas Board of Nursing has mandated that applicants for licensure as Licensed Vocational Nurses must meet eligibility requirements. Prospective nursing students with a criminal conviction, mental illness, and/or substance/alcohol abuse or dependency may not meet eligibility requirements. The Texas Board of Nursing (BON) provides individuals the opportunity to petition for a Declaratory Order of Eligibility. If the applicant is aware of a past criminal offense, he/she should be prepared by gathering all court documents to file a Declaratory Order with the Texas Board of Nursing as advised. NOTE: A Declaratory Order does not guarantee clinical placement at health care facilities during the vocational nursing program.

Notice to Students Regarding Licensing - LVN

Effective September, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion.

The following website provides links to information about the licensing process and requirements. http://www.bne.state.tx.us/licensure_eligibility.asp

Should you wish to request a review of the impact of criminal history on your potential LVN License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.” http://www.bne.state.tx.us/enlcnotice.asp

This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense.

Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

MEDICAL LABORATORY TECHNOLOGY- AAS DEGREE PLAN

PROGRAM INFORMATION: The two-year curriculum in Medical Laboratory Technology leads to an Associate in Applied Science Degree designed to help prepare graduates for employment as a medical laboratory technician in a clinical laboratory upon successful completion of a national certification exam. Students who have completed many of the general education courses on the degree plan may be accelerated through the program. Students unable to attend full time may be accommodated.

The Medical Laboratory Technology (MLT) Program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) located at 5600 N. River Road Suite 720, Rosemont, IL 60018-5119. NAACLS phone number is (733) 714-8880. Graduates of the program are eligible to take the American Society of Clinical Pathology (ASCP) national certification examinations for medical laboratory technicians.

APPLICATION PROCESS: Students interested in the Medical Laboratory Technology Program should submit the MLT program application to the program director (address is on the application). Applications are available at the Dean of Health Professions' office, the MLT program office (Drane Hall Room 208), or at www.navarrocollege.edu on the MLT webpage. Applicants are ranked for admission based on the following: Texas Success Initiative scores, GPA, completion of science courses, completion of other college courses, and employment in a clinical laboratory or phlebotomy course completion. Proof of clear criminal history is required. ACCEPTANCE TO NAVARRO COLLEGE DOES NOT GUARANTEE ADMISSION TO THE MEDICAL LABORATORY TECHNOLOGY PROGRAM. The Medical Laboratory Technology program is only offered on the Corsicana campus.

Hepatitis B immunization, a six-month process, must be complete before patient contact, WHICH OCCURS DURING THE FRESHMAN YEAR CLINICALS. Students interested in the program should begin hepatitis B immunizations as soon as possible. Immunization information is included in the MLT application and the website.

University programs are available that accept transfer MLT courses to a Bachelor of Science (medical laboratory science) degree. Students should check with their chosen university regarding any transfer possibilities.

Notice to Students Regarding Licensing - MLT

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

OCCUPATIONAL THERAPY ASSISTANT-AAS DEGREE PLAN

PROGRAM INFORMATION: The two-year 60 hour curriculum in occupational therapy leads to an **Associate of Applied Science Degree (AAS OTA).** The program helps prepare the graduate to take the national certification examination provided by the National Board for Certification in Occupational Therapy (NBCOT) to become a Certified Occupational Therapy Assistant (COTA). Graduates must also meet licensure requirements as mandated by the Texas Board of Occupational Therapy Examiners (TBOTE) or the state in which licensure is sought. The occupational therapy assistant curriculum includes a combination on-campus coursework, online coursework, and clinical experiences in traditional and non-traditional occupational therapy settings. The curriculum is designed to meet the standards of the Accreditation Council for Occupational Therapy Education (ACOTE) located at 7501 Wisconsin Avenue, Suite 510E, Bethesda, MD, 20814. The phone number for ACOTE is (301) 652-2682(AOTA). The website for ACOTE is www.acoteonline.org. The Navarro College Occupational Therapy Assistant Program has been granted Accreditation by ACOTE.
ACCEPTANCE TO NAVARRO COLLEGE DOES NOT GUARANTEE ADMISSION TO THE OCCUPATIONAL THERAPY ASSISTANT PROGRAM. Applicants must first meet all admission criteria for Navarro College. Once enrolled in Navarro College, the student may submit an application to the OTA Program. Potential applicants are strongly encouraged to attend one of the information sessions which are conducted at various times throughout the year. Applications to the program may be obtained by attending an information session, in-person through the Health Professions Department, or by electronic download from the program webpage. **Positions in the program are limited.** Admission decisions will be made through a points system. Priority status is determined from the following data: Grades in prerequisite courses on the OTA degree plan, previous health work experience, completion of prior degree or health certification, and submission of required essay. The Occupational Therapy Assistant program is only available at the Corsicana and Midlothian locations.
Additional Program Requirements:

- All required coursework must be completed with a grade of “C” or better.
- Students will provide proof of required or state-mandated health screenings, immunizations, and CPR training. Clinical and practicum training will require drug screenings.
- Clinical and practicum training in practice settings may require extended travel (early mornings, evenings, weekends) within 60 miles of the student’s home.
- Entry into Level II Fieldwork (practicum) must occur within six months of completing academic studies. Completion of Level II fieldwork (practicum) of 16 weeks must occur within 16 months of completion of academic studies.
- The program must be completed with four (4) years of registration of the first OTHA course.
- Interruption in sequence of studies may require additional coursework to help ensure clinical readiness.

PLEASE NOTE: A felony conviction may affect a graduate’s ability to sit for the NBCOT Certification Examination and/or attain state licensure.

Notice to Students Regarding Licensing - OTA
Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements.
www.ptot.texas.gov
Should you wish to request a review of the impact of criminal history on your potential OTA License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.”
Future applicants (texas.gov)
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

PHYSICAL THERAPIST ASSISTANT- AAS DEGREE PLAN

PROGRAM INFORMATION: The two-year, 66 hour curriculum in physical therapy leads to an **Associate of Applied Science Degree (AAS, PTA).** The physical therapist assistant curriculum includes on-campus coursework and clinical experiences in traditional and non-traditional physical therapy settings. The program helps prepare the graduate to take the National Physical Therapy Examination provided by The Federation of State Board Examiners (FSBPT) to become a Physical Therapist Assistant (PTA). Graduates must also meet licensure requirements as mandated by the Executive Council on Physical Therapy Examiners for the state of Texas or the state in which licensure is sought. Graduation from a physical therapist assistant education program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, VA 22314; phone; 703-706-3245; accreditation@apta.org is necessary for eligibility to sit for the licensure examination, which is required in all states.
The Physical Therapist Assistant program at Navarro College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, Virginia 22314; telephone: 703-706-3245; email: accreditation@apta.org website: http://www.capteonline.org
Admission to the PTA program is a separate procedure from admission to Navarro College. Applicants must first meet all admission criteria for Navarro College. Once enrolled in Navarro College, the student may submit an application to the PTA Program. It is **mandatory** for potential applicants to attend one of the information sessions, which are conducted at various times throughout the year. Applications to the program may be obtained by attending an information session, in person through the Health Professions Department located on Corsicana campus or on the Midlothian campus, or by electronic download from the program web page. **Positions in the program are limited** and are a selective process. Admission decisions will be made through a points system. Priority status is determined from the following data: completion of or exemption from Texas Success Initiative (TSI) requirements, grades in non-physical therapy courses and pre-requisite courses (completed prior to the application deadline) on the PTA degree plan, previous healthcare work experience, and/or completion of a prior degree or health certification. The Physical Therapist Assistant program is only available on the Midlothian campus.

Additional Program Requirements:

- All required coursework must be completed with a grade of “C” or better.
- Students will provide proof of required or state-mandated health screenings, immunizations and CPR training. Clinical training will require drug screenings and criminal background checks.
- Entry into PTHA 2366 Practicum must occur within six months of completing academic studies.
- Interruption in sequence of studies may require additional coursework to help ensure clinical readiness.
- **PLEASE NOTE:** A felony conviction may affect a graduate’s ability to sit for the FSBPT (Federation of State Boards of Physical Therapy) and/or attain state licensure.

Notice to Students Regarding Licensing - PTA
Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements.
www.ptot.texas.gov
Should you wish to request a review of the impact of criminal history on your potential PTA License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.”
http://www.ptot.texas.gov/idl/5507F83A-E33A-9745-CF66-A40DECF58723
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

PRE-BACHELOR OF SCIENCE IN NURSING- AS DEGREE PLAN

PROGRAM INFORMATION: The transfer curriculum shown below is designed to serve as the first two years of academic studies for students who plan to pursue a bachelor's degree in nursing at a senior college or university.
Upon successful completion of the courses shown, the student will graduate with an Associate in Science Degree. If a student elects not to follow the recommended sequence, students are advised to consult a counselor for help in selecting courses needed to reach individual educational goals. In addition, students are advised to consult with the desired BSN program coordinator for degree requirements and application information.

This is a sample degree plan; students should consult catalog of senior institution they plan to attend since some requirements vary. Counselors are available to assist in this matter.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

RN TO BSN BRIDGE PROGRAM

PROGRAM INFORMATION: The RN-to-BSN program is 120 credit hours in length: up to 36 hours of nursing content transfer credits will be awarded from the Associate Degree in Nursing (ADN) or diploma program and licensure in the Texas. Students will need to complete 54 additional hours of General Education – Liberal Arts Core Curriculum and 30 hours of upper-level nursing courses for a total of 120 credit hours. The upper division courses can be completed in three semesters, Fall, Spring, and Summer. The Navarro College RN to BSN Bridge Program is approved by the Texas Board of Nursing (BON), P.O. Box 430, Austin, TX 78767, (512) 305-7400. The RN to BSN Bridge Program is approved for candidacy by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326, phone 404-975-5000, fax 404-975-5020, www.acenursing.org.
Students must complete all prerequisite courses as described in the degree plan before enrolling in the next semester. Students who have not completed designated prerequisites prior to enrolling in the nursing course will not be allowed admission into the nursing courses. A student must complete all courses within a semester before advancing to the next semester.
To be eligible to graduate with the BSN degree, students must meet the following requirements.

- Completion of all RN-to-BSN Degree Plan course requirements with a final course grade of “C” or higher for theory courses and for clinical courses.
- Completion of all Navarro College requirements for graduation.
    - Completion of ≥50% of semester credit hours of NURS degree plan courses at Navarro College
    - Approval by Program Director and Executive Dean of Health Professions for all courses taken at another college.

ADMISSION REQUIREMENTS: RN-to-BSN PROGRAM

- Applicants must be admitted to Navarro. **Admission to Navarro College does not guarantee admission to a Health Professions program.**
- Submit a completed Navarro College RN-to-BSN program application and include all required
- Have a minimum 2.0 cumulative GPA on a 4-point scale for all prerequisite general academic coursework. Offers of admission will be contingent upon all prerequisites being completed prior to the first class day.
- Have a minimum 2.5 GPA on a 4-point scale for all nursing coursework.
- Must hold an Associate Degree in nursing from a regionally accredited institution of higher education that is accredited by a national nursing accrediting agency or a diploma in nursing

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

REGISTERED NURSE ASSOCIATE DEGREE NURSING - AAS DEGREE PLAN

PROGRAM INFORMATION: The two-year 60 credit hours curriculum in nursing leads to an **Associate in Applied Science Degree (AAS-ADN)** and prepares the graduate to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Graduates must also meet legal requirements for licensure as mandated by the Texas Board of Nursing (BON) or the state in which initial licensure is sought. Successful completion of the examination will allow the graduate to practice as a registered nurse. The Navarro College Associate Degree Nursing (ADN) Program is approved by the Texas Higher Education Coordinating Board (THECB) and the Texas Board of Nursing (BON), P.O. Box 430, Austin, TX 78767, (512) 305-7400. The ADN program is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326, phone 404-975-5000, fax 404-975-5020, www.acenursing.org.
The ADN curriculum includes on-campus coursework and clinical experiences in health care agencies. Applications to the program are available on the ADN website (See Application and Forms). Students wishing to apply to the program must attend an ADN information session. To be eligible for admission, students must achieve a Total Score of 66% or greater on the TEAS. Only 2 attempts are allowed within the same admissions period (2 attempts per year).
Admission is determined by: (1) eligibility for admission according to the Texas BON; (2) a criminal background acceptable to clinical agencies; (3)meeting the minimum required score on the TEAS exam; and (4) GPA on non-RNSG ADN degree plan courses.
ACCEPTANCE TO NAVARRO COLLEGE DOES NOT GUARANTEE ADMISSION TO THE ASSOCIATE DEGREE NURSING PROGRAM. The Associate Degree Nursing program is only available at the Waxahachie location.

Additional Program Requirements

- Students must complete all theory courses on the ADN degree plan with a final grade of “C” or higher and all clinical courses with a final clinical evaluation of competent or “satisfactory” in order to pass and progress in the program and graduate. The theory ADN grading scale is: A = 90-100, B = 80-89, C = 75-79, D = 60-74, F = <60.
- Students must meet all program and clinical agency requirements including drug screens, American Heart Association Basic Life Support CPR certification, health screenings and immunizations. The Texas Department of Health Administrative Code requires that students enrolled in health-related courses in institutions of higher education with required patient contact must have specific immunizations. Applicants must show proof of the complete series of immunizations prior to final admission to the program. Any exclusion of compliance for medical contraindications or religious beliefs will be handled on an individual basis and must be submitted in writing with the application packet. Students will receive information on unanticipated requirements by email after the application is filed.

Standardized exams including comprehensive predictors of NCLEX-RN success are used throughout the program as a portion of semester grades. Students may transfer nursing courses only from a nationally accredited ADN program. BSN courses cannot transfer to the ADN program. Must have minimum required GPA 2.0. Transfer students must complete >50% of their RNSG courses at Navarro College to be granted an ADN degree from Navarro College. (Only RNSG courses, not academic courses, can be considered when calculating > 50% for the purpose of eligibility for a Navarro College ADN degree.) Students being considered for transfer into the ADN Program must meet the same ATI/Skills requirements determined for re-entry students, based on the semester the student is entering. (See Withdrawal and Re-Entry Policy) Students must complete an application for graduation during their final semester.

Information Regarding Eligibility for RN License

The Texas Board of Nursing has mandated that applicants for licensure as registered nurses meet eligibility requirements.

