LVN TO RN BRIDGE OPTION- AAS DEGREE PLAN

PROGRAM INFORMATION: A mobility curriculum with summer bridge courses that can allow LVNs to “bridge” the gap between the Vocational Nursing Program and the second year of the Associate Degree Nursing Program. This one-year curriculum completes the 60 hours required for an Associate in Applied Science Degree (AAS ADN Bridge). LVNs must have 6+ work experience in a nursing facility, must satisfy all of the general education requirements of the first year of the ADN program as well as meet other specific program admission requirements. Upon successful completion of the bridging courses, the student is eligible for entry into the sophomore year of the Associate Degree Nursing Program. Applications to the program are available on-line and at nursing information sessions. All students wishing to apply to the program must attend an information session. Information session dates are posted on the Navarro College Web site in the Fall. **ACCEPTANCE TO NAVARRO COLLEGE DOES NOT GUARANTEE ADMISSION TO THE LVN TO RN BRIDGE OPTION.** (See [Associate Degree Nursing Program](#) information for admission, licensure and accreditation information).

Notice to Students Regarding Licensing - LVN to RN Bridge Program

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify you a potential or enrolled student that a criminal history may make you ineligible for an occupational license upon program completion.

The following website provides links to information about the licensing process and requirements. http://www.bne.state.tx.us/licensure_eligibility.asp.

Should you wish to request a review of the impact of criminal history on your potential LVN License prior to or during your quest for a degree, you can visit this link and request a “Criminal History Evaluation.”

<http://www.bne.state.tx.us/enlcnotice.asp>

This information is being provided to all persons who apply or enroll in the program with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense.

Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.
