

# HEALTH PROFESSIONS

## RN TO BSN BRIDGE PROGRAM

**PROGRAM INFORMATION:** The RN-to-BSN program is 120 credit hours in length: up to 36 hours of nursing content transfer credits will be awarded from the Associate Degree in Nursing (ADN) or diploma program and licensure in the Texas. Students will need to complete 54 additional hours of General Education – Liberal Arts Core Curriculum and 30 hours of upper-level nursing courses for a total of 120 credit hours. The upper division courses can be completed in three semesters, Fall, Spring, and Summer.

Students must complete all prerequisite courses as described in the degree plan before enrolling in the next semester.

Students who have not completed designated prerequisites prior to enrolling in the nursing course will not be allowed admission into the nursing courses. A student must complete all courses within a semester before advancing to the next semester.

To be eligible to graduate with the BSN degree, students must meet the following requirements.

- Completion of all RN-to-BSN Degree Plan course requirements with a final course grade of “C” or higher for theory courses and for clinical courses.
- Completion of all Navarro College requirements for graduation.
  - Completion of  $\geq 50\%$  of semester credit hours of NURS degree plan courses at Navarro College
  - Approval by Program Director and Dean of Health Professions for all courses taken at another college.

### ADMISSION REQUIREMENTS: RN-to-BSN PROGRAM

- Applicants must be admitted to Navarro. **Admission to Navarro College does not guarantee admission to a Health Professions program.**
- Submit a completed Navarro College RN-to-BSN program application and include all required
- Have a minimum 0 cumulative GPA on a 4-point scale for all prerequisite general academic coursework. Offers of admission will be contingent upon all prerequisites being completed prior to the first class day.
- Have a minimum 5 GPA on a 4-point scale for all nursing coursework.
- Must hold an Associate Degree in nursing from a regionally accredited institution of higher education that is accredited by a national nursing accrediting agency or a diploma in nursing