Notice to Students Regarding Licensing - ADN

Effective September 1st 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements http://www.bne.state.tx.us/licensure_eligibility.asp.
Should you wish to request a review of the impact of criminal history on your potential ADN License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.” http://www.bne.state.tx.us/enlcnotice.asp.
This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

All pre-requisite courses must be completed within 7 years of making application. Applications sent without the required pre-requisite will not be accepted. Any of the other Non-RNSG degree plan courses on the degree plan can be taken prior to entering the program or after admission.

FACULTY

JOHN DEERE TECH

AG MECHANIZATION TECHNOLOGY - AAS DEGREE PLAN

PROGRAM INFORMATION: The John Deere TECH program is designed to help prepare students for a career in the field of agriculture mechanization technology. The student will study the theory and practice required for employment with John Deere as agriculture technicians (ag. tech) where they will repair and maintain complex mechanized farm equipment. This is a high-tech program with limited enrollment. Students are asked to make applications to the John Deere TECH Department in early spring. They must have a John Deere sponsor for whom they will work between semesters; and they must take the TSI test and Mechanical Reasoning Tests prior to being accepted into the program. Students successfully completing the two-year program will receive an AAS Degree in Agriculture Mechanization technology and Certificates of Completion. For more information, please contact the Navarro College John Deere TECH Department.

Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ENHANCED (AGRICULTURE) TECHNICAL SKILLS CERTIFICATE COMPLETION PLAN

PROGRAM INFORMATION: The John Deere TECH program is designed to help prepare students for a career in the field of agriculture mechanization technology. The student will study the theory and practice required for employment with John Deere as agriculture technicians (ag. tech) where they will repair and maintain complex mechanized farm equipment. This is a high-tech program with limited enrollment. Students are asked to make applications to the John Deere TECH Department in early spring. They must have a John Deere sponsor for whom they will work between semesters; and they must take the TSI test and Mechanical Reasoning Tests prior to being accepted into the program. Students successfully completing the two-year program will receive an A.A.S. Degree in Agriculture Mechanization technology and Certificates of Completion. For more information, please contact the Navarro College John Deere TECH Department.
Articulated credit may be available for some courses students completed while in high school.

JOHN DEERE TECH

OVERVIEW

Agriculture Mechanization

The Occupations

Service Technician, Shop Foreman, Service Manager, Customer Service Representative

About The Occupations

The technical revolution in the agricultural tractor and equipment industry has quickly changed the way service technicians perform their jobs. The rapid spread of the use of electronics and hydraulics in the industry has created a demand for technicians who are technically and academically prepared. Technicians must be prepared for updated training on new machines as they are introduced. John Deere dealers need technicians who understand good work ethics and are willing to accept change. The service department at most dealerships of today is responsible for the repair and maintenance on all equipment sold at that dealership. The success of any dealership depends on the efficiency of the service department employees. Service technicians perform assigned set-up, repair, and warranty jobs on agricultural machines, old and new. This work may be performed at the dealership or in the field. Shop foremen, depending on the structure of the service department, may schedule service jobs for service technicians or work as a technician while assisting other technicians in the service department. Managerial positions are open to individuals who develop the technical, organizational, communication, and social skills necessary to represent the dealership in a managerial position in the service department. Many dealerships also employ a customer service representative to promote the dealership with current and prospective customer interaction.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT	
Employers	John Deere dealerships provide an excellent opportunity to continue employment after graduation because students perform a paid internship at a sponsoring John Deere dealership as part of the degree program. Graduates from this program typically work for John Deere dealerships but may also be employed by other agricultural equipment companies. Labor market Elementary Statistical Methods show an increasing demand for diesel mechanics.
Typical Schedule	• 40-hour work week is normal • Overtime during the crop-growing seasons
Tools and Equipment	Micrometers, dial indicators, hoists, flow meters, multimeters, laptop computers, lift trucks, cutting torches, and John Deere special tools necessary to perform service on equipment scheduled for repair.
WORKER PORTRAIT	
Skills and Aptitudes	• Demonstrates dependable and responsible attitude • Works well under pressure • Communicates well • Concentrates despite distractions • Demonstrates good judgment and common sense • Understands what “doing the job right” means
Interests	• Likes to work with hands • Enjoys helping people in need • Interested in working on a variety of products • Enjoys a variety of inside and outside work
OUTLOOK	**OCCUPATION**
Excellent	Service Technician

Excellent	Shop Foreman
Excellent	Service Manager
POSITION	SALARY (PER YEAR)
Service Technician	Salaries depend on position region of state and nation
Shop Foreman	Salaries depend on position region of state and nation
Service Manager	Salaries depend on position region of state and nation

(Note: Individual earnings may vary based upon the job setting and position. These are ranges not guarantees of earnings.)

FACULTY

PARALEGAL STUDIES

PARALEGAL STUDIES

OVERVIEW

The Occupations
Legal Assistant, Paralegal
About the Occupations
The terms “legal assistant” and “paralegal” are used inter- changeably to denote a person who assists licensed attorneys in the delivery of legal services. In this occupation, paralegal/legal assistants perform many of the same tasks as lawyers under their direct supervision. Paralegals generally work for one law firm or sole practitioner, but they may also provide their services to licensed attorneys on a contract basis as a freelance paralegal. In either case, legal assistants may assume a variety of responsibilities, such as drafting legal documents, conducting legal research to ascertain the applicable law in a given case, and investigating the facts of cases.
A career as a paralegal also provides diverse employment settings. In addition to having the option to work for small, medium, or large law firms, legal assistants may work for corporations assisting attorneys with such tasks as drafting employee contracts, maintaining corporate minute books, or preparing annual financial reports. Other paralegal assistants may work for the state or federal government in one of their numerous administrative agencies performing a variety of duties. When assigned a legal problem on which to work, legal assistants must be able to communicate their findings to their supervising attorney(s), both orally and in writing. In order to do this effectively, paralegal assistants must not only understand legal terminology and have good research and investigative skills, but also must have excellent communication skills. Proficiency in the operation of computers in legal research and litigation is also essential. As legal assistants gain experience they are usually delegated increasingly challenging tasks, and can be a great asset to their employers. The paralegal occupation provides virtually unlimited opportunities to self-motivated people who recognize the importance of details, are able to work under pressure, and will abide by the strict rules of ethics and confidentiality of the legal profession.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

FACULTY

PARALEGAL STUDIES - AAS DEGREE PLAN

PROGRAM INFORMATION: The paralegal studies program is designed to help prepare a person to perform duties requiring knowledge of both substantive and procedural law under the direct supervision of a licensed attorney, or to perform duties for corporation and other employers that benefit from the ability to gather and organize information and to understand legal issues. An Associate of Applied Science Degree is awarded upon successful completion of this two-year program. The program curriculum is designed to provide students with the knowledge, skills, values and attitudes they need to become competent and ethical professional paralegals.

PARALEGAL STUDIES CERTIFICATE COMPLETION PLAN

PROGRAM INFORMATION: The paralegal studies certificate is designed to enable a person, working under the direct supervision of a licensed attorney, to assist a sole practitioner or a law firm with the performance of duties requiring knowledge of substantive and procedural law. A Certificate of Completion is awarded to the student upon successful completion of this one-year program.
The program curriculum is designed to help provide students with the knowledge, skills, values and attitudes they need to become competent and ethical professional paralegals.

PARALEGAL STUDIES WITH CRIMINAL JUSTICE EMPHASIS - AAS DEGREE PLAN

PROGRAM INFORMATION: The A.A.S. Paralegal Studies with Criminal Justice Emphasis degree is designed to help prepare a person to perform duties requiring a knowledge of substantive and procedural law under the direct supervision of a licensed attorney, or to perform duties for government agencies, courts or other employers that benefit from the paralegal's ability to gather and organize information and to understand legal issues. The criminal justice emphasis allows the student to focus on criminal law and is specifically designed to help prepare the student for paralegal work in a law firm specializing in criminal defense, a public defender's office, a prosecutor's office, a probation department, court or other government agency that would benefit from the paralegal's knowledge of criminal law and procedure.

PETROLEUM TECHNOLOGY

OVERVIEW

The recent oil and gas boom throughout Texas, nationally, and internationally, has resulted in increased demand for workers to fill lease operator and related positions. However, companies in the oil and gas industry report condensable difficulty recruiting qualified individuals to fill open positions (lease operators) in the industry. According to the company personnel, this trend in industry growth and personnel shortage is expected to continue. Competition for qualified workers will continue to increase especially in rural counties where oil and natural gas production is growing. Industry partners such as Encana Oil, and XTO Energy have teamed up for employment in these counties and throughout Texas.
Industry partners, oil and gas companies, indicate that starting salaries range from the upper $40,000 to $60,000 annually.
Navarro College has instituted an oil and gas education training program that includes a two-year Associate in Applied Science Degree and one-year Certificate program. The two-year Associate Degree includes specific technology related courses and academic courses. The one-year Certificate program focuses only on the oil and gas technology courses and does not include English, Basic Mathematics, History, Government, and similar courses.
Graduates from these programs will be responsible for operating oil and gas wells, pipelines, and gas plants. They will be required to perform basic maintenance and equipment repair. They must ensure that all regulatory and environmental standards are strictly adhered to and appropriate records are maintained.
Both the Associate Degree program and the Certificate program require graduates to complete an intern program prior to graduation. Some companies only accept graduates with an Associate Degree, while other will accept graduates from the certificate program. The intern program requires the student to compete direct work in the industry with reports of the work accomplished being submitted by both the student and the sponsoring company supervisor. Two credit hours of academic credit are awarded for the intern work. Several intern positions are paid positions from the sponsoring companies.
In addition to the oil and gas certificate program, Navarro College has instituted a Certificate program in Automation that concentrates on the electronics measurement aspects of the oil and gas industry. The Automation Certificate program is a one-year certificate with many of its courses also being available to students in the basic oil and gas programs.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern

Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

FACULTY

PETROLEUM TECHNOLOGY – AAS DEGREE PLAN

PROGRAM INFORMATION: The Petroleum Technology Degree will help prepare students for careers in the oil and gas industry where they will perform the duties of lease operators and function as a member of oil and/or gas production team. Graduates from the program will be responsible for ensuring that oil and natural gas well-flow rate and product quality is maintained at optimal levels. They will be required to perform basic maintenance and equipment repair. Through leading by example, employees are expected to lead, guide and train other lease operators. They must ensure that all regulatory and environmental standards are strictly adhered to and appropriate records are maintained.

Program Demand and Occupational Need: Employers in the oil and gas industry report considerable difficulty recruiting qualified individuals to fill open positions. This is partly attributable to characteristics of the industry. The oil and gas boom has resulted in increased demand for workers in this and related positions. According to employers, this trend is expected to continue. Competition for qualified workers continues to increase, especially in the rural counties of Limestone, Freestone, and Leon, where natural gas production is booming. EnCana Oil and XTO Energy have asked Navarro College to implement an oil and gas production training program to train workers for employment in these counties. Other companies including Marathon are also interested in employing graduates from the program.
Industry partners, oil and gas companies, indicate that starting salaries range from upper $40,000 to $60,000 annually.
Curriculum: The certificate program requires students complete 40 semester hours that includes technical courses from the Workforce Education Course Manual.
A cooperative education class is used to verify workplace competencies. Students successfully completing the program will be awarded an oil and gas production technology certificate.

SOCIOLOGY - AS DEGREE PLAN

PROGRAM INFORMATION: The program outlined below has been designed for students who plan to pursue a degree in sociology at a senior college or university after completing studies at Navarro College. Upon successful completion of the courses shown, the student will graduate from Navarro with an Associate in Science Degree. If a student elects not to follow the recommended sequence, a counselor will help the student select courses needed to reach his or her educational goals.

WELDING

OVERVIEW

The Occupations

Welder (combination, production, and manufacturing), Welder helpers, cutters

About the Occupations

Welding is the most common way of permanently joining metal parts. In this process, heat is applied to metal pieces, melting and fusing them to form a permanent bond. Because of its strength, welding is used in ship building, automobile manufacturing and repair, aerospace applications, and thousands of other manufacturing activities. Welding also is used to join steel beams in the construction of building, bridges, and other structures and to join pipes in pipelines, power plants, and refineries.

Welders work in a wide variety of industries, from car racing to manufacturing. The work that welders do and the equipment they use vary with the industry. Arc welding, the most common type of welding today, uses electrical currents to create heat and bond metals- together- but there are more than 100 different processes that a welder can use. The type of weld normally is determined by the types of metals being joined and the conditions under which the welding is to take place.

Cutters use heat to cut and trim metal objects to specific dimensions. The work of arm plasma, and oxy-gas cutters is closely related to that of welders. However, instead of joining metals, cutters use the heat from an electric arc, a stream of ionized gas called plasma, or burning gases to cut and trim metal objects to specific dimensions. Cutters also dismantle large objects, such as ships, railroad cars, automobiles, buildings, and aircraft. Sine operate and monitor cutting machines similar to those used by welding machine operators.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

CAREER OUTLOOK

WORK ENVIRONMENT	
Employers	• Manufacturing • Construction • Other Services (except public administration) • Wholesale Trade Welders and cutters may work outdoors, often in inclement weather, or indoors, sometimes in a confined area designed to contain sparks and glare. When working outdoors, they may work on scaffold or platform high off the ground. In addition, they may have to life heavy objects and work in awkward positions while bending, stooping, or standing to work overhead.
Typical Schedule	Most welders and cutters work full time, and overtime is common. Many manufacturing firms have two or three 8- to 12-hour shifts each day, allowing the firm to continue production around the clock if needed. As a result, welders and cutters may work evenings and weekends.
Tools and Equipment	Welders and cutters are often exposed to number of hazards, including very hot materials and the intense light created by the arc. They wear safety shoes, heat-resistant gloves, goggles, masks, with protective lenses, and other equipment to prevent burns and eye injuries and to protect them from falling objects. The Occupational Safety and Health Administration requires that welders work in safely ventilated areas in order to avoid danger from inhaling gases and fine particles that can result from welding processes. Because of these hazards, welding and cutting workers have a rate of injuries and illnesses that is higher than the national average. However, they can minimize injuries if they follow safety procedures.
WORKER PORTRAIT	
Skills and Aptitudes	• Work well independently and with others • Detail orientated • Creative • Works well under pressure • Patience • Tentative

WELDING TECHNOLOGY – AAS DEGREE PLAN

PROGRAM INFORMATION: The AAS degree in Welding Technology is an expansion of the Welding Certificate initiated in 2009. The AAS degree is designed to enhance knowledge and skills, as well as provide opportunities for students wishing to go on to pursue a four-year BAAS degree in related fields. This program will prepare students for Welding careers in general fabrication shops, construction, and pipe welding by providing instruction and hands-on experience in welding layout, and fitting skills. Welding practices and principles will guide students in multiple welding processes. Students will develop a strong working knowledge of all arc welding processes, and proficiency in oxy/fuel and plasma torch cutting processes.
ADDITIONAL INFORMATION: The Navarro College Welding Program is offered at the Corsicana campus. In addition, dual credit is available to high school students participating in Welding programs at eligible high schools in the Navarro College service area.
For additional information contact the Dean of Business, Professional and Technical at (903) 875-7572.

