BUSINESS OFFICE SYSTEMS AND SUPPORT (BOSS)

OVERVIEW

The Occupations

Administrative Aides, Administrative Specialists, Senior Administrative Assistants, Executive Assistants, Senior Executive Assistants, Accounting Assistants, Information Technicians, Office/Facilities Coordinators and Administrators **About the Occupations**

Now more than ever, administrative assistants and front office professionals play an integral role in the success of an organization. These administrative professionals are skilled at performing a variety of administrative duties. They are becoming members of the management team and assuming roles once reserved for managerial and professional staff members. Many opportunities await those professionals who master technology and use their interpersonal and communication skills effectively.

The Business Office Systems and Support (BOSS) Program is structured to prepare students for a wide range of front office careers using state-of-the-art technology software. The program courses are specifically designed to develop competencies in office procedures, software applications, basic accounting skills, organizational skills, office management, project management, and the essential workplace soft skills. These skills are essential to upgrading existing work knowledge. As technology continues to advance, retraining and continuing education will be an essential part of jobs in business.