COURSES

ACCOUNTING

ACCT 2301 PRINCIPLES OF FINANCIAL ACCOUNTING

3 lec/1 lab (3 Cr.) This course is an introduction to the fundamental concepts of financial accounting as prescribed by U.S. generally accepted accounting principles (GAAP) as applied to transactions and events that affect business organizations. Students will examine the procedures and systems to accumulate, analyze, measure, and record financial transactions. Students will use recorded financial information to prepare a balance sheet, income statement, statement of cash flows, and statement of shareholders' equity to communicate the business entity's results of operations and financial position to users of financial information who are external to the company. Students will study the nature of assets, liabilities, and owners' equity while learning to use reported financial information for purposes of making decisions about the company. Students will be exposed to International Financial Reporting Standards (IRFS). Recommended co-requisite: MATH 1324 - Mathematics for Business & Social Sciences

Credits
3
Course Fee
If applicable: Internet course fee: $43

ACCT 2302 PRINCIPLES OF MANAGERIAL ACCOUNTING

3 lec/1 lab (3 Cr.) This course is an introduction to the fundamental concepts of managerial accounting appropriate for all organizations. Students will study information from the entity's accounting system relevant to decisions made by internal managers, as distinguished from information relevant to users who are external to the company. The emphasis is on the identification and assignment of product costs, operational budgeting and planning, cost control, and management decision making. Topics include product costing methodologies, cost behavioral, operational and capital budgeting, and performance evaluations. Prerequisite: ACCT2301 - Principles of Financial Accounting

Credits
3
Distribution
ACCT
Course Fee
If applicable: Internet course fee: $43

ACNT 1303 INTRODUCTION TO ACCOUNTING I

2 lec/3 lab (3 Cr.) A study of analyzing, classifying, and recording business transactions in a manual and computerized environment. Emphasis on understanding the complete accounting cycle and preparing financial statements, bank reconciliations, and payroll.

Credits
3
Distribution
ACCT
Course Fee
If applicable: Internet course fee: $43

ACNT 1304 INTRODUCTION TO ACCOUNTING II

2 lec/3 lab (3 Cr.) A study of accounting for merchandising,notes payable, notes receivable, valuation of receivables and equipment, and valuation of inventories in a manual and computerized environment. Prerequisite: ACNT 1303 or program coordinator approval.

Credits
3
Distribution
ACCT
Course Fee
If applicable: Internet course fee: $43, Lab fee: $14

ACNT 1305 FORENSIC ACCOUNTING

3 lec (3 Cr.) Accounting fraud and examination designed to provide a basic understanding of the impact that fraud has on an organization. Prerequisite ACNT 1303 ACCT 2301 or program coordinator approval.

Credits
3
Distribution
ACNT
Course Fee
If applicable: Internet course fee: $43, Lab fee: $14

ACNT 1311 INTRODUCTION TO COMPUTERIZED ACCOUNTING

3 lec /1 lab (3 Cr.) Introduction to utilizing the computer in maintaining accounting records with primary emphasis on a general ledger package. Prerequisite: ACNT 1303 or ACCT 2301 or Accounting Department Chair approval.

Credits
3
Distribution
ACNT
Course Fee
If applicable: Internet course fee: $43, Lab fee: $14

ACNT 1329 PAYROLL & BUSINESS TAX ACCOUNT

3 lec/1 lab (3 Cr.) A study of payroll procedures, taxing entities, and reporting requirements of local, state, and federal taxing authorities in a manual and computerized environment. Prerequisite ACNT 1303 or program coordinator approval.

Credits
3
Distribution
ACCT
Course Fee
If applicable: Internet course fee: $43, Lab fee: $14

ACNT 1331 FEDERAL INCOME TAX: INDIVIDUAL

3 lec/1 lab (3 Cr.) A study of the federal tax law for preparation of individual income tax returns.

Credits
3
Distribution
ACCT
Course Fee
If applicable: Internet course fee: $43

ACNT 1368 PRACTICUM-ACCOUNTING TECHNOLOGY/TECHNICIAN AND BOOKKEEPING

21 external learning experience (3 Cr.) Practical, general workplace training supported by an individualized learning plan enveloped by the employer, college, and student. Practicum must be taken in degree plan sequence and requires 336 hours (21 hours per week) of workplace training. Contact accounting program coordinator the semester prior to enrolling.

Credits
3
Distribution
ACCT

ACNT 2302 ACCOUNTING CAPSTONE

2 lec/3 lab (3 Cr.) Allows students to apply broad knowledge of accounting profession through discipline specific projects involving the integration of individuals and teams performing activities to simulate workplace situations. Capstone must be taken in degree plan sequence. Contact accounting program coordinator prior to enrolling.

Credits
3
Distribution
ACCT
Course Fee
If applicable: Internet course fee: $43, Lab fee: $14

ACNT 2332 ACCOUNTING INFORMATION SYSTEMS

3 lec/1 lab (3 cr) A study of accounting information systems and related subsystems, including data collection, security, retrieval, manipulation, filtering and sorting of data.
Prerequisite: ACNT 1303, ACNT 1304, COSC 1301

Credits
3
Distribution
ACNT
Course Fee
If applicable: Internet course fee: $43, Lab fee: $14

HAMG 1324 HOSPITALITY HUMAN RESOURCE MANAGEMENT

3 lec (3 cr) A study of the principles and procedures of managing people in the hospitality workplace.
Credits
3

Distribution
Hospitality

Course Fee
Internet course fee (if applicable) $43

HAMG 1340 HOSPITALITY LEGAL ISSUES

3 lec (3 cr) A course in the legal and regulatory requirements that impact the hospitality industry. Topics include Occupational Safety and Health Administration (OSHA), labor regulations, tax laws, tip reporting, franchise regulations, and product liability laws. The student will explain the basic legal principles governing the hospitality industry; describe guest relationships; list and explain the various laws governing the hospitality industry; and explain the legal environment in which hotels and restaurants must exist.

Credits
3

Distribution
Hospitality

Course Fee
Internet course fee (if applicable) $43

HAMG 1342 GUEST ROOM MANAGEMENT

3 lec (3 cr) A study of the working relationship among housekeeping, front office, and maintenance in the lodging industry.

Distribution
HAMG

Course Fee
Internet course fee (if applicable) $43

HAMG 2307 HOSPITALITY MARKETING AND SALES

3 lec (3 cr) Identification of the core principles of marketing and their impact on the hospitality industry.

Distribution
HAMG

Course Fee
Internet course fee (if applicable) $43

HAMG 2332 HOSPITALITY FINANCIAL MANAGEMENT

3 lec (3 cr) Methods and application of financial management within the hospitality industry. Primary emphasis on sales accountability, internal controls, and report analysis.

Distribution
HAMG

HAMG 2337 HOSPITALITY FACILITIES MANAGEMENT

3 lec (3 cr) Identification of building systems, facilities management, security and safety procedures.

Distribution
HAMG

Course Fee
Internet course fee (if applicable) $43

HAMG 2388 INTERNSHIP (HOSPITALITY ADMIN/MGMT., GENERAL)

(3 SCH) A work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer. Students enrolled must perform and apply various hospitality and/or management duties in the field. The student's internship objectives and project will be established by the instructor and employer supervisor. This may be a paid or unpaid experience. The student is required to attend one-hour classroom instruction weekly. Final report and exit exam are required. The internship course is a capstone course and required for program completion. Prerequisite(s): Program Coordinator approval. External Hours: 15 per week

Internet course fee (if applicable) $43

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

BUSINESS INFORMATION TECHNOLOGY

HITT 1305 MEDICAL TERMINOLOGY

2 lec/3 lab (3 Cr.) Study of medical terms through word origin and structure. Introduction to abbreviations and symbols, surgical and diagnostic procedures, and medical specialties.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

HITT 2346 ADVANCED MEDICAL CODING

2 lec/3 lab (3 Cr.) Advanced concepts of ICD and CPT coding rules, conventions, and guidelines in complex case studies. Investigation of government regulations and changes in health care reporting. Prerequisite: POFM 1300.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

HPRS 1102 WELLNESS & HEALTH PROMOTION

1 lec (1 Cr.) An overview of wellness theory and its application throughout the lifespan. Focus is on attitude, development, impact of cultural beliefs, and communication of wellness. Through this study the student will define wellness and health promotion, explain personal, social, cultural, nutritional, and environmental components of wellness, correlate concepts of wellness and healthy lifestyle, and develop health promotion strategies.

Credits
1

HPRS 2232 HEALTH CARE COMMUNICATIONS

2 lec (2 Cr.) Study of methods of communication with clients, client support groups, health care professionals, and external agencies.

Credits
2

Distribution
HPRS

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

HPRS 2301 PATHOPHYSIOLOGY

3 lec (3 Cr.) Study of the pathology and general health management of disease and injuries across the lifespan. Topics include etiology, symptoms, and the physical and psychological reactions to diseases and injuries. Note: MCDA 1302 will not substitute for this course.

Credits
3

Course Fee
Internet course fee (if applicable): $43

HPRS 2321 MEDICAL LAW & ETHICS FOR HEALTH PROFESSIONALS

3 lec (3 Cr.) Principles, procedures, and regulations governing the legal and ethical relationships among physicians, patients, and health care professionals. Includes current ethical issues related to the various health care professions and patient confidentiality.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43

MDCA 1064 FIELD EXPERIENCE - MEDICAL/CLINICAL ASST

Practical, general workplace training supported by an individualized learning plan developed by the employee, college, and student.

Credits
112

Course Fee
Internet course fee (if applicable): $43

MDCA 1302 HUMAN DISEASE/PATHOPHYSIOLOGY

2 lec/2 lab (3 Cr.) A study of anatomy and physiology with emphasis on human pathophysiology including etiology, prognosis, medical treatment, signs, and symptoms of common diseases of all body systems. Note: HPRS 2301 will not substitute for this course.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43

POFI 1301 COMPUTER APPLICATIONS I

2 lec/3 lab (3 Cr.) Overview of computer applications (the Windows operating system, Microsoft Word, and Microsoft Excel) including current terminology and technology. Introduction to computer hardware, software, applications, and procedures. Prerequisite or Corequisite: POFT 1127 or POFT 1329

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFI 1341 COMPUTER APP II

2 lec/3 lab (3 Cr.) Continued study of current computer terminology and technology. Advanced skill development in computer hardware, software, applications (Microsoft PowerPoint and Microsoft Access), and procedures. Prerequisite: POFI 1301.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFI 2401 WORD PROCESSING

3 lec/3 lab (4 Cr.) Word processing software focusing on business applications. Prerequisite: POFT 1329, POFI 1301, or COSC 1301.
Credits
4

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFI 2431 DESKTOP PUBLISHING

3 lec/3 lab (4 Cr.) In-depth coverage of desktop publishing terminology, text editing, and use of design principles. Emphasis on layout techniques, graphics, multiple page displays, and business applications. Prerequisite: POFI 2401 or equivalent.
Credits
4

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFM 1300 MEDICAL CODING BASICS

2 lec/3 lab (3 Cr.) Presentation and application of basic coding rules, principles, guidelines, and conventions utilizing various coding systems. Prerequisite: HITT 1305, MDCA 1302, basic keyboarding and computer skills.
Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFM 1302 MEDICAL SOFTWARE APPLICATIONS

2 lec/4 lab (3 Cr) Medical software applications for the management and operation of health care information systems.
Credits
3

Distribution
POFM

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFM 1317 MEDICAL ADMINISTRATIVE SUPPORT

2 lec/3 lab (3 Cr.) Instruction in medical office procedures including appointment scheduling, medical records creation and maintenance, telephone communications, coding, billing, collecting, and third-party reimbursement. Prerequisite: HITT 1305 or equivalent.
Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFM 1427 MEDICAL INSURANCE

3 lec/3 lab (4 Cr.) Survey of medical insurance including the life cycle of various claim forms, terminology, patient relations, and legal ethical issues. Prerequisite: HITT 1305 or permission to enroll with department chair approval.

Credits
4

Distribution
POFM

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1127 INTRO TO KEYBOARDING

1 lec/2 lab (1 Cr.) Skills development in keyboarding techniques. Emphasis on the development of acceptable speed and accuracy.

Credits
1

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1301 BUSINESS ENGLISH

2 lec/3 lab (3 Cr.) Introduction to a practical application of basic language usage skills with emphasis on fundamentals of writing and editing for business.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1309 ADMINISTRATIVE OFFICE PROCEDURES I

2 lec/2 lab (3 Cr.) Study of current office procedures, duties, and responsibilities applicable to an office environment.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1313 PROFESSIONAL WORKFORCE PREPARATION

3 lec (3 Cr.) Preparation for career success including ethics, interpersonal relations, professional attire, and advancement.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1319 RECORDS AND INFORMATION MANAGEMENT I

2 lec/2 lab (3 Cr.) Introduction to basic records information management filing systems including manual and electronic filing.

Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1325 BUSINESS MATH USING TECHNOLOGY

2 lec/3 lab (3 Cr.) Business math problem-solving skills using office technology.
Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 1329 BEGINNING KEYBOARDING

2 lec/3 lab (3 Cr.) Skills development in keyboarding techniques. Emphasis on development of acceptable speed and accuracy levels and formatting basic documents.
Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 2312 BUSINESS CORRESPONDENCE & COMMUNICATIONS

2 lec/3 lab (3 Cr.) Development of writing and presentation skills to help produce effective business communications. Prerequisite: POFT 1301.
Credits
3

Distribution
BUSI

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

POFT 2431 ADMINISTRATIVE PROJECT SOLUTIONS

CHEMISTRY

CHEM 1405 INTRODUCTORY CHEMISTRY I

3 lec/3 lab (4 Cr.) Survey course introducing chemistry. Topics may include inorganic, organic biochemistry, food/physiological chemistry, and environmental/consumer chemistry. Emphasis on measurement, atoms, molecules, chemical bonding, types of chemical reactions, states of matter, solutions, colloids, rates of chemical reaction, chemical equilibrium, acids and bases. Designed for allied health students and for students who are not science majors. Basic laboratory experiments supporting theoretical principles and introduction of the scientific method

Distribution
CHEM

Course Fee
Lab fee: $24; Internet course fee (if applicable): $43

CHEM 1407 INTRODUCTORY CHEMISTRY II

3 lec/3 lab (4 Cr.) Survey course introducing chemistry. Topics may include inorganic/organic biochemistry, food/physiological chemistry, and environmental/consumer chemistry. Emphasis on nuclear chemistry, the study of alkanes, alkenes, alkynes, aromatic compounds, alcohols, phenols, ethers, alkyl halides, aldehydes, ketones, carboxylic acids, esters, amines, and amides. Designed for allied health students and for students who are not science majors. Basic laboratory experiments supporting theoretical principles, introduction of the scientific method, experimental design, data collection and analysis, and preparation of lab reports. Prerequisite: CHEM 1405 with grade of "C" or better. Offered Spring only.

CHEM

Course Fee
Lab fee: $24; Internet course fee (if applicable): $43

CHEM 2423 ORGANIC CHEMISTRY I

3 lec/4 lab (4 Cr.) Fundamental principles of organic chemistry will be studied, including the structure, bonding, properties, and reactivity of organic molecules; and properties and behavior of organic compounds and their derivatives. Emphasis is placed on organic synthesis and mechanisms. Includes study of covalent and ionic bonding, nomenclature, stereochemistry structure, and reactivity, reaction mechanisms, functional groups, and synthesis of simple molecules. THIS COURSE IS INTENDED FOR STUDENTS IN SCIENCE OR PRE-PROFESSIONAL PROGRAMS. Laboratory activities will reinforce fundamental principles of organic chemistry, including the structure, bonding, properties, and reactivity of organic molecules; properties and behavior of organic compounds and their derivatives. Emphasis is placed on organic synthesis and mechanisms. Includes study of covalent and ionic bonding, nomenclature, stereochemistry, structure and reactivity, reaction mechanisms, functional groups, and synthesis of simple molecules. Methods for the purification and identification of organic compounds will be examined.

COSC 1301 INTRODUCTION TO COMPUTING

3 lec/1 lab (3 Cr.) Overview of computer systems-hardware, operating systems, and microcomputer application software, including the internet, word processing, spreadsheets, presentation graphics, and databases. Current issues such as the effect of computers on society, and the history and use of computers in business, educational, and other modern settings are also studied. This course is not intended to count toward a student's major field of study in business or computer science.

Credits
3

Distribution
COSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

COSC 1436 PROGRAMMING FUNDAMENTALS I

3 lec/3 lab (4 Cr.) Introduces the fundamental concepts of structured programming and provides a comprehensive introduction to programming for computer science an technology majors. Topics include software development methodology, data types, control structures, functions, arrays, and the mechanics of running, testing, and debugging. This Course assumes computer literacy

Credits
4

Distribution
COSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

COSC 1437 PROGRAMMING FUNDAMENTALS II

3Lec/3Lab (4 Cr.) This course focuses on the object-oriented programming paradigm, emphasizing the definition and use of classes along with fundamentals of object-oriented design. The course includes basic analysis of algorithms, searching and sorting techniques, and an introduction to software engineering processes. Students will apply techniques for testing and debugging software.

Credits
4

Prerequisite
COSC 1436 - Programming Fundamentals I

Distribution
COSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

COSC 2325 COMPUTER ORGANIZATION

2 Lec/4 Lab (3 Cr) The organization of computer systems is introduced using assembly language. Topics include basic concepts of computer architecture and organization, memory hierarchy, data types, computer arithmetic, control structures, interrupt handling, instruction sets, performance metrics, and the mechanics of testing and debugging computer systems. Embedded systems and device interfacing are introduced.

Credits
3

Prerequisite
COSC 1436 - Programming Fundamentals I

Distribution
COSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

COSC 2436 PROGRAMMING FUNDAMENTALS III

3 Lec/3 Lab (4 Cr) Further applications of programming techniques, introducing the fundamental concepts of data structures and algorithms. Topics include data structures (including stacks, queues, linked lists, hash table, trees and graphs), searching, sorting, recursion and algorithmic analysis. Programs will be implemented in an appropriate object oriented language.

Credits
4
Prerequisite
COSC 1437 - Programming Fundamentals II

Distribution
COSC

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

IMED 1345 INTERACTIVE DIGITAL MEDIA I

2 Lec/4 Lab (3 Cr.) Exploration of the use of graphics and sound to create interactive digital media applications and/or animations using industry standard authoring software.
Credits
3

Distribution
IMED

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

IMED 2359 INTERACTIVE WEB ELEMENTS

2 Lec/4 Lab (3 Cr.) Production of projects using current web development tools that may incorporate dynamic data, web graphics, animation, video and audio streaming.
Credits
3

Distribution
IMED

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

INEW 1340 ASP.NET

2 Lec/4 Lab (3 Cr.) Server side web programming concepts to implement solutions for common web programming tasks. Includes Basic ASP.NET web controls, user management and authentication, state management, and development of database-driven web applications.
Credits
3

Prerequisite
ITSE 2313 - Web Authoring

Distribution
INEW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

INEW 2334 ADVANCED WEB PROGRAMMING

2 lec/4 lab (3 Cr.)Web programming using industry-standard languages and data stores.
Credits
3

Prerequisite
ITSE 2313 Web Authoring

Offered
Fall

Distribution
INEW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 1309 FUNDAMENTALS OF CLOUD COMPUTING

2 Lec/4 Lab (3 Cr) Introduction to Cloud computing from a business and technical perspective, including Cloud concepts, services, architecture, system integration, connectivity, data center migration, administration, security, compliance and technical support. Coverage includes preparation for industry certifications. Topics may adapt to changes in industry practices.

Credits
3

Prerequisite
ITNW 1325 - Fundamentals of Networking

Distribution
ITNW

Offered
Spring

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 1313 COMPUTER VIRTUALIZATION

2 Lec/4 Lab (3 Cr.) Implement and support virtualization of client servers in a networked computing environment. This course explores installation, configuration, and management of computer virtualization workstation and servers.

Credits
3

Distribution
ITNW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable) $43

ITNW 1325 FUNDAMENTALS OF NETWORKING TECHNOLOGIES

2 lec/4 lab (3 Cr.) Instruction in networking technologies and their implementation. Topics include the OSI reference model, network protocols, transmission media, and networking hardware and software.

Credits
3

Distribution
ITNW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable) $43

ITNW 1335 INFORMATION STORAGE & MANAGEMENT

2 Lec/4 Lab (3 Cr.) An introduction to date storage-related technologies. Topics include data storage for cloud, Big Data, mobile, social media, and software-defined data centers. Provides a strong understanding of storage technologies and prepares students for advanced concepts, technologies, and processes.
Prerequisite: ITNW 1325

Credits
3

Prerequisite
ITNW 1325 - Fundamentals of Networking

Distribution
ITNW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable) $43

ITNW 1336 CLOUD DEPLOYMENT AND INFRASTRUCTURE

2Lec/4Lab (3 Cr) Focus on Cloud infrastructure,deployment, security models, and key considerations in migrating to Cloud computing. Includes the technologies and processes required to build on premise and Cloud environments, including computation, storage, networking, virtualization, business continuity, security, and management.

Credits
3

Prerequisite
ITNW 1309 - Fundamentals of Cloud Computing

Distribution
ITNW

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 1354 IMPLEMENTING AND SUPPORTING SERVERS

2 Lec/4 Lab (3 Cr.) Implement, administer, and troubleshoot information systems that incorporate servers in a networked computing environment.

Prerequisite
ITNW 1325 - Fundamentals of Networking

Credits
3

Distribution
ITNW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 1373 CLOUD COMPUTING SECURITY

2 Lec/4 Lab (3 Cr) Introduction to Cloud Security including tools which monitor data moving to and from the cloud and between cloud platforms, identification of fraudulent use of data in the Cloud and its financial and performance impact. Third party cloud security solutions including cloud security gateways, centralized cloud management, and native IaaS/PaaS platform security will be presented.

Credits
3

Prerequisite
ITNW 1309 - Fundamentals of Cloud Computing

Distribution
ITNW

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 1425 FUNDAMENTALS OF NETWORKING TECHNOLOGIES

2 lec/4 lab (4 Cr.) Instruction in networking technologies and their implementation. Topics include the OSI reference model, network protocols, transmission media, and networking hardware and software.

Credits
3
Distribution
ITNW
Course Fee
Lab Fee: $24; Internet Course Fee (if applicable) $43

ITNW 2264 PRACTICUM IN COMPUTER SYSTEMS NETWORKING AND TELECOMMUNICATIONS

ITNW 2264 (2Cr) Practicum in Computer Systems Networking and Telecommunications Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student. (224 contact hours) Capstone course must be taken in final semester.

Credits
2
Distribution
ITNW

Offered
Spring

ITNW 2305 NETWORK ADMINISTRATION

2Lec/4Lab (3Cr) Topics include network components, user accounts and groups, network file systems, file system security, and network printing.

Credits
3

Distribution
ITNW

Offered
Spring

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 2327 ADVANCED CLOUD COMPUTING

2Lec/4Lab (3Cr) Focus on enterprise Cloud architecture, with advanced topics including multi Cloud platforms inclusive of computing, networking, storage, monitoring and database.

Credits
3

Prerequisite
ITNW 1336 - Cloud Deployment

Distribution
ITNW

Offered
Spring

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITNW 2355 SERVER VIRTUALIZATION

2 Lec/ 4 Lab (3 Cr.) An in-depth study of the installation, configuration, management and troubleshooting of a virtualized server environment.

Credits
3

Prerequisite
ITNW 1313 - Computer Virtualization

Distribution
ITNW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSC 1305 INTRO TO PC OPERATING SYSTEMS

2 lec/4 lab (3 Cr.) A study of personal computer operating systems. Topics include installation and configuration, file management, memory and storage management, control of peripheral devices, and use of utilities.

Credits
3

Distribution
ITSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $4

ITSC 1315 IT PROJECT MANAGEMENT

2 Lec/4 Lab (3 Cr) Use of project management software for developing a project plan including timelines, milestones, scheduling, life cycle phases, management frameworks, skills, processes and tools.

Credits
3

Distribution
ITSC

Course Fee
Lab Fee $24; Internet Course Fee (if applicable): $43

ITSC 1316 LINUX INSTALLATION & CONFIGURATION

2 Lec/4 Lab (3 Cr.) Introduction to Linux operating system. Includes Linux installation, basic administration, utilities and commands, upgrading, networking, security, and application installation. Emphasizes hands-on setup, administration, and management of Linux.

Credits
3

Distribution
ITSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSC 1325 PERSONAL COMPUTER HARDWARE

2 lec/4 lab (3 Cr.) A study of current personal computer hardware including personal computer assembly and upgrading, setup and configuration, and troubleshooting

Credits
3

Distribution
ITSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSC 1409 INTEGRATED SOFTWARE APPLICATIONS I

3 lec/3 lab (4 Cr.) Integration of applications from popular business productivity software suites. Instruction in embedding data, linking and combining documents using word processing, spreadsheets, databases, and/or presentation media software. Suggested prerequisite: keyboarding proficiency. Tech Prep articulated credit.

Credits
4

Distribution
ITSC

Offered
Spring

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSC 2164 PRACTICUM-COMPUTER & INFORMATION SCIENCE

14 external learning experience (1 Cr) Practical general training and experiences in the workplace. The college and employer develop and document an individualized plan for the student. The plan relates workplace training and experiences to the student's general and technical course of study. The guided external experiences may be paid or unpaid. This course may be repeated if topics and learning outcomes vary.

Credits
1

Distribution
ITSC

Offered
Spring Only

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSC 2339 PERSONAL COMPUTER HELP DESK

2 lec/4 lab (3 Cr) Diagnosis and solution of user hardware and software related problems includes on-the-job projects in either a help desk lab or in short-term assignments for local business.

Credits
3

Distribution
ITSC

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 1301 WEB DESIGN TOOLS

2 Lec/4 Lab (3 Cr.) Designing and publishing Web documents according to World Wide Web Consortium (W3C) standards. Emphasis on optimization of graphics and images and exploration of tools available for creating and editing Web documents.
Credits
3

Distribution
ITSE

Course Fee
Lab Fee $24; Internet Course Fee (if applicable): $43

ITSE 1302 COMPUTER PROGRAMMING

2 Lec/4 Lab (3 Cr.) Introduction to computer programming including design, development, testing, implementation, and documentation.
Credits
3

Distribution
ITSE

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 1306 PHP PROGRAMMING LANGUAGE

2 Lec/4 Lab (3 Cr.) Introduction to PHP including the design of web-based applications, arrays, string, regular expressions, file input/output, e-mail and database interfaces, stream and network programming, debugging, and security.
Pre-requisite: ITSE 2313 - Web Authoring
Credits
3

Prerequisite
ITSE 2313 - Web Authoring

Distribution
ITSE

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 1307 INTRO TO C++ PROGRAMING

2 lec/4 lab (3 Cr.) Introduction to computer programming using C++. Emphasis on the fundamentals of structured design with development, testing, implementation, and documentation. Includes language syntax, data file structures, input/output devices, and files.
Credits
3

Distribution
ITSE

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 1311 BEGINNING WEB PROGRAMMING

2 lec/4 lab (3 Cr.) Skill development in web page programming, including mark-up and scripting languages.
Credits
3

Distribution
ITSE

Offered
Fall

Course Fee
Lab fee: $24; Internet course fee (if applicable): $43

ITSE 1330 INTRODUCTION TO C# PROGRAMMING

2 Lec/4 Lab (3 cr) A study of C# syntax including data types, control structures, functions, syntax and semantics of the language, classes, class relationships, and exception handling.
Credits
3

Distribution
ITSE

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 1333 MOBILE APPLICATIONS DEVELOPMENT

2 Lec/4 Lab (3Cr) An overview of different mobile platforms and their development environments. Outcomes: design, write and test small interactive programs for mobile platforms.
Credits
3
Distribution
ITSE

Prerequisite
ITSE 2313 - Web Authoring

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 1359 INTRODUCTION TO SCRIPTING LANGUAGES

2 Lec/4 Lab (3 Cr) Introduction to scripting languages including basic data types, control structures, regular expressions, input/output, and textual analysis. Design programming solutions using scripting languages, write scripts; and test and debug scripts.
Credits
3

Distribution
ITSE

Prerequisite
ITSE 2313 - WEB AUTHORING
Offered
Fall

Course Fee
Lab fee: $24, Internet course fee (if applicable): $43

ITSE 2302 INTERMEDIATE WEB PROGRAMMING

2 Lec/4 Lab (3 cr)Techniques for web development. Includes server-side and client-side scripting.
Credits
3

Distribution
ITSE

Offered
Spring

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 2313 WEB AUTHORING

2 lec/4 lab (3 Cr.) Instruction in designing and developing web pages that incorporate text, graphics, and other supporting elements using current technologies and authoring tools.

Credits
3

Distribution
ITSE

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSE 2359 ADVANCED COMPUTER PROGRAMMING

2 lec/4 lab (3 Cr.) Advanced programming techniques including file access methods, data structures, modular programming, program testing and documentation.

Credits
3

Distribution
ITSE

Prerequisite
INEW 2334 - ADVANCED WEB PROGRAMMING

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSW 1304 INTRO TO SPREADSHEETS

2 lec/4 lab (3 Cr.) Instruction in the concepts, procedures, and application of electronic spreadsheets.

Credits
3

Distribution
ITSW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSW 1307 INTRO TO DATABASE

2 lec/4 lab (3 Cr.) Introduction to database theory and the practical applications of a database.

Credits
3

Distribution
ITSW

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 1300 FUNDAMENTALS OF INFORMATION SECURITY

3 Lec/1 Lab (3 Cr.) An introduction to information security including vocabulary and terminology, ethics, the legal environment, and risk management. Identification of exposures and vulnerabilities and countermeasures are addressed. The importance of appropriate planning, policies and controls is also discussed.

Credits
3

Distribution
ITSY

Offered
Fall

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 1342 INFORMATION TECHNOLOGY SECURITY

2 Lec/4 Lab (3 Cr.) Instruction in security for network hardware, software, and data including physical security, backup procedures, relevant tools, encryption, and protection from viruses.

Credits
3

Distribution
ITSY

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 2301 FIREWALLS & NETWORK SECURITY

2 Lec/4 Lab (3 Cr.) Identify elements of firewall design, types of security threats and responses to security attacks. Use best practices to design, implement, and monitor a network security plan. Examine security incident postmortem reporting and ongoing network security activities.

Credits
3

Distribution
ITSY

Prerequisite
ITSY 1342 - INFORMATION TECHNOLOGY SECURITY

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 2330 INTRUSION DETECTION

2Lec/4Lab (3 Cr.) Computer information systems security monitoring, intrusion detection, and crisis management. Includes alarm management, signature configuration, sensor configuration, and troubleshooting components. Emphasizes identifying, resolving, and documenting network crises and activating the response team

Credits
3

Distribution
ITSY

Prerequisite
ITSY 2301 - Firewalls and Network Security

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 2341 SECURITY MANAGEMENT PRACTICES

2 Lec, 4Lab (3 Cr.) In-depth coverage of security management practices, including asset evaluation and risk management; cyber law and ethics issues; policies and procedures; business recovery and business continuity planning; network security design; and developing and maintaining a security plan.

Credits
3

Distribution
ITSY

Prerequisite
ITSY 2301 - Firewalls and Network Security

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 2342 INCIDENT RESPONSE AND HANDLING

2 Lec, 4 Lab (3 Cr)) In-depth study of system forensics including methodologies used for analysis of computer security breaches. Collect document and evaluate evidence to perform postmortem analysis of a security breach.

Credits
3

Distribution
ITSY
Prerequisite
ITSY 2301 - Firewalls and Network Security

Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

ITSY 2343 COMPUTER SYSTEMS FORENSICS

2Lec/4Lab (3Cr.) In-depth study of system forensics including methodologies used for analysis of computer security breaches. Collect document and evaluate evidence to perform postmortem analysis of a security breach.
Prerequisite: ITSY 2301
Credits
3

Distribution
ITSY

Prerequisite
ITSY 2301 - Firewalls and Network Security
Course Fee
Lab Fee: $24; Internet Course Fee (if applicable): $43

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

COSMETOLOGY

CSME 1401 ORIENTATION TO COSMETOLOGY

2 lec/6 lab (4 Cr.) An overview of the skills and knowledge necessary for the field of cosmetology. 128 contact hours required.
Credits
4

Distribution
CSME

Course Fee
Lab fee: $24; Internet fee (if applicable) $43

CSME 1410 INTRO TO HAIRCUTTING & RELATED THEORY

2 lec/6 lab (4 Cr.) Introduction to the theory and practice of hair cutting. Topics include terminology, implements, sectioning and finishing techniques. 128 contact hours required.
Credits
4

Distribution
CSME

Course Fee
Lab fee: $24; Internet fee (if applicable) $43

CSME 1442 PRINCIPLES OF NAIL AND SKINCARE TECHNOLOGY

2 lec / 7 lab (4 cr) Presentation of the theory and practice of nail and skincare technology. Topics include terminology, application, and workplace competencies related to nail and skincare services. 144 contact hours required.
Credits
4

Distribution
CSME

Course Fee
Lab fee $24; Internet course fee (if applicable) $43

CSME 1505 FUNDAMENTALS OF COSMETOLOGY

3 lec/6 lab (5 Cr.) A course in the basic fundamentals of cosmetology. Topics include service preparation, manicuring, facials, chemical services, shampooing, hair cutting, wet styling, comb-out styling, and salon management. 144 contact hours required.

Credits
5

Distribution
CSME

Course Fee
Lab fee: $24; Internet course fee (if applicable) $43

CSME 2265 PRACTICUM-COSMETOLOGY

0 lec/0 lab 320 Ext. (2 Cr.) Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student.

Credits
2

Distribution
CSME

Course Fee
Lab fee: $24

CSME 2401 PRINCIPLES - HAIR COLORING & THEORY

2 lec/7 lab (4 Cr.) Presentation of the theory and practice of hair color and chemistry. Topics include terminology, application, and workplace competencies related to hair color and chemistry. 144 contact hours required.

Credits
4

Distribution
CSME

Course Fee
Lab fee: $24

CSME 2436 ADVANCED COSMETOLOGY APPLICATIONS AND RELATED THEORY

2 lec/7 lab (4 cr) Mastery of advanced cosmetology applications including hair, skin and nails, professional cosmetology services services and workplace competencies. 144 contact hours required.

Credits
4

Distribution
CSME

Course Fee
Lab fee $24; Internet course fee (if applicable) $43

CSME 2439 ADVANCED HAIR DESIGN

2 lec 6 lab (4 Cr.) Advanced concepts in the theory and practice of hair design. 128 contact hours required.

Credits
4

Distribution
CSME

Course Fee
Lab fee: $24

CSME 2441 PREPARATION FOR STATE LICENSE

2 lec/6 lab (4 cr) Practice for the state licensing examination. 128 contact hours required.

Distribution
CSME

Course Fee
Lab fee $24; Internet course fee (if applicable) $43

CRIMINAL JUSTICE

CJCR 1166 PRACTICUM - CORRECTIONS

160 ext. hours (1 Cr.) Practicum or field experience consisting of 160 hours of on-the-job training. This is an external learning experience conducted at a TJJD site. The OJT training is supervised by a TJJD employee at the location where the training occurs.

Credits
1

Distribution
CRIJ

CJCR 1358 RIGHTS OF PRISONERS

3 lec (3 Cr.) Legal rights of convicted offenders incarcerated in state and federal penal institutions. Emphasizes constitutional principles, case law, and federal and state statutes concerning prisoner rights.

Credits
3

Distribution
CRIJ

CJCR 1366 PRACTICUM - CORRECTIONS

(3 Cr.) 336 hours external learning experience. Practicum or field experience consisting of 160 hours of on-the-job training. This is an external learning experience conducted at a TJJD site. The OJT training is supervised by a TJJD employee at the location where the training occurs.

Credits
3

Distribution
CRIJ

CJCR 1374 TJJD PRE-SERVICE

3 lec (3 Cr.) A three-credit-hour course taught over a six day period, eight hours per day. Pre-service training is offered for TJJD employees. TJJD employees/students are exposed to a wide variety of subjects including Juvenile Rights, Juvenile Health, Youth Movement, Preventing Sexual Misconduct, Cultural Awareness, Suicide Prevention, and Use of Force Policies.

Credits
3

Distribution
CRIJ

Offered
Summer

CJCR 1434 TYC PRE-SERVICE

Prepares students for employment in juvenile justice facilities operated by the Texas Youth Commission (TYC). Topics include TYC mission and strategic plan, intercultural awareness, physical restraint, adolescent development, youth rights, staff legal liabilities, and verbal crisis intervention. Other topics include interpersonal skills, juvenile health, AIDS awareness, suicide prevention, self-defense, and Americans with Disabilities Act (ADA).

CJCR 2324 COMMUNITY RESOURCES IN CORRECTIONS

3 lec (3 Cr.) An introductory study of the role of the community in corrections, community programs for adults and juveniles; administration of community programs, legal issues, and future trends in community treatment.
Credits
3

Distribution
CRIJ

Course Fee
Internet course fee (if applicable): $43

CJSA 1310 INTRODUCTION TO CRIMINAL JUSTICE

3 lec (3 Cr.) History and philosophy of criminal justice and ethical consideration; crime defined and its nature and impact overview of criminal justice system prosecution and defense trial process and corrections.
Credits
3

Distribution
CRIJ

CJSA 1312 CRIME IN AMERICA

3 lec (3 Cr.) American crime problems in historical perspective; social and public policy factors affecting crime; impact and crime trends; social characteristics of specific crimes; prevention of crime.
Credits
3

Distribution
CRIJ

CJSA 1313 COURT SYSTEMS AND PRACTICES

3 lec (3 Cr) The judiciary in the criminal justice system; structure of the American court system; prosecution; right to counsel; pre-trial release; grand juries; adjudication process; types and rules of evidence; sentencing.
Credits
3
Distribution
CRIJ

CJSA 1317 JUVENILE JUSTICE SYSTEM

3 Lec/0 Lab (3 CR) A study of the juvenile justice process to include specialized juvenile law, role of the juvenile law, role of the juvenile courts, role of the police agencies, role of correctional agencies, and theories concerning delinquency.
Credits
3
Distribution
CRIJ

CJSA 1322 INTRO - CRIMINAL JUSTICE (3)

3 lec (3 Cr.) History and philosophy of criminal justice and ethical considerations; crime defined; its nature and impact; overview of criminal justice system; law enforcement; court system; prosecution and defense; trial process; corrections.
Credits
3

Distribution
CRIJ

CJSA 1327 FUNDAMENTALS OF CRIMINAL LAW

3 lec (3 Cr.) A study of the nature of criminal law philosophical and historical development major definitions and concepts classification of crime elements of crimes and penalties using Texas statutes as illustrations criminal responsibility.

Credits
3

Distribution
CRIJ

Offered
Spring

CJSA 1342 CRIMINAL INVESTIGATION

3 Lec (3 Cr.) Investigative theory; collection and preservation of evidence; sources of information; interview and interrogation; uses of forensic sciences;case and trial preparation.

Credits
3

Distribution
CRIJ

CJSA 1348 ETHICS IN CRIMINAL JUSTICE

3 lec (3 Cr.) Ethical philosophies and issues pertaining to the various professions in the criminal justice system. Includes ethical issues emanating from constitutional conflict with public protection and individual rights, civil libertis, and correctional policies.

Credits
3

Distribution
CRIJ

Course Fee
Internet course fee (if applicable): $43

CJSA 2364 PRACTICUM CRIMINAL JUSTICE

21 External learning experience (3 Cr.) Practical general training and experiences in the workplace. The college with the employer develop and document an individualized plan for the student. The plan relates the workplace training and experiences to the student's general and technical course of study. The guided external experiences may be paid or unpaid. This course may be repeated if topics and learning outcomes vary

DEVELOPMENTAL STUDIES

IRW 305 INTEGRATION OF CRITICAL READING AND ACADEMIC WRITING SKILLS II

3 lec/1 lab (3NDCr)* This second-level course is a combined lecture/lab, performance-based course designed to develop students' critical reading and academic writing skills. The focus of the course will be on applying critical reading skills for organizing, analyzing, and retaining material and developing written work appropriate to the audience, purpose, situation, and length of the assignment. The course integrates preparation in basic academic reading skills with basic skills in writing a variety of academic essays. This is a course with a required lab. The course fulfills TSI requirements for reading and/or writing. Integration of critical reading and academic writing skills. Successful completion of this course if taught at the upper (exit) level fulfills TSI requirements for reading and/or writing. Note: For institutions offering one or more levels, this course shall be used for upper (exit) level and may be used for lower level(s). Prerequisite: IRW 0302 or equivalent score on the reading or writing section of the TSI Assessment Test.

EMSP 2237 EMERGENCY PROCEDURES II

1 lec/4 lab (2 Cr.) Instruction in a laboratory environment concentrating on development of practical medical skills and critical thinking abilities. Students will master a variety of skills appropriate to their training level by a combination of practice; use of mannequins, actors or other students, and stage scenarios. Required verifications of specific skills may be included. :

Prerequisites: TSI Complete, CPR, BIOL 2401/2404, EMSP 1501, EMSP 1160, EMSP 1338, EMSP 1356, EMSP 2306, EMSP 2137, Co-requisites: EMSP 1355, EMSP 2444, EMSP 2330.

EMSP 2306 EMERGENCY PHARMACOLOGY

2 lec/3 lab (3 Cr.) A comprehensive course covering all aspects of the utilization of medications in treating emergency situations. The course is designed to complement cardiology, special populations, and medical emergency course medication in emergency situations. Students will demonstrate understanding of the pharmacodynamics, pharmacokinetics, indications, contraindications, possible side effects, and common drug interactions of a variety of medication used in out-of-hospital medic care. Prerequisites: TSI Complete, CPR, BIOL 2401/2404, EMSP 1501, EMSP 1160, Co-requisites: EMSP 1338, EMSP 1356.

Credits
3

ENGINEERING

ENGR 1201 INTRODUCTION TO ENGINEERING

1 lec/2 Lab (2 Cr.) An introduction to the engineering profession with emphasis on technical communication and team-based engineering design.

Credits
3

Distribution
ENGR

Offered
Spring

ENGR 2301 ENGINEERING MECHANICS-STATICS

3 lec (3 Cr.) This is a three credit hour course. Topics include basic theory of engineering mechanics, using calculus, involving the description of forces, moments, and couples acting on stationary engineering structures; equilibrium in two and three dimensions; free-body diagrams; friction; centroids; centers of gravity; and moments of inertia.
Pre-requisites: PHYS 2425 University Physics I
Concurrent enrollment in or previous completion of MATH 2414 Calculus II

Credits
3

Distribution
ENGR

Offered
Fall

ENGR 2302 ENGINEERING MECHANICS-DYNAMICS

3 lec (3 Cr.) This is a three credit hour course. Topics include Basic theory of engineering mechanics, using calculus, involving the motion of particles, rigid bodies, and systems of particles; Newton’s Laws; work and energy relationships; principles of impulse and momentum; application of kinetics and kinematics to the solution of engineering problems.
Pre-requisites: ENGR 2301 Engineering Mechanics – Statics

Credits
3

Distribution
ENGR

Offered
Spring

ENGR 2305 ELECTRICAL CIRCUITS I

3 lec (3 Cr.) This course is a study of the principles of electrical circuits and systems. Basic circuit elements (resistance, inductance, mutual inductance, capacitance, independent and dependent controlled voltage, and current sources); topology of electrical networks; Kirchhoff 's laws; node and mesh analysis; DC circuit analysis; operational amplifiers; transient and sinusoidal steady-state analysis; AC circuit analysis; first- and second-order circuits; Bode plots; and use of computer simulation software to solve circuit problems.
Pre-requisites: PHYS 2425 University Physics I; MATH 2414 Calculus II
Pre-requisite or Co-requisite: MATH 2320 Differential Equations

Credits
3

ENGLISH

ENGL 1301 COMPOSITION I

3 lec/1 lab (3 Cr.) Intensive study of and practice in writing processes, from invention and researching to drafting, revising, and editing, both individually and collaboratively. Emphasis on effective rhetorical choices, including audience, purpose, arrangement, and style. Focus on writing the academic essay as a vehicle for learning, communicating, and critical analysis. Students in English 1301 are required to complete one hour per week of ancillary writing, intense study and practice in the basic mechanics of research, and/or supervised writing workshops/exercises. Students must have access to a computer, either on campus or in a personal setting, to complete writing and/or laboratory assignments.

FIRE PROTECTION TECHNOLOGY

FIRS 1191 ORIENTATION

1 lec/0 lab (1 Cr.) Introductory course which covers Fire Academy Policies and Procedures. Students complete the National Fallen Firefighter's Foundation's Everyone Goes Home course. Students are shown how to contact campus PD and watch a video on Title IX curriculum

Credits
1

Distribution
FIRS

Course Fee
Internet course fee (if applicable): $43

FIRS 1301 FIREFIGHTER CERTIFICATION I

2 lec/2 lab (3 Cr.) Firefighter safety and development. Curriculum includes Texas Commission on fire protection rules and regulations, firefighter safety, fire science, personal protective equipment, self-contained breathing apparatus, and fire reports and records.

Credits
3

Distribution
FIRS

Course Fee
Background check: $5, Drug testing fee: $35, Insurance: $13, Internet course fee (if applicable): $43, Lab fee: $24, State testing fee: $85

FIRS 1313 FIREFIGHTER CERTIFICATION III

2 lec/4 lab (3 Cr.) This course will include a study of fire streams and pump operations as they relate to fundamental development of basic firefighter skills.

Credits
3

Distribution
FIRS

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

FIRS 1319 FIREFIGHTER CERTIFICATION IV

2 lec/3 lab (3 Cr.) Equipment, tactics, and procedures used in forcible entry, ventilation, salvage, and overhaul. This course will cover preparation for certification as a basic firefighter.

Credits
3

Distribution
FIRS

Course Fee
Lab fee: $24

FIRS 1323 FIREFIGHTER CERTIFICATION V

2 lec/4 lab (3 Cr.) Ropes and knots rescue procedures and techniques and hazardous materials. This course will cover preparation for certification as a basic fire fighter.

Credits
3

Distribution
FIRS

Offered
Spring

Course Fee
Lab fee: $24

FIRS 1329 FIREFIGHTER CERTIFICATION VI

2 lec/3 lab (3 Cr.) Fire inspection techniques and practices. Course content will emphasize fire-cause determination. Curriculum includes fire protection systems, wild land fire, and pre-incident planning. This course will cover preparation for certification as a basic firefighter.

Credits
3

Distribution
FIRS

Offered
Spring

Course Fee
Lab fee: $24

FIRS 1333 FIREFIGHTER CERTIFICATION VII

2 lec/5 lab (4 Cr.) Simulated emergency operations and hands-on live fire training exercises, incident management procedures, and combined operations using proper extinguishing methods. Emphasis on safety.

Credits
4

Distribution
FIRS

Offered
Spring

Course Fee
Lab fee: $24

FIRS 1407 FIREFIGHTER CERTIFICATION II

2 lec/4 lab (4 Cr.) Basic principles and skill development in handling fire service hose and ladders. Curriculum includes the distribution system of water supply, basic building construction, and emergency service communication, procedures, and equipment.

Credits
4

Distribution
FIRS

Course Fee
Internet course fee (if applicable): $43, Lab fee: $24

FIRT 1301 FUNDAMENTALS OF FIRE PROTECTION

3 lec (3 Cr.) College Success Skills to fire service, career opportunities, related fields. End-of-Course Outcomes: Describe a modern fire protection agency; outline the organizational and staffing requirements for fire protection; and identify public and private protection agencies.

Credits
3

Distribution
FIRT

Offered
Summer

Course Fee
Internet course fee (if applicable): $43

FIRT 1303 FIRE & ARSON INVESTIGATION I

3 lec (3 Cr.) Basic fire and arson investigation practices. Emphasis on fire behavior principles related to fire cause and origin determination. End-of-Course Outcomes: Identify the cause and point of origin and the cause of the fire; list possible motives of fire setters; and describe the elements of investigation practices.

Credits
3

Distribution
FIRT

Offered
Spring

Course Fee
Internet course fee (if applicable): $43

FIRT 1307 FIRE PREVENTION CODES & INSPECTION

3 lec (3 Cr.) Local building and fire prevention codes. Fire prevention inspections, practices, and procedures. End-of- Course Outcomes: Apply provisions of local building and fire prevention codes to fire prevention inspections; and describe fire inspection practices and procedures including hazard recognition and correction.

Credits
3

Distribution
FIRT

Offered
Summer

Course Fee
Internet course fee (if applicable): $43

FIRT 1309 FIRE ADMINISTRATION I

3 lec (3 Cr.) Introduction to the organization and management of a fire department and the relationship of government agencies to fire service. Emphasis on fire service leadership from the perspective of the company officer. End-of- Course Outcomes: Explain the intra-organizational cooperation needed for a fire department to function properly; describe fundamental management and organizational principles; and demonstrate leadership and management skills at the company-grade level.

Credits
3

Distribution
FIRT

Offered
Spring

Course Fee
Internet course fee (if applicable): $43

FIRT 1315 HAZARDOUS MATERIALS I

3 lec (3 Cr.) The chemical characteristics and behavior of various materials. Storage, transportation, handling hazardous emergency situations, and the most effective methods of hazard mitigation. End-of-Course Outcomes: Identify hazardous materials in various shipping and storage containers; explain chemical characteristics and how chemicals react under certain conditions; and describe the most effective methods of hazard mitigation.

Credits
3

Distribution
FIRT

Offered
Fall

Course Fee
Internet course fee (if applicable): $43

FIRT 1329 BUILDING CODES & CONSTRUCTION

3 lec (3 Cr.) Examination of building codes and requirements, construction types, and building materials. Includes walls, floorings, foundations, and various roof types and the associated dangers of each. End-of-Course Outcomes: Identify model building codes; and compare construction types related to fire behavior.

Credits
3

Distribution
FIRT

Offered
Fall

Course Fee
Internet course fee (if applicable): $43

FIRT 1338 FIRE PROTECTION SYSTEMS

3 lec/0 lab (3 Cr.) Design and operations of fire detection and alarm systems, hear and smoke control systems, special protection and sprinkler systems, water supply for fire protection, and portable fire extinguishers. This course meets Fire and Emergency Services Higher Education (FESHE) Model Curriculum core requirements.

Credits
3

Distribution
FIRT

Offered
Fall

Course Fee
Internet course fee (if applicable): $43

FIRT 1349 FIRE ADMINISTRATION II

3 lec (3 Cr.) In-depth study of fire service management as pertaining to budgetary requirements, administration, organization of divisions within the fire service, and relationships between the fire service and outside agencies. End-of- Course Outcomes: Explain the relationships with outside organizations and their impact on fire service operations; develop an organizational structure demonstrating interagency cooperation; and describe management principles and techniques for effective organizational performance.

Credits
3

Distribution
FIRT

Offered
Summer

Course Fee
Internet course fee (if applicable): $43

FIRT 1353 LEGAL ASPECTS OF FIRE PROTECTION

3 lec (3 Cr.) Study of the rights duties liability concerns and responsibilities of public fire protection agencies while performing assigned duties. End-of-Course Outcomes: Summarize basic criminal and civil law; discuss relevant tort law; and describe state and federal legal systems.

Credits
3

Distribution
FIRT

Offered
Summer

Course Fee
Internet course fee (if applicable): $43

FIRT 1433 FIRE CHEMISTRY I

3 lec/2 lab (4 Cr.) This course will examine the chemical nature and properties of compounds as related to the fire service. Issues to be discussed will be fundamental laws of chemistry, states of matter, gas laws, chemical bonding and thermodynamics.

Credits
4

Distribution
FIRT

Course Fee
Internet course fee (if applicable): $43

FIRT 1445 FIRE HAZARDOUS MATERIALS II

4 lec (4 Cr.) Mitigation practices and techniques to help effectively control hazardous material spills and leaks. End-of- Course Outcomes: Demonstrate proper methods of mitigating a hazardous material incident; and describe the components of a hazardous incident management system including scene control protective clothing and equipment spill and leak control and decontamination.

Credits

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

LEGAL ASSISTANT

LGLA 1301 LEGAL RESEARCH & WRITING

3 lec (3 Cr.) This course provides a working knowledge of fundamentals of effective legal research and writing. Topics include law library techniques computer-assisted legal research briefs and legal memoranda.
Credits
3

Distribution
LGLA

Offered
Fall

Course Fee
Westlaw subscription fee: $51.53, Internet course fee (if applicable): $43

LGLA 1311 INTRO TO LAW

3 lec (3 Cr.)This course provides an overview of the law and legal system. Topics include elementary legal concepts of various areas of the law procedures terminology ethical obligations of the paralegal current issues in law and the function jurisdiction practices and principles of trial and appellate courts at state and federal levels.
Credits
3

Distribution
LGLA

Course Fee
Westlaw subscription fee: $51.53, Internet course fee (if applicable): $43

LGLA 1313 INTRO TO PARALEGAL STUDIES

3 lec (3 Cr.) This course provides an overview of the paralegal profession including ethical obligations regulation professional trends and issues and the paralegal's role in assisting in the delivery of legal services. This course must be taken during the first year of enrollment in the paralegal program.

Credits
3

Distribution
LGLA

Course Fee
Westlaw subscription fee: $51.53, Internet course fee (if applicable): $43

LGLA 1345 CIVIL LITIGATION

3 lec (3 Cr.) This course presents fundamental concepts and procedures of civil litigation with emphasis on the paralegal's role. Topics include pretrial trial and post-trial phases of litigation.

Credits
3

Distribution
LGLA

Offered
Fall

Course Fee
Westlaw subscription fee: $51.53, Internet course fee (if applicable): $43

LGLA 1353 WILLS, TRUSTS, & PROBATE ADMINISTRATION

3 lec (3 Cr.) This course presents fundamental concepts of the law of wills trusts and probate administration with emphasis on the paralegal's role.

Credits
3

Distribution
LGLA

Offered
Fall Only

Course Fee
Westlaw subscription fee: $51.53, Internet course fee (if applicable): $43

LGLA 1355 FAMILY LAW

3 lec (3 Cr.) This course presents fundamental concepts of family law with emphasis on the paralegal's role. Topics include formal and informal marriages divorce annulment marital property and the parent-child relationship.

Credits
3

Distribution
LGLA

Offered
Fall

Course Fee
Westlaw subscription fee: $51.53, Internet course fee (if applicable): $43

LGLA 2188 INTERNSHIP-PARALEGAL/LEGAL/ASSISTANT

1 lab (1 Cr.) An experience external to the college for an advanced student in a specialized field involving a written agreement between the educational institution and a business or industry. Mentored and supervised by a workplace employee the student achieves objectives that are developed and documented by the college and that are directly related to specific occupational outcomes. This may be a paid or unpaid experience. Requires approval of the instructor. Requires 48 hours in the workplace.

MATHEMATICS

MATH 1314 COLLEGE ALGEBRA

3 lec (3 Cr.) Topics include and in-depth study and applications of polynomial rational radical exponential and logarithmic functions and systems of equations using matrices. Additional topics such as sequences series probability and conics may be included. Prerequisite: MTH 0306, meeting college algebra standard on the TSI exam or equivalent exam, or concurrent enrollment in the appropriate co-requisite developmental course.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 1316 PLANE TRIGONOMETRY

3 lec (3 Cr.) Topics Include an in-depth study and applications of trigonometry including definitions identities inverse functions solutions of equations graphing and solving triangles. Additional topics such as vectors polar coordinates and parametric equations may be included. Prerequisite: MATH 1314 or a satisfactory score on the TSI exam or equivalent exam.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 1324 MATHEMATICS FOR BUSINESS AND SOCIAL SCIENCES

3 lec (3 Cr.) The application of common algebraic functions including polynomial, exponential, logarithmic, and rational, to problems in business, economics, and the social sciences are addressed. The applications include mathematics of finance, including simple and compound interest and annuities; systems of linear equations; matrices; linear programming; and probability, including expected value. Prerequisite: MTH 0306, meeting college algebra standard on the TSI exam or equivalent exam, or concurrent enrollment in the appropriate co-requisite developmental course.

Credits
3

Distribution
MATH

MATH 1325 CALCULUS FOR BUSINESS AND SOCIAL SCIENCE

3 lec (3 Cr.) This course is the basic study of limits and continuity differentiation optimization and graphing and integration of elementary functions with emphasis on applications in business economics and social sciences. This course is not a substitute for MATH 2413 Calculus I. Prerequisite: MATH 1314 - College Algebra or MATH 1324 - Mathematics for Business and Social Sciences

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 1332 CONTEMPORARY MATHEMATICS (QUANTITATIVE REASONING)

3 lec (3 Cr.) Intended for Non Stem (Science, Technology, Engineering and Mathematics) Majors. Topics include introductory treatments of sets and logic, financial mathematics, probability and statistics with appropriate applications. Number sense, proportional reasoning, estimation, technology, and communication should be embedded throughout the course. Prerequisite: MTH 0305, or satisfactory score on the TSI exam or equivalent exam, or concurrent enrollment in the appropriate co-requisite developmental course. Students planning on transferring to senior institutions should check the transferability of this course.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 1342 ELEMENTARY STATISTICAL METHODS

3 lec (3 Cr.) Collection analysis presentation and interpretation of data and probability. Analysis includes descriptive statistics correlation and regression confidence intervals and hypothesis testing. Use of appropriate technology is recommended. Prerequisite: MTH 0305, or satisfactory score on the TSI exam or equivalent exam, or concurrent enrollment in the appropriate co-requisite developmental course.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 1350 MATHEMATICS FOR TEACHERS I

3 lec (3 Cr.) This course is intended to build or reinforce a foundation in fundamental mathematics concepts and skills. It includes the conceptual development of the following: sets, functions, numeration systems, number theory, and properties of the various number systems with an emphasis on problem solving and critical thinking. Prerequisite: MATH 1314 College Algebra or the equivalent.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 1351 MATHEMATICS FOR TEACHERS II

3 lec (3 Cr.) This course is intended to build or reinforce a foundation in fundamental mathematics concepts and skills. It includes the concepts of geometry, measurement, probability, and statistics with an emphasis on problem solving and critical thinking. Prerequisite: MATH 1350 and College Algebra or the equivalent.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 2313 CALCULUS I

3 lec (3 Cr.) Topics include limits and continuity; the Fundamental Theorem of Calculus; definition of the derivative of a function and techniques of differentiation; applications of the derivative to maximizing or minimizing a function; the chain rule, mean value theorem, and rate of change problems; curve sketching; definite and indefinite integration of algebraic, trigonometric, and transcendental functions, with an application to calculation of areas. Prerequisite: MATH 2412-Pre-Calculus Math or equivalent preparation.

Credits
3

Distribution
MATH

MATH 2315 CALCULUS III

3 lec (3 Cr.) Advanced topics in calculus including vectors and vector-valued functions, partial differentiation, Lagrange multipliers, multiple integrals, and Jacobian's application of the line integral, including Green's Theorem, the Divergence Theorem, and Stokes' Theorem. Prerequisite: MATH 2414-Calculus II.

Credits
3

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 2318 LINEAR ALGEBRA

3 lec (3 Cr.) Introduces and provides models for application of the concepts of vector algebra. Topics finite dimensional vector spaces and their geometric significance; representing and solving systems of linear equations using multiple methods including Gaussian elimination and matrix Inversion; matrices; determinants; linear transformations; quadratic forms; eigenvalues and eigenvector; and applications in science and engineering. Prerequisite: MATH 2414-Calculus II.

Credits
3

Distribution
MATH

Offered
Spring

Course Fee
Internet course fee (if applicable): $43

MATH 2320 DIFFERENTIAL EQUATIONS

3 lec (3 Cr.) Ordinary differential equations including linear equations systems of equations equations with variable coefficients existence and uniqueness of solutions series solutions singular points transform methods and boundary value problems; application of differential equations to real-world problems. Prerequisite: MATH 2414-Calculus II.

Credits
3

Distribution
MATH

Offered
Spring

Course Fee
Internet course fee (if applicable): $43

MATH 2412 PRE-CALCULUS MATH

4 lec (4 Cr.) Topics include an in-depth combined study of algebra, trigonometry, and other topics for calculus readiness. Prerequisite: MATH 1314-College Algebra or meeting Pre-Calculus standard on the TSI or equivalent exam.

Credits
4

Distribution
MATH

Course Fee
Internet course fee (if applicable): $43

MATH 2413 CALCULUS I

4 lec (4 Cr.) Topics include limits and continuity; the Fundamental Theorem of Calculus; definition of the derivative of a function and techniques of differentiation; applications of the derivative to maximizing or minimizing a function; the chain rule mean value theorem and rate of change problems; curve sketching; definite and indefinite integration of algebraic trigonometric and transcendental functions with an application to calculation of areas. Prerequisite: MATH 2412-Pre-Calculus Math or equivalent preparation.

MEDICAL LAB TECHNOLOGY (MLT)

MLAB 1201 INTRODUCTION TO CLINICAL LAB SCIENCE

1 lec/3 lab (2 Cr.) An introduction to clinical laboratory science including quality control laboratory math safety basic laboratory equipment and techniques medical terminology accreditation and certification. Prerequisite: permission of instructor.

Credits
2

Distribution
MLAB

Offered
Fall

Course Fee
Health professions fee: $70, Lab fee: $24,Insurance: $13

MLAB 1211 URINALYSIS AND BODY FLUIDS

2 lec/3 lab (2 Cr.) An introduction to the study of urine and body fluid analysis. Includes the anatomy and physiology of the kidney physical chemical and microscopic examination of urine cerebrospinal fluid and other body fluids as well as quality control quality assurance and safety. Prerequisite: permission of instructor.

Credits
2

Distribution
MLAB

Offered
Fall

Course Fee
Health professions fee: $70, Lab fee: $24

MLAB 1227 COAGULATION

1 lec/2 lab (2 Cr.) A course in coagulation theory procedures and practical applications. Includes quality control quality assurance safety and laboratory procedures which rely on commonly performed manual and/or semi-automated methods. Prerequisite: permission of instructor.

Credits
2

Distribution
MLAB

Offered
Spring

Course Fee
Health professions fee: $70, Lab fee: $24

MLAB 1231 PARASITOLOGY/ MYCOLOGY

1 lec/4 lab (2 Cr.) A study of the taxonomy, morphology, and pathogenesis of human parasites and fungi, including the practical application of laboratory procedures, quality control, quality assurance, and safety. Prerequisite: permission of instructor.

Credits
2

Distribution
MLAB

Course Fee
Health professions fee: $70, Lab fee: $24

MLAB 1235 IMMUNOLOGY/ SEROLOGY

2 lec/1 lab (2 Cr.) An introduction to the theory and application of basic immunology including the immune response principles of antigen-antibody reactions and the principles of serological procedures as well as quality control quality assurance and safety. Prerequisite: permission of instructor.

Credits
2

Distribution
MLAB

Offered
Fall

Course Fee
Health professions fee: $70, Lab fee: $24

MLAB 1360 CLINICAL I

18 lab (3 Cr.) A health-related work based learning experience that enables the student to apply specialized occupational theory skills and concepts. Direct supervision is provided by the clinical professionals. Students rotate through hematology, coagulation, urinalysis, serology, and phlebotomy. Prerequisite: permission of instructor.

Credits
3

Distribution
MLAB

Offered
Summer

Course Fee
Health Professions Fee: $105, Clinical Travel Fee: $20

MLAB 1415 HEMATOLOGY

3 lec/3 lab (4 Cr.) The study of blood cells in normal and abnormal conditions. Instruction in the theory and practical application of hematology procedures including quality control quality assurance safety manual and/or automated methods as well as blood cell maturation sequences and normal and abnormal morphology with associated diseases. Prerequisite: permission of instructor.

Credits
4

Distribution
MLAB

Offered
Spring

Course Fee
Health professions fee: $140, Lab fee: $24

MLAB 2238 ADVANCED TOPICS

2 lec (2 Cr.) This course examines the integration of all areas of the clinical laboratory and correlates laboratory testing data with diagnostic applications and pathophysiology using critical thinking skills. A review of the MLT curriculum is conducted to prepare students for the certification exam. A passing grade is required on the exit exam to complete the course. This course is taken during the last semester of the program. Prerequisite: permission of instructor.

Credits
2

Distribution
MLAB

Course Fee
Health professions fee: $70

MLAB 2360 CLINICAL II

18 lab (3 Cr.) A health-related work-based learning experience that enables the student to apply specialized occupational theory skills and concepts. Direct supervision is provided by the clinical professionals. Students rotate through microbiology, clinical, chemistry, parasitology, and immunohematology. Prerequisite: permission of instructor.

Credits
3

Distribution
MLAB

Offered
Spring

Course Fee
Health professions fee: $105, Clinical Travel Fee: $20

MLAB 2401 CLINICAL CHEMISTRY

3 lec/4 lab (4 Cr. An introduction to the principles, procedures, physiological basis, and significance of testing performed in Clinical Chemistry. Includes quality control reference values and safety.

Credits
4

Distribution
MLAB

Offered
Spring

Course Fee
Health professions fee: $140, Lab fee: $24

MLAB 2431 IMMUNOHEMATOLOGY

3 lec/4 lab (4 Cr.) A study of blood antigens and antibodies. Presents quality control, basic laboratory technique and safety. Includes the principles, procedures and clinical significance of test results in genetics, blood group systems, pre-transfusion testing, adverse effects of transfusions, donor selection and components, and hemolytic disease of the newborn.
Credits
4

Distribution
MLAB

Offered
Fall

Course Fee
Health professions fee: $140, Lab fee: $24

MLAB 2434 CLINICAL MICROBIOLOGY

3 lec/4 lab (4 Cr.) This course includes a detailed study of bacteria found in humans as pathogens or normal flora. Emphasis is placed on the laboratory identification of bacteria specimen collection and determination of antimicrobial susceptibility. Prerequisite: permission of instructor.
Credits
4

Distribution
MLAB

Offered
Fall

Course Fee
Health professions fee: $140, Lab fee: $24, Insurance: $13

PLAB 1223 PHLEBOTOMY

1 lec/2 lab (Cr. 2) Skill development in the performance of a variety of blood collection methods using proper techniques and standard precautions. Includes vacuum collection devices syringes capillary skin puncture butterfly needles and blood culture and specimen collection on adults children and infants. Emphasis on infection prevention, patient identification, specimen labeling, quality assurance, specimen handling, processing, accessioning, professionalism, ethics, and medical terminology. Prerequisite: permission of instructor.
Credits
2

Distribution
MLAB

Course Fee
Health professions fee: $70, Lab fee: $24

MENTAL HEALTH

CMSW 1353 FAMILY INTERVENTION

3 lec (3 cr) Family Intervention - Study of family dynamics and current intervention strategies.
Credits
3

Distribution
CMSW

Offered
Spring

Course Fee
Internet course fee (if applicable) $43

DAAC 1304 PHARMACOLOGY OF ADDICTION

3 lec (3 cr) Emphasizes pharmacological effects of addiction, tolerance, dependence, cross addiction, drug interaction, withdrawal, and recovery. Describes the psychological and physiological effects of substance use and behaviors.

Credits
3

Distribution
DAAC

Offered
Spring

Course Fee
Internet course fee (if applicable) $43

DAAC 1311 COUNSELING THEORIES

3 lec (3 cr) An examination of major theories and current treatment modalities used in the field of counseling.

Credits
3

Distribution
DAAC

Offered
Fall

Course Fee
Internet course fee (if applicable) $43

DAAC 1317 BASIC COUNSELING

3 lec (3 cr) An overview and application of the basic counseling skills.

Credits
3

Distribution
DAAC

Offered
Fall

Course Fee
Internet course fee (if applicable) $43

DAAC 2354 DYNAMICS OF GROUP COUNSELING

3 lec (3 cr) Exploration of group counseling skills, techniques, stages of group development, and confidentiality and ethics.

Credits
3

Distribution
DAAC

Offered
Spring

Course Fee
Internet course fee (if applicable) $43

PMHS 1391 SPECIAL TOPICS IN PSYCHIATRIC/MENTAL HEALTH TECHNICIAN

3 lec (3 cr) Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency.

Credits
3

Distribution
PMHS

Offered
Spring

Course Fee
Internet course fee (if applicable) $43

PMHS 2366 PRACTICUM

3 lec (3 cr) Practical, general workplace training supported by an individualized learning plan developed by the employer, college, and student.

Credits
3

Distribution
PMHS

Offered
Spring

Course Fee
Internet course fee (if applicable) $43

PSYT 2331 ABNORMAL PSYCHOLOGY

3 lec (3 cr) Examination and assessment of the symptoms, etiology, and treatment procedures of mental, emotional, and behavioral disorders.

Credits
3

Distribution
PSYT

Offered
Spring

Course Fee
Internet course fee (if applicable) $43

SCWK 1303 ETHICS OF SOCIAL WORK

3 lec (3 cr) Ethical considerations based on social and human services standards. Includes comparison of ethical codes, confidentiality, dual relationships, guidelines for web counseling, ethical considerations dealing with broadcast media, diversity and multiculturalism.

Credits
3

Distribution
SCWK

Offered
Fall

Course Fee
Internet course fee (if applicable) $43

SCWK 2331 ABNORMAL BEHAVIOR

3 lec (3 Cr.) An exploration and identification of maladaptive behavior including characteristics classification diagnosis and treatment modalities. Topics include factors associated with defining and identifying abnormal behavior.

Credits
3

Distribution
CDEC

Course Fee
Internet course fee (if applicable): $43

Prerequisites(s)
OTHA 1309; OTHA 1415

Offered
Spring

Course Fee
Clinical travel fee: $20, Health professions fee: $35, Insurance: $13

OTHA 1162 CLINICAL IN OTA II

6 external hours (1 Cr.) Health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional.
Credits
1

Distribution
OTHA

Prerequisites(s)
OTHA 1341; OTHA 2309; OTHA 2304; OTHA 1319; OTHA 1161

Offered
Fall

Course Fee
Clinical travel fee: $20, Health professions fee: $35

OTHA 1309 HUMAN STRUCTURE AND FUNCTION IN OCCUPATIONAL THERAPY

2 lec/4 lab (3 Cr.) Study of the biomechanics of human motion. Emphasis on the musculoskeletal system including skeletal structure, muscles and nerves, and biomechanical assessment procedures.
Credits
3

Distribution
OTHA

Prerequisites(s)
OTHA 1405

Offered
Fall

Course Fee
Health professions fee: $105, Lab fee: $24

OTHA 1319 THERAPEUTIC INTERVENTIONS I

2 lec/4 lab (3Cr.) Concepts, techniques, and assessments leading to proficiency in skills and activities used as treatment interventions in occupational therapy (OT). Emphasizes the occupational therapy assistant's role in the OT process.
Distribution
OTHA

Offered
Spring

Prerequisites(s)
OTHA 2304; OTHA 2309
Course Fee
Health professions fee: $105, Lab fee: $24

OTHA 1341 OCCUPATIONAL PERFORMANCE FROM BIRTH TO ADOLESCENCE

2 lec/4 lab (3 Cr.) Occupational performance of newborns through adolescents. Topics include frames of reference, evaluation tools and techniques, and intervention strategies.
Credits
3

Distribution
OTHA

Prerequisite(s)

OTHA 2304; OTHA 2309

Offered
Spring

Course Fee
Health professions fee: $105, Lab fee: $24

OTHA 1405 PRINCIPLES OF OCCUPATIONAL THERAPY

3 lec/4 lab (4 Cr.) Introduction to occupational therapy including the historical development and philosophy. Emphasis on the roles of the occupational therapy assistant. Topics include occupation in daily life; education and functions of the OT practitioner; frames of reference and occupational therapy models; occupational therapy personnel educational roles and functions; current health care management environment including OT practice areas; moral, legal, and ethical issues.
Credits

PETROLEUM TECHNOLOGY

PTRT 1291 CAPSTONE

1 lec / 3 lab (2 Cr.) Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student.

Credits
2

Distribution
PTRT

PTRT 1301 OVERVIEW OF PETROLEUM INDUSTRY

3 lec (3 Cr.) An overview of the entire petroleum industry. Purposes and proper procedures in a variety of different petroleum technologies: exploration, drilling, production, transportation, marketing, and refining.

Credits
3

Distribution
PTRT

PTRT 1307 RECOVERY AND PRODUCTION METHODS

2 lec/2 lab (3 Cr.) An introduction to the two different methods associated with petroleum production: natural flow and artificial lift. The student will also develop skills and competency in lease-layout and specific recovery methods, such as water flooding, chemical flooding, thermal processes and CO2 injections.

Credits
3

Distribution
PTRT

PTRT 1309 CORROSION BASICS

3 lec (3 Cr.) Principles of corrosion such as basic electrochemistry processes. Addresses the deterioration of materials, devices, or pieces of oil field (or other) machinery/equipment. Emphasis on terminology associated with metallic and nonmetallic corrosion.

Credits
3

Distribution
PTRT

PTRT 1312 PETROLEUM REGULATIONS

3 lec (3 Cr.) Regulatory requirements and structures associated with the petroleum industry.

Credits
3

Distribution
PTRT

PTRT 1313 INDUSTRIAL SAFETY

2 lec/2 lab (3 Cr.) An overview for petroleum and manufacturing workers of state/federal regulations and guidelines, which require industrial safety training. Topics include the 29 C.F.R. 1910, 1926 standards, such as confined space entry, emergency action, lock out/tag out, and other work-related subjects.

Credits
3

Distribution
PTRT

PTRT 1317 NATURAL GAS PROCESSING

2 lec/2 lab (3 Cr.) An overview of natural gas processing operations. Fundamentals of gas processing, the nature of heat and how it implements the process, gas plant processing equipment, and procedures from raw material to the refined product.

Credits
3

Distribution
PTRT

PTRT 1321 OIL FIELD HYDRAULICS

2 lec/2 lab (3 Cr.) Presents hydraulics applicable to drilling, completion and production. Includes calculating and evaluating the characteristics of the flowing and static fluids in various tubular and annular systems.

Credits
3

Distribution
PTRT

PTRT 1324 PETROLEUM INSTRUMENTATION

2 lec/2 lab (3 Cr.) A course in accuracy, quality, and validation of gas and liquid measurement techniques for field and plant operating personnel. General principles of correct techniques of measurement and proper procedures to correct errors will be emphasized. Pre-requisite: PTRT 2359

Credits
3

Distribution
PTRT

PTRT 1391 NATURAL GAS PROCESSING II

2 lec/2 lab (3 Cr.) Career-related activities encountered in the student's area of specialization offered through an individualized agreement among the college, employer and student. Under the supervision of the college and the employer, the student combines classroom learning with work experience. Includes a lecture component.

Credits
3

Prerequisite
PTRT 1301, PTRT 1317

Distribution
PTRT

PTRT 2280 COOPERATIVE EDUCATION

1 lec/10 external (2 Cr.) Career-related activities encountered in the student's area of specialization offered through an individualized agreement among the college, employer and student. Under the supervision of the college and the employer, the student combines classroom learning with work experience. Includes a lecture component.

Credits
2

Distribution
PTRT

PTRT 2323 NATURAL GAS PRODUCTION

2 lec/2 lab (3 Cr.) An overview of the aspects of natural gas production including gas well testing, field handling of gas, well casing head gas, separation, metering, and dehydration equipment, and gas compression/transportation systems.

Credits
3

Distribution
PTRT

PTRT 2332 ARTIFICIAL LIFT

2 lec/2 lab (3 Cr.) Practical aspects of artificial lift in conventional production systems. Designed for students who have completed production methods PTRT 1307.

Credits
3

Prerequisite
PTRT 1301 Overview of Petroleum

Distribution
PTRT

PTRT 2359 PETROLEUM COMPUTER APPLICATIONS

2 lec/2 lab (3 Cr.) Computer applications used in the petroleum industry. Includes the automation of open and closed loop systems.

Credits
3

Distribution
PTRT

RBTC 1309 PNEUMATICS

2 lec/2 lab (3 Cr.) A study of principles of pneumatics including formulas, functions, and circuits with hands-on experience in these industrial automated systems.

Credits
3

Distribution
PTRT

PTHA 2360 PTA CLINICAL II

(16 External) (3 Cr.) This clinical is a full time, seven (7) week clinical that provides practical, general workplace training supported by an individualized learning plan developed by the employer, college and student. As outlined in the learning plan, the student will apply the theory, concepts, and skills involving specialized materials, tools, equipment, procedures, regulations, laws and interactions within and among political, economic, environmental, social, and legal systems associated with the occupation and the business/industry and will demonstrate legal and ethical behavior, safety practices, interpersonal and teamwork skills and appropriate written and verbal communication skills using the terminology of the occupation and the business/industry. Upon successful completion of the course, the student will earn three (3) credit hours. Prerequisites: Prerequisites: PTHA 1409, PTHA 1413, PTHA 1321, PTHA 2409, PTHA 1431, PTHA 2205, PTHA 2201, PTHA 2431, PTHA 2435, PTHA 1260. Co-requisites: PTHA 2339.

Navarro College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Navarro College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Navarro College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

PHYSICS

PHYS 1401 COLLEGE PHYSICS I

3 lec/3 lab (4 Cr.) This is a 4 semester hour course which is an algebra/trigonometry-level approach toward physics for students preparing for medical, dental, or other science-related fields. Topics include fundamental principles of physics, using algebra and trigonometry; the principles and applications of classical mechanics and thermodynamics, including harmonic motion, mechanical waves and sound, physical systems, Newton's Laws of Motion, and gravitation and other fundamental forces; with emphasis on problem solving. Laboratory activities will reinforce fundamental principles of physics, using algebra and trigonometry; the principles and applications of classical mechanics and thermodynamics, including harmonic motion, mechanical waves and sound, physical systems, Newton's Laws of Motion, and gravitation and other fundamental forces; emphasis will be on problem solving.
Pre-requisite: MATH 1314 – College Algebra and MATH 1316 – Plane Trigonometry or MATH 2312/2412 Pre-Calculus

RN TO BSN BRIDGE

NURS 3350 TRANSITION TO BACCALAUREATE NURSING

3 lec (3 Cr.) Synthesis of previous knowledge and skills provide the foundation for development of the baccalaureate prepared nursing roles as a provider of patient centered care, patient safety advocate, member of the interdisciplinary team, and member of the profession. Discussion includes examination of historical aspects of healthcare and nursing as a profession, analysis of nursing theory, application of clinical judgment, legal and ethical standards, professionalism, teamwork, and collaboration.
Credits
3

Distribution
NURS
Course Fee
Health professions fee: $105; Internet Course Fee (if applicable): $43; Insurance: $13

NURS 3351 RESEARCH AND EVIDENCE BASED NURSING PRACTICE

(3 Cr.) Scholarly exchange prepares the baccalaureate nurse to understand the language of research and the scientific process through evaluation of quantitative, qualitative, and mixed method research methodology as a foundation for evidence-based practice in the healthcare setting. This course will investigate research methods and findings and promote appraisal skills to support evidence-based, patient-centered care, quality improvement, and safety outcomes.

Distribution
NURS
Course Fee
Health professions fee: $105; Lab Fee: $24; Internet Course Fee (if applicable): $43

NURS 3353 INFORMATICS & TECHNOLOGY IN HEALTHCARE

3 lec (3 Cr.) This course establishes the role of electronic information infrastructure in the delivery of care within the institution and inter-disciplinary care team. Focus of this course includes the utilization of informatics to access data to enhance quality and continuity of care in a variety of healthcare settings.
Credits
3

Distribution
NURS
Course Fee
Health professions fee: $105; Internet Course Fee (if applicable): $43

NURS 3354 LEGAL AN ETHICAL ISSUES IN HEALTHCARE

(3 Cr.) This course discusses the application of law and ethical principles related to the practice of nursing in differing areas of practice.
Credits
3

Distribution
NURS
Course Fee
Health professions fee: $105; Lab Fee: $24; Internet Course Fee (if applicable): $43

NURS 4314 THEORETICAL PRINCIPLES OF NURSING

3 lec (3 Cr.) This course examines the theoretical and conceptual bases of nursing to encourage the student to critique, evaluate and utilize appropriate nursing theory within their own practice. Focus will be on a variety of theories from nursing.
Credits
3

Distribution
NURS

Course Fee
Health professions fee: $105; Internet Course Fee (if applicable): $43

NURS 4356 HEALTH PROMOTION ACROSS THE LIFESPAN

3 lec (3 Cr.) This course examines health promotion across the lifespan, including pediatric, adult, and geriatric populations. Emphasis is placed upon health and environmental patterns that promote or interfere with health attainment and risk reduction in the identified populations.

Credits
3

Distribution
NURS
Course Fee
Health professions fee: $105; Internet Course Fee (if applicable): $43

NURS 4358 PUBLIC AND GLOBAL HEALTH POLICY

3 lec (3 Cr.) This course explores the policies that influence healthcare in the U.S. and global healthcare delivery systems. Topics include healthcare policy development, quality assurance and quality improvement, legislative advocacy, disaster preparedness, bioterrorism, emerging infectious diseases, environmental health, levels of prevention, and the national health initiatives.

Credits
3

Distribution
NURS
Course Fee
Health professions fee: $105; Internet Course Fee (if applicable): $43

NURS 4413 COMPREHENSIVE HEALTH ASSESSMENT

3 lec/1 lab (4 Cr.) An in-depth coverage of a comprehensive health assessment with an emphasis on health promotion and how this concept is applied within nursing practice. This course focuses on the techniques of data collection and physical assessment and applying these across the lifespan and in a variety of diverse population groups and populations. This course lends itself to a concept-based approach. Clinical/Lab required.

WELDING

WLDG 1191 SPECIAL TOPICS - WELDING

1 lec/0 lab (1 Cr.) Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was deigned to be repeated multiple times to improve student proficiency.

Credits
1
Distribution
WLDG

WLDG 1313 INTRO TO BLUEPRINT READING FOR WELDERS

2 lec/2 lab (3 Cr.) A study of industrial blueprints. Emphasis placed on terminology, symbols, graphic description, and welding processes. Includes systems of measurement and industry standards. Also includes interpretation of plans and drawings used by industry to facilitate field application and production.

Credits
3

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 1327 WELDING CODES

2 lec/2 lab (3 Cr.) An in-depth study of welding codes and their development in accordance with structural standards welding processes destructive and nondestructive test methods.

Credits
3
Distribution
WLDG

Course Fee
Lab fee: $24

WLDG 1417 INTRO TO LAYOUT & FABRICATION

3 lec/2 lab (4 Cr.) A fundamental course in layout and fabrication related to the welding industry. Major emphasis on structural shapes and use in construction.

Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 1423 WELDING SAFETY, TOOLS, & EQUIPMENT

4 lec (4 Cr.) An introduction to welding equipment and safety practices, including OSHA standards for industry.

Credits
4

Distribution
WLDG

WLDG 1428 INTRO TO SHIELDED METAL ARC WELDING

2 lec/4 lab (4 Cr.) An introduction to shielded metal arc welding process. Emphasis placed on power sources, electrode selection, oxyfuel cutting, and various joint designs. Instruction provided in SMAW fillet welds in various positions.

Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 1430 INTRO TO GAS METAL ARC WELDING (GMAW)

2 lec/4 lab (4 Cr.) Principles of gas metal arc welding, setup and use of Gas Metal Arc Welding (GMAW) equipment, and safe use of tools/equipment. Instruction in various joint designs.

Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 1434 INTRO. TO GAS TUNGSTEN ARC WELD

2 lec/6 lab (4 Cr.) Principles of Gas Tungsten Arc Welding (GTAW) set up GTAW equipment. Instruction in various positions and joint designs.

Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 1435 INTRO TO PIPE WELDING

2 lec/4 lab (4 Cr.) An introduction to welding of pipe using the shielded metal arc welding process (SMAW), including electrode selection, equipment setup, and safe shop practices. Emphasis on weld positions 1G and 2G using various electrodes.

Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 1457 INTERMEDIATE SHIELDED METAL ARC WELDING (SMAW)

2 lec/4 lab (4 Cr.) A study of the production of various fillets and groove welds. Preparation of specimens for testing in all test positions.

Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 2288 INTERNSHIP-WELDING TECH WELDER

8 External Hrs./128 Contact Hrs. (2 Cr.) A work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer.
Credits
2

Distribution
WLDG

WLDG 2406 INTER PIPE WELDING

2 lec/4 lab (4 Cr.) Instruction using layout tools and blueprint reading with demonstration and guided practices with some of the following welding processes: oxy-fuel gas cutting and welding shield metal arc welding (SMAW) gas metal arc welding (GMAW) flux-cored arc welding (FCAW) gas tungsten arc welding (GTAW) or any other approved welding process.
Credits
4

Distribution
WLDG
Course Fee
Lab fee: $24

WLDG 2413 INTER WELDING USING MULTIPLE PROCESSES

2 lec/4 lab (4 Cr.) Instruction using layout tools and blueprint reading with demonstration and guided practices with some of the following welding processes: oxy-fuel gas cutting and welding, shield metal arc welding (SMAW), gas metal arc welding (GMAW), flux-cored arc welding (FCAW), gas tungsten arc welding (GTAW), or any other approved welding process.
